This Company now being duly organized is prepared to receive subscriptions to the Capital Stock. Subscription blanks can be had at the Perry County Bank, or of either of the officers of the Company at Bloomfield, or of W. B. Swartz, at Duncannon. Mr. James McIlhenny has also been appointed an Agent for receiving subscriptions.

The Directors of the Company urge upon the citizens of the County, the importance of prompt action so that the work of grading the road can be commenced this season.

J. T. McINTIRE, Secretary. F. MORTIMER, President. Wm. A. SPONSER, Treasurer.

Receipts are not sent to persons remitting subscriptions as they are not required, the change in date on the direction label being sufficient evidence that the money has been received.

Leg Broken.—On Friday last a son of Simon S. Clouser's, of Centre twp., fell off the wagon while bringing a load of wood to town, and was run over by the wagon, fracturing his right leg. The fracture was adjusted by Dr. Sweeney and the young man is doing well.

An Accident.—On Sunday evening while Mr. George Gingrich, of Juniata twp., was driving on the road from Markleville to Newport, accompanied by his wife and two children, his horse became frightened by coming in collision with another vehicle and ran away, breaking the wagon and injuring all of the occupants somewhat, but one of the children more seriously. The injuries were dressed by Dr. Sweeney.

Valentine Vox, Ventriloquist and Magician gave two entertainments in this place last week. The first one given on Thursday evening was so satisfactory, that many citizens requested him to remain and repeat his performance, which he did, on Friday evening, the house being well filled on both occasions. On Wednesday evening of this week he performs at Donnally's Mills, and on Thursday evening at Millers-town. From there he goes to Juniata co. Those who spend an evening with him will not regret the expense.

Killed.—On Tuesday forenoon the Pacific Express east, when near Juniata Bridge, struck a man who was walking on the track and instantly killed him. An inquest was held on the body by Squire Anfosson at Duncannon, and a verdict rendered in accordance with the facts. From papers found among the effects of the deceased, it is supposed his name was Michael Schueid-am, of Mercer county, Pa., and that he was walking to New York. He was buried in the Methodist church yard at Duncannon.

Run Away.—On Saturday last, Mr. John Wagner and wife, of Saville township, left their home in a buggy drawn by two colts, and soon after leaving the house, the horses began to run, when Mrs. Wagner jumped out, and was slightly injured. Mr. Wagner stayed in the buggy until he reached the Shuman House, when he fell out. The horses ran through Ickesburg, and as far up the road as Mr. John Kochenderfer's where they were caught. Mr. Wagner was severely cut about the head, and we fear seriously injured in the back. He is now at home and receiving all the medical aid necessary for his comfort.—News.

Serious Accident.—Nicholas Bitner, a citizen of Perryville, employed by the Penna. Railroad, while engaged in digging away an embankment for the third track was seriously injured on last Friday a week, by a large piece of earth falling on him, crushing his face in, breaking his leg, and sustaining other injuries. He was removed to his home and medical aid summoned. Mr. B. is in a very critical condition.—Independent.

Camp Meeting.—A camp meeting, commencing on Thursday, August 7, will be held under the auspices of the Church of God, in the grove belonging to Mr. Holmes, near the Pine Grove Church, four miles east of Bloomfield, on the Baileyburg road. No huckstering allowed within the limits prescribed by law.

Cumberland County.—From the Cumberland County papers of last week, we copy the following:

During the heavy thunder storm on last Monday evening, the tinmer shop of Mr. George Keeseman, at Mt. Holly, was struck by lightning. Mr. Keeseman's dog which was in the shop at the same time was killed, being the only damage done. Mr. C. Harman, after the same storm found one of his hogs lying dead in the barn yard, supposed to have been killed by the lightning.

A man named Philip Umholtz, of Carlisle, employed by Jon. Gross, near New-Kingston, about five miles East of town, met with a severe accident on Wednesday of last week, while building hay on a large four-horse wagon. The horses suddenly started throwing Mr. U. violently to the ground, breaking his arm at the elbow. He was brought to his residence, in this borough, when Dr. Stuart was called in, who set the broken arm.

