A Singular Case.—The death of a boy named Hench, son of Conrad Hench, of Madison twp., occurred about two weeks since under rather singular circumstances. A dispute arose between him and a boy named Garber, when it is alleged that the latter hit the former with a ball in the abdomen and afterwards kicked him in the same place.

A Virginian Survivor at Home.—Captain Simon Gratz, one of the rescued survivors of the Virginian, arrived at his home in this city yesterday morning. He is apparently in good health, but withal suffers much from his ill-treatment at the hands of the Spanish authorities and will probably have to undergo a severe surgical operation on his mouth before complete restoration.

A Mixed Case.—The Altoona Tribune of the 7th inst., says: Yesterday morning information was preferred against a female resident of Whisky Row, who is charged with selling liquor without license, selling to minors, and selling on the Lord's day.

And thus the matter stands. The woman charged with alleged vending of spirituous liquors is still in bed with the revolver under her pillow. The infant still lives and the entire family is doing as well as could be expected under the circumstances.

Up to a late hour last night the officers were asking each other what they would do about the matter, while hard cider was still being dispensed on the premises to thirsty individuals.

Jerome N. Thompson sold his "Black Rock" farm, containing 113 acres, to Geo. Lukens for \$11,000.

The number of cars which passed Millin during 1873 was 796,583, an increase of 140,498 cars over the year 1872.

John Tyson caught a large wild cat in a fox trap several days ago, on Shade mountain. The cat was caught by one of the front paws.

The tailor shop of S. B. Loudon and the Boot and Shoe shop of John North, in this place, were entered one night last week and robbed. Mr. Loudon had two suits of clothes, one coat and other articles taken amounting in the aggregate to \$300, and Mr. North had two pairs of boots taken.

On Saturday, the 27th ult., a horse attached to a buggy belonging to Dr. Braze, residing at Acadomia, became demoralized while hitched in Patterson, broke loose, ran off out the road to near Judge Burchfield's, where he was arrested in his mad career. It will cost about \$50 to repair the buggy.

A mysterious occurrence took place at the residence of Solomon Kauffman, who resides about two miles south of McAlister, on the night of the 30th ult. Mr. Kauffman is unmarried, and as our informant related, sleeps on the first floor.

On the night above stated, he was awakened by a loud report mingled with the sound of breaking glass. He sprang out of bed, hastened to the window and looked out, but saw nothing living and heard no noise; but a pane of glass was broken out of the window, and the glass lay on the floor.

He conjectured that a stone had been thrown into the room. None, however, was found. In the morning he requested the housekeeper to examine the bedding and the whole room carefully for the supposed missile. The housekeeper did as instructed, and to her horror, right opposite to and about six inches above the pillow, was a bullet hole. Some one had evidently attempted to shoot Kauffman while he lay in bed.

A correspondent also sends the following: The Rev. S. W. Seibert, of Millin Mission, is at present holding a series of meetings at Locust Run church, about two miles west of Thompsettown. The meeting is well attended by all classes of people, and attentive to the preaching of the word. Congregations large. Order good. Members zealous, and as high as eight penitents at the altar at one time suing for mercy and salvation. The indications of the meeting at present portend a general revival.

Cumberland County.—From the Cumberland county papers of last week, we copy the following: A serious riot took place at Newville on Christmas evening. Six of the rioters have been arrested and lodged in our county jail.

Adam Weaver, of Silver Spring township, slaughtered some fine porkers a short time ago and the next morning found that not a particle of them remained.

A most disgraceful fight took place on Main street, Carlisle, on Saturday night last between several individuals, and during the melee three or four were knocked down and sent home for repairs.

tributed fuel, flour, etc., to the poor of Carlisle during Christmas week.

The Pennsylvania Conference of the United Brethren in Christ will meet in Mechanicsburg, on the 19th of February.

The Valley Sentinel (Shippensburg) says: A number of young ladies in this county have agreed not to marry any man who uses tobacco. Now let the young men retaliate by agreeing not to marry any female who uses false hair.

One day last week as Mrs. Jacob Pague, residing on West Main street, Shippensburg, was carrying an armful of wood, she tripped and fell, breaking her arm above the elbow. Mrs. Pague is an aged widow lady, and we are informed is getting along very well.

