LOCAL DEPARTMENT.

Notices of Marriages and Deaths not exceeding four lines, will be inserted free, and (friends) throughout the county are requested to send such notices in.

Duncannon, Bloomfield & Loysville R. R.

This Company now being duly organized is prepared to receive subscriptions to the Capital Stock. Subscription blanks can be had at the Perry County Bank, or of either of the officers of the Company at Bloomfield, or of W. R. Swartz, at Duncannon. Mr. James Melhenny has also been appointed an Agent for receiving Subscriptions.

The Directors of the Company urge upon the citizens of the County, the importance of prompt action so that the work of grading the road can be commenced this season.

C. J. T. McINTIRE, Secretary. F. MORTIMER, President. W. M. A. SPONSELER, Treasurer.

Postage on this paper is payable at the post office where the subscriber receives it. We have nothing to do with the collection of that money.

Sheriff's Sale.—On Saturday the 28th inst., the Sheriff will sell at the Court House, in this borough, a house and lot situate in Saville township, seized as the property of J. D. and Barbara Baker.

Lost, Strayed, or Stolen.—A fine Snapping Turtle, from the premises of our worthy Burgess. Whoever finds "the baiste," is requested to have it made into nice soup and to send half of it to that officer and the balance to us. Don't season it too high.

Don't.—Don't swear at the Post Master, because he asks you for postage on your county paper, after July 1st, and don't blame the printer. But "go for" the members of Congress, who passed the bill that compels such payment, whenever you get a chance. Still it would not have been a law had not the President signed it.

Drowned.—On last Wednesday evening, Robinson Smith and several other young men went into the canal, near the Rope Ferry, to bathe, when by some means, young Smith got into a deep hole and was drowned. His body was recovered in a very short time but he was beyond resuscitation. The deceased was an exemplary young man, and son of John W. Smith, of Oliver township.

Empire House.—We are glad to learn that our friend Mr. D. I. Rice, formerly a resident of this borough, and well and favorably known through the county, has taken the Empire House, in Harrisburg, opposite the Pennsylvania Depot, and is refitting and refurnishing it in first-class order. He will be pleased to have all friends and strangers give him a call, and we have no doubt if they call once, they will call again.

Franklin County Nominations.—The Franklin county Democratic Convention which assembled in Chambersburg, on Tuesday, the 10th inst., nominated the following ticket to be voted for at the October election: Assembly—Capt. George W. Welch; Treasurer—H. M. White; Commissioner—W. D. Guthrie; Director of the Poor—Huston McCulloch; Auditor—D. B. Russel; Jury Commissioner—John Gilbert; Coroner—Dr. William P. Noble.

Is Game Plenty?—Judging from the following letter, which we find in the circular of a gun company, we should say it was:

PERRY COUNTY, PA.

Dear Sir—That gun I sent for two years ago is the best gun in this country. I shot 70 turkeys, 2 hawks, 300 squirrels, 5 deer, and a large amount of other game.

S. S. ORRIS, Ickesburg, Pa.

We would like to have a couple of those guns.

Disease Among the Horses.—In conversation with an intelligent horseman, last evening, we learned that there are some five or six horses affected with what our informant termed the "spinal disease, or after attack of epizooty." The horses under his care, he remarked, were affected with stiffness all over, and become stupid and dull—refuse their feed—show symptoms of stiffness in the jaw, have a slight discharge from the nose, get scabby about the head, and the remedies given appear to have no effect upon them after five or six days' trial. Our informant thinks the complaint, or disease, is epidemic, but has not, thus far, heard of any fatal results.—State Journal.

Horse Stolen.—On Wednesday night last, a Sorrell mare was taken from the field of Mr. Stanhope, in Washington co., Md., two miles west of Hagerstown. The thief then struck for Pennsylvania and came to Gettysburg on Friday morning, where he offered the horse for sale, but did not succeed in selling him, he then struck for Littlestown. Detective Rouzer hearing of it went after him and found him in Littlestown, he then arrested him and brought him to Gettysburg, where Esquire Cover committed him to jail. On Saturday morning Mr. Stanhope arrived from Hagerstown and claimed his horse. He will be taken on requisition from our Governor to Hagerstown for trial.—Gettysburg Star and Sentinel.

