An Accident .-- On Saturday last, as Mr. David Hess and his wife, of Carroll twp., were near their home, the bolt coupling the shaft to the axle came out, allowing the shaft to drop to the ground and running the wagon up a bank, and causing it to upset. Both of the occupants were thrown out but fortunately received only slight injuries. The wagon top was however completely demolished, and the harness was badly damaged, the animal tearing loose and continuing on her way home.

× Some Pumpkins .- Mrs. Gotwalt of this borough has raised a pumpkin which beat the one that took the premium at the fair by 16 lbs. One vine gave a yield of eight pumpkins and after two had been used the remaining six were weighed, showing a total of 3251 lbs. one of them weighing 115 pounds. All this was the production of one seed. Mr. Rice will have to yield the premium to Mrs. Gotwalt, for we believe this is the largest pumpkin on record.

Found Dead. - Last Saturday, about noon, Hiram Swenk who has for eighteen years been court-crier at Middleburg, was found dead in an alley. He was very much intoxicated and went into an alley and lay down, probably to sleep off his load of rotgut, and was soon after found dead. His deat hwas produced by apoplexy, caused by over indulgence in poor whisky, which was running out of his mouth and nose when found. He was 44 years of age, and leaves a wife and seven children .- Selinsgrove Times.

Sudden Death .- On Wednesday of last week, Fannie Foreman, youngest daughter of Mr. Jacob Foreman, of Wells Valley, this county, died, very suddenly. It seems that she, in company with some neighbors' chilwas gathering nuts under a hickory tree near home, when the little girl exclaimed "Oh! my head is going to burst!" and immediately fell to the ground unconscious. She was carried home and medical assistance summoned, but all in vain, as she died in about an hour after she was taken home. She was a very interesting child, in the seventh year of herage .- Fulton Republican

R. R. Accident,-The Southern express train, on last Tuesday morning, ran into

the Through freight a short distance east of Huntingdon, throwing four cars of the freight off the track, and the front wheels of the engine of the express train, resulting, however, in very little damage of the engine and none whatever of the cars or pas-

engers of the express. The accident was the result of the failure on the part of the flagman of the freight train to go back a sufficient distance from the rear of his train to allow the express train to make a full stop. The engineer of the passenger train when he saw that the collision was inevitable stood at his post and put on the air brakes, and by his action saved many lives. The passengers then signed resolutions expressing their approval of his actions.

A Desperate Leap .- Last Wednesday an officer left Harrisburg for Lancaster, with Frederick Brenner, who had been arrested for bigamy and seduction. When near Mount Joy the prisoner asked permission to get a drink of water from the cooler, which of course was granted, the officer following close behind him. Just as they reached the cooler the prisoner took a rapid step, and getting into a position with two of the train men between himself and the officer he dashed out of the car door and leaped from the platform while the train was going at a very rapid rate. Officer Weidle at once informed the conductor of what had happened and the train was stopped. Search was made, but of no avail; the "bird had fled," and although the officer hovered around Mount Joy and its vicinity the whole night he was obliged to come home empty handed next morning. Mr. Weidle says he would have jumped after him, but he was afraid he might land on the top of the prisoner and injure him.

Accident .--- On Wednesday morning Geo. W. Reynolds shot himself through the hand while out gunning on Dr. Coover's farm, Susquehanna township, Dauphin county. He was going down a hillside with one hand in front of the muzzle when the trigger struck some object and the load was discharged. The hand was terribly mutilated, and the arm had to be amputated above the wrist.

Hurt .- We are informed that Mr. Irvin Crane, well known in this county, now employed as dispatcher at Harrisburg, had his arm so badly crushed by the cars on Saturday, that amputation at the shoulder was necessary.

Cumberland County .-- From the Cumberland county papers of last week, we copy the following :--

On Wednesday morning last, while a lit-the son of Mr. E. D. Quigley, was passing down Hanover street to his home, he was struck in one of his eyes by a ball thrown by another boy who was playing in the street. It is thought the lad will lose the sight of his eye.

Mr. John Van Sans, a citizen of Carlisle, died at his residence, on Penn street, after a lingering illness of consumption, on Wed-nesday morning of last week. Mr. Van Sans was a soldier during the late war, and it is claimed that he contracted the disease while in the service. He leaves a wife and three children.

