Sunday School Celebration.

Last Saturday was set for a grand Sunday School Celebration to be held on Church Hill. There were three schools that took part in the celebration—the Blain Sunday School, the Mount Pleasant Union Sunday School and the M. E. School of Church Hill. In the morning, while the Blain School was making preparations, the Mount Pleasant School came into town on a six horse team, the wagon being decked with flowers and evergreens, carrying their banner, their horses accoutred with bells and small flags. As they came into town, they sung a beautiful hymn. By this time the School of Blain had made their preparations, and marched out of the Church double file, the Mount Pleasant School falling in, in the rear. They then marched through town, on their way to the ground. A little way below town, the Church Hill School was filed along the side of the road. After the two schools had passed, they made up the rear. They then proceeded to the ground, where they were addressed by Rev. S. Decker, Linderman and Smith. After eating dinner, they broke up to have a ramble through the grove, playing 'ring,' 'jumping rope,' and other gymnastic amusements, being participated in by both old and young. About four o'clock they broke up, and then 'broke' for their homes. The day being pleasant, they had all a fine time, and were all well pleased.

Bold Robbery.

On Wednesday night, August 7th, the Jewelry Shop of B. F. Hoover, of Ickesburg, this county, was entered and robbed of between 25 and 30 Watches, the book in which the watches were recorded, some Jewelry, pocket-book with \$11.00 of money, and a pair of button-gaiter shoes which had been worn about one week. Among the watches was one gold watch, with poor cases, the hands were a little to one side of the face, a wreath on the face, and a goat engraved on the lid where the winding part is. One American Lever with heavy silver chain and yellow glass Charm and Silver Breast-pin made of a quarter-dollar, on which was engraved the letters 'M. M. H.' The robbers entered the shop by way of the window and opened the watch-safe with a chisel, which they left on the window, together with a barlow knife and a pair of old shoes.

Juniata County.

From the Millintown paper of last week we copy the following:—A valuable horse belonging to Abraham Moist, of Fermanagh township, died suddenly, one night last week.

A fine colt belonging to Gen. Bell took the lock jaw some time ago, caused by a nail which had run into the pastern just above the hoof, and died of the disease on Last Saturday night.

The Evangelical Association for Millin Mission will hold a Camp Meeting on the land of Isaac Dikken, about 5 miles from Thompsonstown and about 2 1/2 miles from Mexico, commencing on Friday, August 15.

Sheriff Ard, drives a young horse. On Thursday of last week, while driving the horse in a buggy along the public road, near McCoytown, the horse scared at a chicken, ran off, and upset the buggy, threw the Sheriff out, bruising seriously his left arm, and sustaining other injuries. The buggy was badly wrecked.

We understand that prosecutions have been instituted against a number of our landlords and druggists for violation of the Local Option Law. Quite a number of witnesses have been subpoenaed, who it is believed have purchased liquor from them, and no little excitement and bad feeling on their part engendered thereby.

The Public Examinations of Teachers

A correspondent from Juniata county also sends the following:

An unknown man fell from the bumpers of a freight train in the Narrows, on Thursday and was instantly killed.

A man named Hopple, was badly cut on the hand by a circular saw at Millin, on Friday last. The wound was dressed by Dr. Banks.

A man named James Calhoun, was badly hurt at Grahams Saw Mill, about three miles from Perryville, by a piece of wood flying from a circular saw and striking him on the head. He is, however, recovering.

It seems probable that Mrs. Orr, of Perryville, will be heir to the property of the murdered McBride family, of Williamsport as she is undoubtedly a sister to the murdered man. The family came over from Ireland about 50 years ago.

Sugars.—Now is the time to buy your Sugars for preserving. Prices are lower than they have been for ten years. Call at F. Mordman's, and examine the quality and hear the prices.

Cumberland County.—From the Cumberland county papers of last week, we copy the following:—

Hon. Lemuel Todd, has received a grass seed from California, known by the name of Alfalfa, the leading feature of which, it is said four or five crops can be raised from it during one season.

We learn that John B. Leidig, Esq., has sold his residence at New Kingston, for \$5,000, proposing to removing to Philadelphia to engage in some wholesale business.

James Windemaker, a lad about twelve years of age, employed on the farm of Mr. John Stuart, in South Middleton township, while returning from Bitner's saw mill with a load of lumber, was thrown from the wagon, and one of the wheels passing over his right knee.

On Wednesday evening about half-past five o'clock, Willie Martin, little son of Geo. Martin, Jr., residing on East Main street, came very near being drowned. It seems that Willie, in company with his little sister, went to the cistern of a neighbor, who was absent at the time, and lifting the lid, by some means or other, fell in. The little girl seeing him fall, screamed as loud as she could, which attracted the attention of the mother, who immediately called for help and succeeded in getting him out. When found, he was lying on his back on the top of the water, and life almost extinct. If he had remained a few moments more in that condition, he would have been drowned. Persons who cover their cisterns with loose lids, should take timely warning.—Valley Sentinel.

For the Bloomfield Times.

RENOVO, Aug. 4, 1873.

Mr. Editor—Dear Sir—It may be interesting to the readers of your valuable paper to know how this part of the country is progressing. I will therefore state through its columns, that it is improving quite fast. There are upwards of twenty buildings in the course of erection, one is a fine brick school house large enough to accommodate four schools. Mr. R. B. Caldwell, Banker, of this place, is also putting up a very fine brick building for banking purposes. The contractors of the borough water works have also commenced work on their contract. The P. & E. R. Co., are putting down the iron on their second track. Since the P. R. R. Co., leased the N. C. R., they have altered the run of Passenger crews. The engines and crew run from here to Harrisburg for a trip a distance of 143 miles. They are also hauling quite an amount of freight over this road since the completion of the B. N. Y. & P. Road.

There was a very sad accident occurred here on the 31st of July, Mr. Anthony Dwyer, a very enterprising and energetic citizen of this place, whilst crossing the river on the ferry-boat at the foot of 7th street, was thrown out into the river, and before any help could get to him, he sank to the bottom for the last time. They dragged the river for about two hours before finding him, the river being very muddy from the recent rains. We have very fine growing weather in this part of the State, but as we live in the ranges of the Allegheny mountains, we do not see much farming country, therefore I cannot give you an account of the condition of the corn and potato crops, but from all reports, the new potatoes are very plenty. They have been selling as low as seventy-five cents per bushel in Lock Haven, a distance of 28 miles from this place. The mercantile business in this vicinity is very good, as there are between five and six hundred hands employed in the shops, and there is between sixty and seventy thousand dollars changes hands every month, it therefore makes business brisk.

The Renovo House being quite a summer resort, draws a large number of city folks to this place. It is as fine a summer resort as there is in the country, and has all the latest styled improvements, consisting of fish-ponds, bowling-alley, billiard saloon, croquet grounds, steam laundry, and has a very energetic proprietor. Mary Kepner, a daughter of W. T. Kepner, fell from the porch at the house of James Clark, in this borough, on Thursday last, and for quite a time it was feared the result would be fatal. For some hours the child remained in a comatose condition, but is now recovered.

The camp at Pine Grove, was well attended on Sunday. It seemed a little strange to us though, to see more persons under the influence of liquor there, during a stay of fifteen minutes, than we saw in town the whole of court week.

The chicken cholera, is very bad in the upper end. Many of the farmers complain of having lost nearly all of their chickens, both old and young ones.