Accidents.—On Tuesday last, Mr. Chas. K. Smith, and Jacob Lineweaver, of Newport, met with a severe accident. They were driving a colt, when the animal became frightened and ran away. Mr. L. jumped out, and in so doing fell in such a manner as to break his arm. Mr. Smith, was soon after thrown out, by his wagon striking another, and fell on his face disfiguring it badly, and injuring him quite seriously.

On Monday of last week, a horse driven by Mrs. Robert Holmes, of Penn township, became frightened when near Duncannon, and ran away throwing out Mrs. Holmes, and breaking her arm, and injuring another lady who was with her in the wagon.

On Tuesday last, a team belonging to Daniel Wentzel, of Spring township, became frightened at the cars near the mill at Newport, and turning suddenly around started again for town. After running a short distance, they took out the side walk and brought up against a tree, where three of the horses stripped themselves out of their gears, and ran up the street. The only damage done was a broken pole and gears.

A lad named George Burd, while working on John Shearer's barn in Centro township, on Tuesday last, cut two of his toes entirely off, and another toe half off. The boy was cutting on a rafter, when his foot slipped, causing the accident. Dr. Ard, dressed the wound.

Daring Highway Robbery.—Mr. D. Stremell, residing in West Manheim twp., this county while peddling meat among the farmers in the neighborhood of J. W. Gitt's farm, in said township, at a rather secluded place called "the pines" last Tuesday forenoon was met by two men on horseback, who halted Mr. Stremell and interrogated him about the price of meat. While thus engaged in conversation, one of the horsemen grasped Mr. Stremell by the neck, and forcing his head down, put his other hand into Mr. S.'s pocket, taking therefrom his pocket-book containing about \$15. When in possession of the money the robbers rode off at a rapid speed. Instead of Mr. Stremell pursuing the scoundrels and giving the alarm, he came to Hanover and reported the case to Squire Frysinger. This is one of the boldest and most daring robberies known to have been committed in this locality, as it was done in the middle of the day and on a public highway.—Hanover Citizen.

A Word to Farmers.—Persons wishing to plant trees should remember that we have good nurseries in our own county, and that it is better to get trees near home, as by so doing, they not only add to the prosperity of their own vicinity, but are much more certain of getting what they purchase, while the trees are fresher and more certain to live. The Nurseries owned by George A. Wagner, near Landisburg, and by Ross Hench, near Eshecol, offer a good variety of fruit trees at reasonable prices. We hope the citizens of our county will see that they are properly supported.

For The Bloomfield Times

MR. EDITOR.—How pleasantly one breathes sometimes, when he feels God is on his side. The recommendation of John Irvine, of Saville, as the proper person to represent us in the next Legislature, makes me feel so. I know of no one more capable than he to discharge the duties of that office. If he should be elected, I feel assured he would do his duty faithfully. He is as honest as he is kind and gentle, and as wise as he is honest, and as truthful as he is wise. I will guarantee he will neither sell his vote, nor steal from the commonwealth. He will do us old, honest Republicans who do not want, nor expect office for ourselves, but who only seek the good of our dear old commonwealth, and the best interests of the people. It will be a great pleasure to vote for John Irvine. His will be the nomination by the people, and not by the wire pullers and professional politicians.

Yours for the good of the whole country. GEORGE POWELL.

Cumberland County.—From the Cumberland County papers of last week, we copy the following:

On Friday night last a burglar entered the bed chamber of Mr. George Titzel, grocer, in Mechanicsburg, and robbed him of \$75 in money, a gold watch and chain, and a coat. No clue has been discovered as to who the perpetrator of the robbery was.