Brief Items.

The Bloomfield band is improving very rapidly, and are now treating the citizens quite frequently to some excellent music.

Talk of standing on "slippery places." Well, if you stood any where out of doors last Tuesday, you would have that kind of standing room. The trees too, were heavily loaded with ice.

"Have you been subpoenaed?" was a very frequent question asked, on Tuesday last, by those who occasionally take a "Nip." The grand jury had quite a number of such invitations out on that day.

A musical convention will be held at Freeburg, commencing Monday evening, Jan. 23, and close with concerts on Thursday and Friday evenings, following. They pass funny laws in Altoona, judging from the following. The Sun says: "The City Council of Altoona recently passed a resolution, in accordance with a recommendation from the Mayor, "preventing the owners of hogs from running at large." We can't see why men owning hogs, should be deprived of the privilege of "running at large," any more than other folks.

The Lutheran Church in Freeburg, came near being destroyed by fire, on Saturday week. When discovered the flames were coming out of the register, but the fire was quickly subdued.

The Newville Star came to us last week enlarged, and improved in its appearance, having adopted the quarto form. We are glad to see this evidence of enterprise on the part of brother Morrow.

BLOOMFIELD ACADEMY.—Next Monday begins the new term of this school. The term closing this week with a written examination, has been one of the most successful Winter terms which the school has ever had. It still is under the same management, with the Rev. John Edgar as Principal.

There is, probably, no way in which we can benefit our readers more than by recommending to them for general use Johnson's Liniment. It is adapted to almost all the purposes of a Family Medicine; and as a specific for coughs, colds, whooping cough, soreness of the chest, lame stomach, rheumatism, spitting of blood, and all lung difficulties, it has no equal that ever we saw or heard of.

The propriety of giving condition medicine to horses, cattle and sheep, was discussed and admitted by many of the Agricultural Societies throughout the State last Fall, and we believe that in every case but one, they decided in favor of Sheridan's Cavalry Condition Powders. Good judgment.

KIND WORDS.

The Associated Reformed Presbyterian says:—For years Perry Davis' Pain-Killer has been known as a most useful family medicine. For pains and aches, we know nothing so good as the Pain-Killer. For many internal diseases it is equally good. We speak from experience, and testify to what we know. No family ought to be without a bottle of Davis' Pain-Killer.

MESSRS. PERRY DAVIS, & SON, Prop., R. 1.—Gents:—Although a stranger to you I am not to your invaluable medicine, Pain-Killer. I formed its acquaintance in 1874 and I am on most intimate terms with it still; my experience in its use confirms my belief that there is no medicine equal to Pain-Killer for the quick and sure cure of Summer Complaints, Sore Throat, Croup, Bruises and cuts. I have used it in all and found a speedy cure in every case. Yours Truly, T. J. GARDINER, M. D.

Judging by our own experience whoever once makes a trial of Perry Davis' Pain-Killer, will not fail to recommend it widely as an unequalled liniment, and valuable internal remedy for colds and various other complaints.—Every Month.

The efficacy of Perry Davis' world-renowned Pain-Killer in all diseases of the bowels, even in that terrible scourge, the Asiatic cholera, has been amply attested by the most convincing authority. Missionaries in China and India have written home in commendation of this remedy in terms that should carry conviction to the most skeptical, while its popularity in communities nearer home is ample proof that the virtues claimed for it are ample and tangible. Among family medicines it stands unrivaled.—Boston Courier.

The Saturday Evening Gazette of Boston says: It is impossible to find a place on this broad land where Perry Davis' Pain-Killer is not known as a most valuable remedy for physical pain. In the country, miles from physician or apothecary, the Pain-Killer is cherished as the exclusive panacea, and it never deceives.

"Perry Davis' Pain-Killer is really a valuable medicament, and, unlike most of the articles of the day; is used by many physicians. It is particularly desirable in locations where physicians are not near; and, by keeping it at hand, families will often save the necessity of sending out at midnight for a doctor. A bottle should be kept in every house."—Boston Traveller.

"We have tested the Pain-Killer, and assure our readers that it not only possesses all the virtues claimed for it, but in many instances surpasses any other remedy we have ever known."—Herald of Gospel Liberty, January 1, 1874.
