Bloomfield, May 27, 1873.

Attacked by Rats.-A few nights since Mr. Harry Swartz, residing in Centre twp., was awakened at night by the cries of a little girl living with them. On going to ascertain the cause, he found that rats had bit her on the fingers and wrists in such a manner as to cause the blood to flow free-

Very Singular .- An old lady living in Walker township, Juniata county, was a short time since afflicted with a paralytic stroke, previous to which she could read well. After recovery from the stroke she had to be again taught her letters before she could read. We don't remember of ever hearing of such a case before.

An Unfortunate Man .- About three weeks ago a four horse team of John Madden came near being killed at Elder's crossing, on the Lebanon Valley railroad. A train of cars ran into the wagon and damaged it considerably but the horses escaped with a few bruises. Friday afternoon between twelve and one o'clock the mail train west struck another team belonging to Mr. Madden at the same point and killed the two front mules, one of which had four legs cut off and the other two. No damage to the train or injury to passengers.

Local Option in Juniata County.

The Juniata Republican in referring to the report of the Constables regarding the sale of liquor says:

No little curiosity has been manifested as to how these conservators of the peace would act in relation to the question regu-larly propousded to them at each term, as

"Are there any spirituous liquors sold within your balliwick contrary to the pres-ent license law?"

The following Constables toed the mark squarely and positively answered "None,"

viz:
J. M. Leach, Delaware.
Noah Cameron, Thompsontown.
John McLaughlin, Spruce Hill.
S. S. Wilson, Mifflintown.
John H. Patterson, Greenwood.
John Knox, Tuscarora.
Henry Bay, Susquehanna.
Isaiah Berkey, Turbett.
Samuel Bell, Fermanagh.
Samuel Minnichan, Perrysville.
The following qualified their negative by saying: "Not that I know of," viz:
Robert Pollock, of Lack, Emanuel Bortel, of Milford, and Daniel Coffman of Beale while John Caveny, of Fayette, still furth-

el, of Milford, and Daniel Coffman of Beale while John Caveny, of Fayette, still further qualified his return by saying: "None that has come under my notice."

But one, John McConnell, of Monroe, openly admits a violation of the law in his bailiwick and answered squarely, "Yes," and the last constable on the list, Joseph Kerlin, of Patterson, squarely dodged the question and to it made no reference.

Fifty Dollars Fine .- Among the cases before the Juniata county court last week, were the following: Wells and Albright of Mifflin, and Pellman, of Monroe twp., landlords and Rundio, of Patterson, druggist, were each charged with selling liquor without license and were each fined (this being the first offence) fifty dollars and costs. This fine is imposed under the law of 1857, which forbids the selling of liquor without license and fixes the penalties for so doing.

Cumberland County .- From the Cumberland county papers of last week, we copy the following

A Local Option committee has been formed in Mechanicsburg, whose duty it will be to try and stop the sale of intoxica-

On Thursday night last the residence of Mr. John Natcher, in North Middletown township, a short distance North of the reservoir, was burned to the ground, under the following circumstances: When Mr. reservoir, was burned to the ground, under the following circumstances: When Mr. N. retired he left a coal-oil lamp burn on a stand near the bed, which exploded some-time during the night and set fire to the bed. Mr. N. on awaking and seeing a portion of the room enveloped in flames, aroused the other inmates of the house. By this time the fire had gained considerable headway, and the occupants could only succeed in saving a portion of the furni-ture. Mr. Natcher had the property in-sured a few days previous to the fire.

At the court last week, a number of bills of indictment was found by the Grand Jury against various parties for violating the Local Option Law. When the first case was called for trial, the counsel for the liquor men moved to quash the bills of indictment found against them, on the ground of informality in sealing the Jury wheel. It appears that the law requires the Jury wheel to be sealed with the respective seals of the sheriff and Jury Commissioners, and in this case the sealing was done by the Sheriff alone, with his own

seal. Upon proof of the facts, the court sustained the objection, deciding that the law requires the wheel to be sealed with the respective seals of the Sheriff and Jury Commissioners, and quashed all the bills of indictment found last week, which had not already been tried by the traverse Jury, and the court directed that persons against whom true bills had been found, be bound over in \$500 for their appearance at the next court, and also in \$500 more for their compliance with the law until that time. Most of them have, we understand, entered into recoghave, we understand, entered into recognizance for their appearance at the next

court.

