" F." of Liverpool .- We are obliged to you for the favors done. As the list you request published would fill the entire space devoted to reading matter in THE TIMES you will see the impossibility of publishing what you request.

Uncle Sam is poorly served in the post office department at Philadelphia and vicinity. We have more complaints of papers failing to reach their destination in that locality than from all other points together. A Subscriber from Germantown writes us last week, saying that the wrapper which should contain "The Times" and have reached her Thursday, came to hand Saturday and had in place of the paper from this office, an old Harrisburg Daily, showing that the wrapper had been opened and another paper placed in it by some post office official.

The Doctor's Mistake. - About ten days ago Dr. Strickler, of this borough, brought three fine wild (?) turkeys to town, which came near throwing the other hunters into spasms of envy. They feel better now, however, as they learn that a gentleman from Carroll twp., put in a claim for \$5, the value of the three turkeys above mentioned and others wounded by the same sportsman. The Doctor willingly agreed to pay the price asked, and added \$1 more to the amount if the man would not make the joke public, but some how these things will get out, you know.

Sheriff's Sale .- The following is the list of sales made by the Sheriff on Friday

Property of Daniel S. Wommer, situate Tuscarora twp., sold to Jacob Yohn

for \$300.

Property of George W. Droneberger, situate in Toboyne twp., sold to Wilson Rowe, for \$242.

Sheets, situate in Duncannon borough, sold to W. A. Sponsler, for \$175. Property of Lewis C. Reifsnyder, situate in Liverpool twp., (75 acres), sold to W. A. Sponsler, for \$75.

Property of Lewis C. Reifsnyder, situate in Liverpool borough, sold to W. A. Spon-

sler, for \$25. Property of John Zeigler, situate in New Germantown, sold to W. A Sponsler for

Property of David Mickey, situate in the borough of Bloomfield, sold to F. B. Clouser, for \$325.

Out of Season.-The Noice says : Last Monday we received a letter from Mr. C. J. Wright, of Millerstown, in which was a bunch of apple blossoms, as fresh as those of spring. The tree from which these flowers were plucked, has been planted eleven years, and this year bore about seventy apples, which ripened about oats harvest. It is now bearing blossoms, and if old boreas would remain away a short season longer, no doubt Mr. Wright could boast of a second crop of apples off his tree,

Didn't Pay their Board .- A subscriber from Williamsport, is anxious to know the present whereabouts of two young men who reside near New Buffalo, and who neglected to pay their board when they left her house. We will not publish her letter yet, as perhaps the young men will remit without such a public demand.

Mrs. George Heikes, of Milford town-ship, Juniata county, fell from a chair one day last week, whilst engaged in cleaning a clock, breaking her arm. F. Mortimer has the best assortment of

Jeans and Cassimeres, to be found in Perry county. Jeans as low as 12½ cents, and all wool cassimeres of good quality for \$1.00.

As we go to press the October term of court is being held. A full report of the proceedings will be given our readers next week. The attendance is not very large. The Newport Furnace in consequence of

financial troubles talked of blowing out, but concluded instead of so doing, to pay their men in notes at 4 months bearing The Wister furnace opposite the gas

works, at Harrisburg, will not be started until the times shall have changed for the better. The furnace has been idle for six or seven weeks. Two boys, one named Forsythe, and the

other Boyer, residing in Newport, were arrested and lodged in fail on Friday last, on the charge of throwing stones at Isaac Mansbach of that borough. The citizens of Little Germany, and all

others interested in keeping up the Stone Church in that place, are requested to meet at the church on Saturday morning, Nov. 1st, for the purpose of cleaning up the grave yard, and to take some action on repairing the church.

D. W. Motter, Constable of Buffalo twp., on Monday of last week, shot three wild turkeys at one shot. Two were killed at once, and one only got a few rods from where it was shot. So it seems Bucks Valley has some of the good hunters.

Mrs. Hess, wife of Dr. Jeremiah Hess, of Quincy, Franklin county, fell dead last week. Our informant says she was apparently in the enjoyment of her usual health and was preparing breakfast at the time The cause of her death was doubtless heart

A few days ago as Abraham Grissinger was passing the residence of Dr. W. H. Flenner, in Huntingdon county, a little terrier barked at him from the inside of the yard. Grissinger walked up to the gate which was closed, drew a pistol and fired. Fortunately the dog was hit, otherwise the hall would have present through wise the ball would have passed through the door of the house which was open and struck a little child that sat in range. A struck a little child that sat in range. A pistol in the hand of such a man is surely in the wrong place.

