

Vinegar Bitters are not a vile Fancy Drink, made of Rums, Whiskies, Proof Spins and Refine Liquors, seasoned, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tipples on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Acetone Stimulants. They are the Great Blood-Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bowels are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache. Pain in the Shoulders, Chest, Epitomes of the Chest, Distress, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the Regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, of every description, or the influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Biliousness, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Itches, Spots, Pimples, Pastules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scabies, Eruptions of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is full; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: "There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Cold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a Preventive.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always present obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swell Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Aperient and mild Laxative properties of Dr. WALKER'S VINEGAR BITTERS are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the faces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, &c. Their Counter-Irritant influence extends throughout the system. Their Diuretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, &c.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus guarded. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glasses. Eat good nourishing food, such as beef steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.

HUMOROUS ITEMS If you want to know whether a tree is hollow or not, ax it. The worst kind of education—To be brought up by a policeman. The next great turf event—The race between a nightmare and a clothes-horse. There are two things in this world that are not safe to trifle with—a woman's opinions and the business end of a wasp. What's the difference between truth and eggs? Truth crushed to earth will rise again. Eggs won't. A negro, on being examined, was asked if his master was a Christian "No, sir; he's a member of Congress." A colored lady, boasting, the other day of the progress made by her son in arithmetic, exultingly said, "He is in the mortification table." An Irish paper says that: "In the absence of both editors, the publishers have succeeded in securing the services of a gentleman to edit the paper this week." Call a lady a "chicken," and ten to one she will be angry with you. Tell her she is "no chicken," and twenty to one she will be more angry still. Spinks never used to have any mind of his own, but since he has been married his wife has giving him so many pieces of her's that he now has a very respectable mental endowment. "What are you doing there, you rascal?" "Merely taking cold, sir." "It looks to me as if you were stealing ice." "Well—yes—perhaps it will bear that construction." A tipsy fellow, who mistook a globe lamp with letters on it for the queen of night, exclaimed: "I will be blest if somebody haint stuck an advertisement on the moon." An eccentric old fellow, who lives alongside of a graveyard, was asked if it was not an unpleasant location. "No," said he, "I never jined places in all my life with a set of neighbors that minded their business so stiddy as they do." "I say, don't you know who that is?" "No." "Why, what a fool you are! it's the celebrated Jones." "What's he celebrated about, then?" "Well, I'm blessed if I know."

The other Sunday the following was posted up in the lobby of the Cambridge Washington county, N. Y., Presbyterian Church: "Notice—The person who stole 'Songs of the Sanctuary' from seat No. 32 should improve the opportunity of singing them here, as he will have no occasion to sing them hereafter." A minister once told Wendell Phillips that if his business in life was to save the negroes he ought to go south where they were and do it. "That is worth thinking of," replied Phillips; and "what is your business in life?" "To save men from hell," replied the minister. "Then go there and attend to your business," replied Mr. Phillips. An absent-minded man entered a Troy shoe store the other day, and wanted his boy measured for a pair of shoes. "But where's the boy?" said the dealer. "Thunder!" said the man, "I've left the boy at home. I'll go and bring him," and off he started for his house six blocks away. A poor Irishman, who was on his death bed, and who did not seem reconciled to the long journey he was going to take, was kindly consoled by a good-natured friend with the common-place reflection that we must all die once. "Why, my dear, now," answered the sick man, "that is the very thing that vexes me; if I could die half-a-dozen times, I should not mind it." At a public table the other day, two "gentlemen got into a vehement dispute upon a subject of which they were profoundly ignorant. A large dog, whose slumbers on the hearth were disturbed by the altercation, rose up, and began to bark furiously. "Hold your tongue, you brute," said an old gentleman, who had been quietly sipping his wine, "you no more about it than they do." The table was instantly in a roar, and the brawlers were abashed. Josh Billing on Fastidiousness.

Fastidiousness is merely the ignorance of propriety. I have saw people who had rather die and be buried than say dull. They wouldn't hesitate to say male cow. If the thoughts are pure and the language is chaste, it will do to say almost anything. The young lady who, a fu years ago, refused to walk akrost a potato field, because the potatoes had eyes, ran away from home, soon afterwards, with a jewelry pedlar. Fastidiousness, as a general thing, is a holiday virtue, and I have frequently noticed that those individuals who are always afraid they shall cum akrost something hilly improper are generally looking for it.