On Thursday morning last, a girl named Lay, came very near losing her life under the following circumstances: She was engaged in raking grain in one of her father's fields, which lies along the South Mountain rail-road, when the train came along which conveyed the picnic to Hunter's Run. The horse frightened and became unmanageable, throwing the girl to the ground and tramping on her. Her clothes became entangled in the teeth of the rake and she was dragged for a considerable distance before she succeeded in extricating herself from her dangerous position. The garments she had on the time were literally torn from her person.

Glass Jars.—The best styles of Glass Fruit Jars, at low prices can be had of F. MORTIMER.

Brief Items.

Alfred Kell, of Saville twp., was recently bitten by a dog belonging to Joseph Simonton.

A slight fire occurred in the dry Kiln at the Newport Planing Mill, on Monday of last week.

Laura Furnace, near Millerstown, is now in successful operation. W. W. Taylor & Co., are the proprietors, and charcoal is used for fuel.

A catfish was caught in Swartzara creek recently which weighed four and a half pounds, and measured five inches between the eyes.

The corn crop looks poor in this county generally. The oats are late ripening, and will be about midling. Potatoes are scarce,

and sell at \$1.50 to \$2.00 per bushel. Apples and peaches, will be scarce also.

Mr. Jacob Seiler, of Centre twp., has a chicken which has no eyes. It was hatched out in that condition, the place where the eyes should be, having just a little indentation.

At Johnstown, recently, David M. Davis, an aged citizen, after dressing himself to attend the funeral of a deceased neighbor, lay down to take a nap, and was shortly afterward found dead in his chair.

A son of B. S. Breneman, of this borough, was slightly injured on Monday of last week, by falling in front of Mr. Spenser's horses. The horses were stopped before passing over him, but pawed the lad while they were standing still.

On Wednesday a son of David McGill, of Fayetteville, was thrown from his horse in Rye township, this county, and had his shoulder dislocated. Dr. Sweeney, of this borough, attended to his injuries and the young man was then sent to his home.

Another attempt at rape was made in Centre twp., last week. These cases are remarkably frequent in that township, and the victim in this case as in all the others was a child. It is high time some exertion was made to bring the scoundrel to punishment.

We learn that a daughter of Mr. Andrew Bowersox, of Centre twp., Snyder county, a few days ago, who was leading the horse, while unloading hay, with a patent fork, was badly hurt by the rope which broke, hurling it with such force in her face as to strike out one of her eyes.

James H. Ferguson, Esq., announces his editorial connection with the Newport News. Mr. Ferguson will not allow his political opinions to be conspicuous, but will keep the paper strictly "independent." We wish him success, in his new undertaking.

The citizens of Milford are somewhat excited regarding the movements of a stranger, who has been around that vicinity for some days. His curious actions suggest various evils which the people are trying to guard against, by keeping a nightly watch. The man is probably an escaped lunatic.

On Thursday while John and Mary McDuffy, were riding from Griars Point to Marysville, the horse was frightened and ran away throwing both of the occupants of the vehicle out, and seriously injuring Miss McDuffy, and throwing her into spasms. She is however, rapidly recovering.

The Lower Tuscarora Presbyterian Church will celebrate its 108th Anniversary on the 20th of August, at Academia, Juniata county. All Presbyterian churches in the region, and all the other churches of the Valley are invited to join them in a general picnic and basket dinner, and to hear a history of the Church, which will be read on the occasion.

A fellow claiming to be an indian doctor and calling himself Dr. Vance, has been arrested in Franklin co., for an indecent assault on a little girl only nine years of age. We presume he is the same chap who, in consequence of some "irregularities," found it convenient to leave this place between two days, about a year and a half since.

The Warm Springs is a favorite place of resort this summer. On Thursday a party of over twenty went from this place, and were met at the Springs by parties from Newport and Carlisle, which increased the number to about sixty. The day was passed in a most agreeable manner. Mr. Bowers is also accommodating a number of regular boarders from the city.

School Notice.—Some few public schools commencing before Nov. 7th, the Bloomfield Academy will accommodate such as desire to teach earlier than November, by opening a small special session, Monday, August 11th.