A man named George Robinson, employed as a clerk by Mr. D. H. Lachey, lately dry goods merchant, was arrested on last Monday one week, charged with robbing the store belonging to the above gentleman of a large quantity of goods. Mr. Lachey, in connection with the store, was engaged in the sewing machine business, which necessitated his absence from the store frequently. There can be no doubt that R. had been carrying off goods during Mr. L's. absence, for a considerable length of time, as the stock he had secreted at his residence will prove, which amounted to several hundred dollars. The stock consisted of muslins, bed-tickings, shirting, carpet chain, paper collars, brooms, &c. We learn the suit was settled, the conditions being that Robison would pay the tions being that Robison would pay the sum of \$500, and turn over the stolen goods. Robison must have seen the vision of a dry goods store in the distance, for he of a dry goods store in the distance, for he had smuggled enough goods, of all varieties, to set up a store on a fair footing. We learn that Robison is worth considerable money, and has heretofore borne a good character. The circumstances of the affair took everybody with whom he was acquainted by surprise, when they learned that he had wandered so far from the path of date.

The Night Express west on Wednesday night of last week, ran into four horses be-longing to Mr. Moses Myers, residing about three miles west of Oakville, killing two of them instantly and injuring a third considerably. The horses had broken out of their pasture, and were standing in a curve in the road, the engine striking them almost as soon as the engineer saw them. The two animals killed were worth fully

On Wednesday, a man employed for a number of years on the Cumberland Valley R. R., by the name of Aughinbaugh, fell, as we are informed, beneath the train, having both legs crushed badly. The accident happened near Kingston, Cumberland County. The injured man was brought to Carlise where he was attended to be Dr. J. I. Zitzer at Zitzer's Hotel. to by Dr. J. J. Zitzer, at Zitzer's Hotel, but reaction not taking place, nothing could be done for the unfortunate man. His wife and mother came from Chambersburg by special train, only in time to see him

At Mifflin county court last week, F. A. Ward, hotel clerk, was fined \$50 and costs for selling liquor without license, and the proprietor, W. W. Coleman, was fined \$75 and costs for same offence. ## PERRY DAVIS' PAIN-KILLER

As been tested in every variety of climate, and by almost every nation known to Americans. It is the constant companion and inestimable friend of the missionary and the traveler, on sea or land, and no one should travel on our Lakes or River without it.

Since the PAIN-KILLER was first introduced, and met with such extensive sale, many Liniments, Reliefs, Panaceas, and other remedies have been offered to the public, but not one of them has ever attained the truly enviable standing of the PAIN-KILLER.

WHY IS THIS SO I

WHY IS THIS 80 ? It is because DAVIS' PAIN-KILLER is what it claims to be a Reliever of Pain.

ITS MERITS ARE UNSURPASSED.

If you are suffering from INTERNAL PAIN, Twenty or Thirty Drops in a Little Water will almost instantly cure you. There is nothing

COLIC, GRAMPS, SPASMS, HEART-BURN, DIARRHEA, DYSENTERY, FLUX, WIND IN THE BOWELS, SOUR STOMACH, DYSPEPSIA, SICK HEADACHE.

# In sections of the country where

prevails, there is no remedy held in greater esteem. Persons traveling should keep it by them. A few drops, in water, will prevent stekness or bowel troubles from change of water. From foreign countries the calls for PAIN-KILLER are great. It is found to GURE CHOLERA WHEN ALL OTHER REMEDIES FAIL.

WHEN USED EXTERNALLY, AS A LINIMENT, nothing gives quicker ease in Burns,
Cuts, Bruises, Sprains, Stings from Insects,
and Scalds. It removes the fire, and the wound
heals like ordinary sores. Those suffering with
RHEUMATISM, GOUT, or NEURALGIA, if
not a positive cure, they find the Pain-Killer
gives them relief when no other remedy will.
IT GIVES INSTANT RELIEF FROM
ACHING TEETH.
EVERY HOUSE-KEEPER SHOULD KEEP

ACHING TEETH.

EVERY HOUSE-REEPER SHOULD KEEP
IT AT HAND, and apply it on the first attack
of any Pain. It will give satisfactory relief,
and save hours of suffering.

Do not triffe with yourselves by testing untried remedies. Be sure you call for and get
the genuine PAIN-KILLER, as many worthless nostrums are attempted to be sold on the
great reputation of this valuable medicine.