A white oak tree was cut down a short time ago on land of Mr. Adam Heilman, in time ago on land of Mr. Adam Heilman, in Bethel township, Lebanon county, not far from the line of Berks which yielded 3000 feet of plank, valued at \$72, and 10 cords of wood of the value of \$20. The logs were 5½ feet in diameter. About 35 years ago the tree was trimmed by Mr. Heilman and about three cords of wood were cut from the limbs.

Wednesday afternoon, a young horse attached to a sulky and driven by Mr. C. Chubb of Juniata county, frightened at a dog, at the residence of Mr. M. Oren in Howe township, and ran down the embankment to the river, breaking the sulky considerably and tearing the harness. Mr. Chubb jumped out and e scaped unburt,

ing thought for the aged, and molding a correct taste in the young.

Its Scientific Record is not excelled by that of any other Magazine, and its Editorials are short, spicy, and to the point.

It meets with unbounded endorsement, is ever progressive, and now finds a circulation in every State and Territory in the Union, and is largely supported in Canada. In addition to the "Journal," we will send to each subscriber of our paper a beautiful work of art, entitled

PAPA'S BIRTHDAY

PAPA'S BIRTHDAY

a magnificent steel engraving, 13 by 19 inches, after a design, by a celebrated French artist. It is a direct appeal to the affections, being both beautiful and touching.

The father's study door is ajar. His form is visible within. His eyes rest upon an open volume, and he is all unconscious of the surprise that awaits him. Outside the door are his two little daughter's. Their hands are full flowers and choice presents, for Papa on his birthday. They approach the door cantiously, in order to make the surprise of their gifts complete. Joy beams in their faces. The deep emotions of their bearts, are told in their smiles and loving, cautious glances. The conception of the Artist is truly grand, and his execution faultiless. The engraving will be prized as a gem by all those who are fortunate enough to become its possessor. It will look beautiful when framed, and being of large size, will ornament any parlor or sitting room.

The Subscription price of the People's Journal is \$1.00 per year.

The price of the Eugraving is \$8.00. We offer then to each new and renewing subscriber, in the shape of these beautiful Joint premiums, the sum of \$3.25 free. Or adding this amount to the Subscription price of \$1.25 we give to them the value of \$5.25 for the sum of \$900.

Send at once, or call, and take advantage of our munificent offer while it is open.

A Card.—Owing to the many reports in circulation among the people of Duncannon, concerning the new house in course of erection by the Church of God in this place I deem it my duty to say publicly that we are in no great distress. The first five hundred dollars have been paid, and with some help from the good people of the town we shall be successful. To as many of our citizens as deem themselves followers of our common Lord. I appeal at least ers of our common Lord, I appeal at least for Christian sympathy.

TO THE PUBLIC!

THE PAIN - KILLER manufactured by PERRY DAVIS & SON has won for itself a reputation unsurpassed in medical preparations. The universality of the demand for the Pain-Killer is a novel, interesting, and surprising feature in the history of this medicine.-The Pain-Killer is now regularly sold in large and steadily increasing quantities, not only to general agents in every State and Territory of the Union, and every Province in British America, but to Buenos Ayres, Brazil, Uraguay, Peru, Chill, and other South American States, to the Sandwhich Islands; to England and Continental Europe ; to Mozambique, Madagascar, Zanzibar and other African lands; to Australia and Calcuttta, Rangoon and other places in India. It has also been sent to China, and we doubt if there is any foreign port or any city in Africa or Asia, which is frequented by American and European missionaries, travelers or traders, into which the Pain-Killer has not been introduced.

The extent of its usefulness is another great feature of this remarkable medicine. It is not only the best thing ever known, as everybody will confess, for bruises, cuts, burns, &c., but for dysentery or cholera, or any sort of bowel complaint, it is a remedy unsurpassed for efficiency and rapidity of action. In the great cities of British India and the West India Islands and other hot climates, it has become the standard medicine for all such complaints, as well as dyspepsia, liver complaints, and other kindred disorders. For coughs and colds, canker, asthma, and rheumatic difficulties it has been proved by the most abundant and convincing trials and testimony, to be an invaluable medicine. The proprietors are in possession of letters from persons of the highest character and responsibility, testifying in unequivocal terms to the cures effected and the satisfactory terms to the cures effected and the satisfactory results produced, in an endless variety of cases by the use of this great medicine. That the Pain-Killer is deserving of all its proprietors claim for it is amply proved by the unparalelled popularity it hasattained. It is a sure and effective remedy. It is sold in aimost every country in the world, and is becoming more and more popular every year. Its healing properties have been fully tested, all over the world and it need only to be known to be prized.