The residence of Captain Durlin, of Newville, was entered by burglars, and robbed of a silver watch and about ten dollars in money, on Wednesday night of last week. The burglars are still at large.

The Steam Mill of Meilly & Hurst at Mechanicsburg, was burned on the 18th inst. No insurance.

A man named Charles Rivers, composed himself for a nap on the railroad track, in Lehigh county on Thursday. The coroner complained of the corpse smelling terribly of whiskey.

Church Notices.

Preaching in the Presbyterian Church on Sunday next, at 10 1/2 a. m. Prayer meeting on Wednesday evening.

Reformed Church.—Preaching at 2 P. M. on Sunday next. Prayer-meeting on Thursday evening.

In the M. E. Church preaching on Sunday morning next. Prayer meeting on Thursday evening.

Juniata County.—From the Millintown Inquirer, of last week, we copy the following:

The Methodist congregation will worship in the Court House until their new edifice is completed. Preaching every Sabbath morning at 10 1/2 o'clock, and in the evening at 7 1/2 o'clock.

As we predicted, the old Methodist church was razed to the ground by Saturday evening, and not one brick was left upon another. For the earnest efforts put forth by the pastor, Rev. H. C. Pardoe, who superintended the taking down of the building, with an able corps of workmen, whose names we would like to publish, if we had them, as they labored without money or price, is due this grand consummation. The work of rebuilding will be commenced soon.

The residences of Miss Mary Little and Mr. Alexander Boggs, in Waterloo, this county, together with the stables and out buildings, were entirely destroyed by fire on Saturday, the 7th inst. When the fire broke out most of the people were at church, a short distance from the village. An alarm was sounded and the people at the church and in the neighborhood soon gathered at the scene of the conflagration, but the fire had gotten too great a hold before it was discovered, and all efforts to extinguish the flames proving futile, all turned their efforts to saving the personal property, but succeeded in rescuing only a few household goods from the devouring element. During the progress of the fire several other houses in close proximity to the burning buildings were on fire but the flames were subdued before much damage was done. The origin of the fire is unknown.

Brief Items.

Some thirsty, thieving cus-tomer stole a keg of lager out of Krause's wagon, on Friday night. The wagon was in Suteh's stable. They ought at least to have returned the empty keg.

The boys had the fire engine out last week. It has an excellent delivery, from the under side. Hoisted above a house when on fire, it would aid very much in extinguishing the flames.

A horse belonging to Amos Robinson, became frightened at the cars, near Leiby's Crossing, and ran away on Tuesday last, but was stopped a short distance up the road and before any damage was done.

Strawberry peddlers have been remarkably scarce on our streets this season, the dry weather having dried the vines all out. Cherries also, will be nearly a total failure.

Is it, or is it not, against the law to gig for fish? That is a question which is agitating the minds of those fond of fishing. The fish law seems to be as clear as tar, and as easy of comprehension as the laws controlling the action of electricity.

On Monday last, a young man named Frederick Klepper, had a sad disappointment, for just as he was ready to get into his buggy at Loysville, to take a trip, the horse scared and ran away, putting the vehicle into condition to need reconstructing. So the young man had to go on horseback.

On Wednesday morning Philip Troup, of Oliver township, was going to the mill, when one of the horses became frightened at the cars, and pushed the other horse and himself into the canal. Both animals were finally got out in safety, and but little damage was done to the vehicle. The horse that scared was the same one that ran away the day previous, and caused the injury to Messrs. Smith and Lineweaver.

An editor was asked by a stranger "is it possible that this little town kept up four newspapers," and the reply was, "No, it takes four newspapers to keep up the town."

A daughter of a respectable citizen of Reading, last week, forged her father's signature to a check, drew out his bank balance, and eloped with some stranger.

A baby was born in Saville township last week, that weighed only one and a quarter pounds. This is the champion of light weights we think.

The Dauphin County Democracy meet on Saturday next, to elect delegates. The county Convention will be held on July 1st.

A son of George Leonard, in Centro township, one day last week, while stepping out of the door fell and broke his arm.
