To Subscribers.-Will subscribers oblige us by looking at the dates on the direction labels of their papers. If the subscription expires with this year, and they wish to continue to receive THE TIMES, a prompt renewal of their subs cription will save us the trouble of removing the name from our mailing list, and will be a favor we shall duly appreciate.

Young Ladies wishing correspondents will please address Brint or Barley of El-liottsburg, Perry Co., Pa. Object—Matrim ony.

Festival.—The Methodist Sunday School will hold a festival in the basement of the M. E. Church, on Wednesday and Thursday, of this week. No charge for admis-

Christmas Services .- The Reformed church Sunday School, will have a Christmas service on next Tuesday evening, in the church. The church will be decorated &c. A number of speakers will be presant. A collection will be taken up for the benefit of the orphans and Sabbath school.

No Paper Next Week .- No paper will be issued from this office next week. We need a few days to make some changes and improvements in our office, and with this number we shall have furnished our subscribers with fifty-two papers, which is one number more than is usually issued by any country office.

Killed .- A. J. Hartzel, son of Michael Hartzel of Newport, was killed on Thursday last on the railroad near Pittsburg. He with three other hands employed by the P, R. Co., were riding on a hand car, when they came in collssion with a locomotive, resulting in the death of the whole four.

A Mistake. One of our contemporaries last week takes another one to task for an error made the week previous. That paper excuses the mistake by saying the information was taken from THE TIMES. We noticed the error, and the fact that the article was taken without credit, but we are so accustomed to having our locals "borrowed" that we don't mind it any more. When mistakes are made, however, in copying them, we do object to bearing the blame. A glance at the article referred to will show our friend that "Academia" was omitted and Bloomfield inserted in its

Real Estate Changes .- Mr. C. L. Harling, of this place, has purchased the brick house adjoining the Tavern Stand, owned by George Derrick, deceased

The Frank Gibson farm, near Falling Springs, has been pur chased by H. C. and J. B. Meredith.

The farm in Madison twp., known as the old "Robert Kelley," farm has been purchased by Noble Meredith.

The farm in Centre twp., about two miles west of this borough formerly owned by Mr. David Lupfer, has been purchased by Kistler.

Gunning Accident .- On Thursday morning last, Mr. Nathan Henderson of Green Park while out gunning met with a serious accident. While coming down a steep bank in the woods about a mile south of Green Park, his feet slipped forward and as he fell, his gun caught on a bush, which brought the muzzle back near the thigh. At that moment the gun was discharged, and the entire load entering the leg. passing toward the knee. He was brought home and Dr. Ard of this place and Dr. Shelbley of Landisburg, dressed the wound and endeavored to remove the shot and wadding. In this they were not entirely successful, as a portion of the shot they think had gone under the knee cap. The wound is very severe, and if Mr. H. does not eventually lose his leg, it is probably the log will always be stiff.

Boy Drowned .- A little son of Mr. Samuel Russel, who was formerly the agent of the Adams Express Company at this place aged about twelve years, was drowned in the Codorus creek, below the George street bridge; on Saturday a sternoon last. He was amusing himself on the ice, in company with some other boys, and venturing upon a part of it not sufficiently strong to bear him, he broke through, and before assistance could be procured he was drowned. His body was recovered about an hour and a half after the fatal occurrence took place, near where he broke through. He was a bright and interesting boy, the idol of his parents heart, and we truly sympathise with them in their sad bereavement .-York Paper.

For the Bloomfield Times. School Troubles in Madison Township.

