FARM AND HOUSEHOLD ITEMS

We invite communications from all persons who are interested in matters properly belonging to this department.

Glue as a Healing Remedy. For the last twelve or fourteen years I have been employed in a shop where there are over three hundred men at work; and, as is the case of all shops of this kind, hardly a day passes but one or more of us out or bruise our limbs. At first there were but few found their way to my department to have their wounds bound up; but after a while it became generally known that a rag glued on a flesh wound was not only a speedy curative, but a formidable protection against further injury. I was soon obliged to keep a supply of rags on hand, to be ready for any emergency. I will here cite one among many of the cases cured with glue.

A man was running a boring machine, with an inch and quarter auger attached; by some means, the sleeve of his shirt caught in the auger, bringing his wrist in contact with the bit, tearing the flesh among the muscles in a frightful manner. He was conducted to my department (the pattern shop), and I washed the wound in warm water, and glued around it a cloth, which, when dry, shrunk into a rounded shape, holding the wound tight and firm. Once or twice a week, for three or four weeks, I dressed the wound afresh and it was well. The man never lost an hour's time in consequence. The truth of this statement hundreds can testify to. I use, of course, the best quality of glue.

To Keep Beef for Future Use.

This is an important question to those who cannot keep cattle through the winter, and cannot sell for cost, or those who want beef, but must purchase it cheap. Perhaps few people are in the habit of canning beef, but it may be done in this way: Cut from the bone, wash clean and boil, adding salt and pepper if relished. When done, and while warm, put into glass cans, or stone jars, with the water in which it was cooked. Press the meat down so the juice will rise to the top, and the tallow will rise, forming a thin coat, which may be removed when the beef is wanted for use. Set away in a good, cool, dry place, where it will not freeze, and when wanted for use, it may be warmed and a flour gravy made to it, making it a healthful and palatable dish. The ore quarters, or cheapest part of the beef, may be worked up in this way and the bones from which the meat was cut may be put in the brine, or placed in a clean box, where they may be kept cool, and boiled whenever soups are wanted. Who does not relish a meal of good beef cut up and cooked in this way? How nice when the company happen in to have something that may be easily prepared. Then can your beef when work is not pressing, and, if properly taken care of, it will be as good as fresh beef next spring or summer, when fat pork is not so well relished.

How to Keep a Situation.

Be ready to throw in an odd half hour or an hour's time when it will be an accommodation, and don't seem to make a merit of it. Do it heartily. Though not a word be said, your employer will make note of it. Make yourself indispensable to him, and he will lose many of the opposite kind before he will part with you. Young men who watch the clock to see the very second their working hour is up—who leave, no matter what state the work may be in, at precisely the instant—who calculate the extra amount they can slight their work, and yet not get reproved—who are lavish of their employer's goods—will always be the first to receive notice, when times are dull, that their services are no longer required.

Frost Bites.

A correspondent of an agricultural paper furnishes the following: I have treated this troublesome complaint very successfully for thirty years in the following manner: Wash the hands and feet if both are effected in water as hot as it can be born for a short time, then dry off and paint the parts with tincture of iodine. It can be applied with a camel's hair brush, or with a rag tied on a small stick. A few applications will give relief in the worst case, and cure recent ones. After a few washings they may be omitted and the remaining spots painted until you make a perfect cure.

The Pennsylvania Agricultural College is not a profitable institution. Joseph C. Turner, one of the trustees, says that when he became a trustee six years ago, the debt of the college was about \$112,000, and it has been increasing at the rate of \$6,000 a year ever since. The yearly income from land scrip is about \$30,000, and the expenses about \$36,000. The farmers of the commonwealth take no interest in the concern. Stalks of wheat measuring three feet high, nicely headed out, and almost ready for harvest, have been exhibited in California.

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feel upon. This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution. Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free. SETH W. FOWLE & SONS, Proprietors, No. 1 Milton Place, Boston. SOLD BY DRUGGISTS GENERALLY.

DR. CROOK'S WINE OF TAR!

Ten Years of public test have proved Dr. Crook's Wine of Tar to have more merit than any similar preparation ever offered to the public. It is rich in the medicinal qualities of Tar, and unequalled for diseases of the Throat & Lungs, performing the most remarkable cures. It effectively cures all Coughs and Colds. It has cured so many cases of Asthma and Bronchitis, that it has been pronounced a specific for these complaints. For Pains in the Breast, Side or Back, Gravel or Kidney disease, diseases of the Urinary Organs, Jaundice, or any Liver Complaint it has no equal. It is also a superior Tonic. It increases the Appetite, Strengthens the System, Restores the Weak and Debilitated. Causes the Food to Digest, Relieves Dyspepsia and Indigestion, and cures Bilious Fevers. Gives tone to your system.

KEEP THE BLOOD PURE

And the health of the system will follow. There is a preparation of Iron and Folic Root more effectual than all others, which will remove from your system the impure and vitiated blood which causes disease, and at the same time build up your health and strength. It never fails to cure. If you have Scrofula, Scrofulous Diseases of the Skin, or Eruptions, or Scrofula in any form, Tetter, White Swelling, Old Sores, Ulcers, or Scrofulous Inflammations, you can rely on being cured with this preparation known as Dr. Crook's Compound Syrup of Folic Root, Rheumatism, Pains in the Limbs or Bones, Constipation, Headaches, and other ailments, are all cured by it. For Syphilis, or Eruptions of the Skin, it is equal to any other preparation.

Beautifully your Complexion.

Do not use paint or powder, but get a more permanent beauty by purifying your blood. This preparation of Iron and Folic Root makes a rough and scaly skin soft and smooth; changes that sallow complexion to one of freshness and beauty, and removes any Scrofulous Diseases of the Skin, Pimples, Pusules, Itches, and Eruptions. If you wish rosy cheeks and a healthy complexion, use Dr. Crook's Compound Syrup of Folic Root.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are a Purgative, Diaphoretic, Carminative, Nutritive, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious. Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swollen Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases. For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pusules, Bells, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no cathartics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
