FARM AND HOUSEHOLD ITEMS

A Fine Farm.

One of the finest farms in the State is that of James Young, near Middletown, Dauphin county.

There are on the estate over twenty-five miles of fencing, uniformly coated with whitewash, the gates all being painted red, and more than three miles of private roadway, all in first class condition.

The stock is in fine condition, and looks more like carefully groomed horses than like cattle that take care of their own appearance. Any one of the animals would be an ornament to a gentleman's lawn or paddock, and some of them seem to entertain for their owner a dog-like affection.

Fern-Pressing.

The girls should not forget that this is the time to gather and press green ferns. They are so pretty and refreshing to have in the house in cold weather, so easily obtained, and so little trouble to prepare, that it is a pity any one should be without a few bunches when the flower-season has passed.

Home Consumption of Western Grain.

With the progress of population in the West there are becoming better home markets. Formerly as many as fifty counties in Illinois raised corn for shipment, but now they have scarcely a bushel to spare; and as many as twenty counties do not produce enough for their own use—that is, in grain or its equivalents of pork, lard and beef.

A Useful Soap.

The following is commended by those who have tried it for scrubbing and cleansing painted floors, washing dishes, and other household purposes: Take two pounds of white olive soap and shave it in thin slices; add two ounces of borax and two quarts of cold water; stir all together in a stone or earthen jar, and let it set upon the stove until the mass is dissolved.

From Fairplay to Rohersville, in Washington county, Md., in the track of the hail storm, which swept through that county some months ago, it is said the trees which were completely stripped of foliage and fruit, are putting forth leaves and bloom, and it is no uncommon sight to see apple and cherry trees covered with blossoms, as in the spring.

The one serviceable, safe, certain, remunerative, attainable quality in every pursuit is the quality of attention. My own invention or imagination would never have served me as it has, but for the habit of commingling, humble, patient, daily, toiling, drudging attention.—Morse.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritive, Laxative, Diuretic, Sedative, Counter-Irritant, Sudo-rietic, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetters, Salt-Rheum, Blisters, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scuffs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
