This Company now being duly organized is prepared to receive subscriptions to the Capital Stock. Subscription blanks can be had at the Perry County Bank, or of either of the officers of the Company at Bloomfield, or of W. B. Swartz, at Duncannon.

The Directors of the Company urge upon the citizens of the County, the importance of prompt action so that the work of grading the road can be commenced this season.

Receipts are not sent to persons remitting subscriptions as they are not required, the change in date on the direction label being sufficient evidence that the money has been received.

Who is it?—We received an envelope last week containing money, probably for subscription, but not even a scratch of a pen accompanied it to tell from whom it came.