Mr. Editor-We think it is pretty well known how school house matters are in Madison township, but there may still be a few people that are not acquainted with the workings of our school Board. Last sum-mer the Board erected a fine school house mer the Board erected a fine school house at Centre, and a new Board came into power through chiseling, (as they called it) and abused some of the old Board so bad, that they had to resign, and new members were put in who favored moving the school house. Two of the present Board stood firm in opposition to the removal, but were overpowered. On Friday the 13th inst., they made a desperate attempt to haul away the house, but failed as one of their teams got loose but failed as one of their teams got loose and ran away, and broke a horse's leg.—
The horse, which belonged to Daniel Earnest, had to be killed. The moving party looked very sad, and in fact would not have looked more so, if they had been attending

The Captain who commanded the squad thought that they were going to walk right off with the house without the people knowing it, but he missed it, as it would not go as easy as they thought. There was a large crowd of people on the ground that day, and the day previous, to see the mov-ing managerie, but were disappointed, we knew that they could not get off the stand with the amount of horses they had, which was 15 living and one dead. The Captain and his party retreated in tolerably good order, and removed their dead as they retreated. To be continued.

Cumberland County .- We copy the following items from the Cumberland county papers of last week:

T. J. Prettyman, of Dickinson College opened a protracted meeting at the county poor-house some time since, and quite a number of persons have obtained religion. The Young Men's Christian Association has charge of the meeting now.

An attempt to commit a highway robbery on Mr. Geo. W. Wolf, proprietor of the Mountain House, was made early last Monday evening in the vicinity of the old office of the Mt. Holly Paper Company. He was knocked down, but managed to get away from his assailant by running and taking shelter in the boiler house of the paper-mill. He had one hundred dollars in his possession, which was known to the

party who attempted to rob him of it. The house of C. Heiner near Frogtown, York county, was destroyed by fire on Tuesday afternoon the 17th last. While assisting to remove the furniture a preacher, whose name we did not learn, rescued a child of Mr. H., about two years of age, from under the bed. The fire is supposed to have originated from sparks in the chim-

On last Friday night the residence of Messrs. Robt. & James Kilgore, near Green Spring, was entered by some unknown par-ties and robbed of several valuable articles, including ten yards of new carpet, a couple of table cloths, &c. The thieves were well enough acquainted in that locality to choose a night when the dogs were shut in the

On Sunday morning last our citizens were shocked with the announcement that Mr. John W. Good, eldest son of Henry Good, Esq., Quincy township, had suddenly expired at his residence near this place from an attack of apoplexy. Although Mr. Good had been subject to epileptic attacks from boy-hood, circumstances and appearances warrant the conclusion that death ensued from the cause mentioned.

Brief Items.

Dr. Updegraff, of Sunbury, while changing cars at Lock Haven recently, missed his footing and fell across the track, breaking one of his arms below the elbow. He set the broken limb himself, and immediately took the cars for home.

Recently at McKee's Gap, in Blair Co., a butcher named Barr, slipped and rolled down a pair of steps in front of his house. As he tumbled headlong a hatchet flew from his hand and its downward course struck him in the neck, severing his jug-ular vein. He bled to death in a few min-

On last Friday evening a week, Mrs, Hershey, wife of James L. Hershey, resid-ing a short distance above Patterson, while descending a ladder in the stable missed her hold and fell backwards when about five feet from the ground. She was severely injured about the head and right shoulder, which in the fall struck the end of a trough.

On Saturday evening the 14th inst., Deputy Sheriff Beals, of Blair Co., took the supper into the large hall of the jail, where there were several prisoners, when they im-mediately attacked him — one of them mediately attacked him—one of them struck him with a piece of waste pipe, that was torn from the wall and knocked him down, when two of them charged with stealing goods from the P. R. R. at Altoona, escaped. The Sheriff's wife hearing the noise, ran to the room, and closed the door in time to prevent the escape of the others—Register. the others.—Register.

Hon. R. J. Fisher has declined to serve on the committee named by Hon, R. J. Halderman, to examine the candidates for the West Point cadetship, the particulars of which arrangement we gave in a recent issue. On last Thursday night we had four kinds of weather. A snow storm of four inches, a slight rain, a freeze and a thaw, all between sun set and sun rise. Since then the sleighing has been good.