Mr. Samuel Bricker, of Newville, has purchased a farm of W. Woodburn, in South Middleton township, at \$65 per acre. The farm contains 140 acres.

The Cumberland county Fair is to be eld on Tuesday, Wednesday and Thursheld day of this week.

This has been a good year for pumpkins, judging by the display of them at the county fair.

Excursion tickets will be sold in Harris-burg, for the Cumberland county fair, to commence Tuesday, at seventy-live cents. A few days ago, while digging a well for Mr. Foose, Col. John Hartzel, in endeavor-ing to fill the hoist bucket with earth and stone, slipped and broke two of his ribs.

Mr. Daniel Keller, of Centerville, Cum-berland county, had seventy-five acres of Fultz wheat this season which averaged thirty bushels to the acre. Last week was a good time for turkey hunting, but a poor time for finding them, as we have heard, of only three being shot by hunters from this borough.

A young man named Samuel Baker, re-siding in Carroll twp., cut his foot severely while chopping wood on Wednesday last. The ax entered the top of the foot making a serious wound.

On Friday a week as Mr. Alex. Eaton and wife, formerly of this county, but now residents of Juuiata county, were returning from Landisburg, they were thrown out of the buggy at Loysville and considerably bruised

Some chap entered the Sun office at Altoona, on Thursday night, and cut the cords on the ruling machine, and pied the standing advertisements. The death of such a fellow, would be a gain to the com-munity. munity.

Two carrier pigeons that were turned loose from Prof. Light's balloon during his recent ascension from Altoona, after he had reached an altitude of 7,500 feet, re-turned to their cote in Philadelphia, within ten hours afterwards, each bearing a message attached to its wing.

The Carlisle Presbytery will meet in the Presbyterian Church, near Fannettsburg, on Tuesday, Oct. 7th, at 3 p. m. A special train will be run on the Southern Pennsylvania Railroad on that day. Conveyances will be provided free for all members from Richmond to the church.

Rev. E. W. Kirby, formerly of Chambersburg, has been restored to the ministry in the Methodist Episcopal Church. It will be remembered that the reverend individual was deposed from the ministry on the charge of adultery, was tried, convicted and imprisoned by the Franklin county court, and subsequently pardoned by the Governor.

That Favorite Home Remedy,

P AIN-KILLER Has been before the public over Thirty Years, and probably has a wider and better reputation than any other proprietary medicine of the present day. At this period there are but few unacquainted with the merits of the PAIN-KILLER; but, while some extol it as a liniment, they know but little of its power in easing pain when taken internally; while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all, that it is equally successful, whether used internally or externally. It is sufficient evidence of its virtues as a standard medicine to know that it is now used in all parts of the world, and that its sale is constantly increasing. No enrative agent has had such a wide

spread sale or given such universal satisfaction. DAVIS' PAIN-KILLER is a purely vegeta

ble compound, prepared from the best and purest materials, and with a care that insures the most perfect uniformity in the medicine; and while it is a most effective remedy for pain, It is a perfectly safe medicine, even in the most unskilful hands. It is eminently a FAMILY MEDICINE ; and

It is eminently a FAMILY MEDICINE ; and by being kept ready for immediate resort, will save many an hour of suffering, and many a dollar in time and doctor's bills. After over thirty years' trial, it is still receiv-ing the most unqualified testimonials to its vir-tnes, from persons of the highest character and responsibility. Eminent Physicians commend-it as a most effectual preparation for the ex-tinction of pain. It is not only the best reme-dy ever known for Bruises, Cuts, Burns, &c., but for the Dysentery, or Cholera, or any sort of bowel complaint, it is a remedy unsurpassed for efficiency, and rapidity of action. In the great cities of India, and other hot climates, it mas become the standard medicine for all such complaints, and other kindred disorders. For complaints, and other kindred disorders. For Coughs and Colds, Canker, Asthma, and Rheu-matic difficulties, it has been proved by the most abundant and convincing testimony to be an invaluable medicine. We would caution the public against all imi-

tations of our preparation, either in name, or style of putting up. September 16, 1873-1m
