ONLY 10 CENTS A YARD CAN BE HAD OF F. MORTIMER,

THE GREAT REMEDY FOR CONSUMPTION

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

PREPARED BY SETH W. POWELL & SONS, Boston, Mass., And sold by Druggists and Dealers generally.

Nature's Great Remedy

THROAT AND LUNG DISEASES!!

It is the vital principle of the Pine Tree, obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained. Tar even in its crude state has been recommended by eminent physicians of every school. It is confidently offered to the afflicted for the following simple reasons:

- 1. It cures, -not by abruptly stopping the cough- but by dissolving the phlegm and assisting nature to throw off the unhealthy matter causing the irritation. In cases of acute consumption it both prolongs and renders less burdensome the life of the afflicted sufferer. 2. Its healing principle acts upon the irritated surface of the lungs, soothing to each diseased part, relieving pain, and subsiding inflammation. 3. IT PURIFIES AND ENRICHES THE BLOOD. Positively cures all humors, from the common PIMPLE or impurities to the severest cases of Scrofula. Thousands of affidavits could be produced from those who have felt the beneficial effects of WISHART'S TAR CORDIAL in the various diseases arising from IMPURITIES OF THE BLOOD. 4. It invigorates the digestive organs and restores the appetite.

All who have known or tried Dr. L. Q. C. Wishart's remedies require no references from us, but the names of thousands cured by them can be given to any one who doubts our statement. Dr. L. Q. C. Wishart's Great American Dyspepsia Pills and Worm Sugar Diuretic have never been equalled. For sale by all Druggists and Storekeepers, and at Dr. L. Q. C. WISHART'S Office, No. 232 N. Second St., Philada'a.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

At what hour did the devil make his appearance in the Garden of Eden? Some say in the night. He certainly came after Eve.

A voter praising a favorite candidate at a late Irish election said: "He is as fine a fellow as ever lifted a hat to a lady or a boot to a blackguard."

"Napkins, sir! napkins!" roared a Green Bay landlord. "No, sir; we haven't got any; but if you want to wipe your nose I'll lend you my handkerchief!"

"What is heaven's best gift to man?" asked a young lady on Essex street, Sunday night, smiling sweetly on a pleasant looking clerk. "A hoag," replied the young man, with great prudence.

"And have you no other sons?" asked a curious lady of a bronzed old sea captain. "Oh, yes, madam I had one that lived in the South Sea Islands for nearly a dozen years." "Really! Was he bred there, and what his taste—the sea or land?" "No, madam, he wasn't bred, he was meat—leastways the niggers eat him; and as for his taste—the chief said he tasted of terbaccer." The lady walked to another part of the ship, and the captain smiled and took a fresh quid of "terbaccer," himself.

"Nothing," said an impatient husband, "reminds me so much of Balaam and his ass as two women stopping in church and obstructing the way to indulge in their everlasting talk." "But you forgot, my dear," returned the wife, meekly, "that it was the angel who stopped the way, and Balaam and his ass who complained of it."

A gentleman of my acquaintance has two orphan girls at his home. One of them is of German and the other of Irish birth. Some days ago they became angry with one another, and the German girl called the other "a dirty Irish nigger." The Irish girl immediately answered, "Git out, any wan would know that ye had a dutch face by looking at yer big feet."

A New Bedford paper tells a story of a shopkeeper who advised a lady customer to buy two mohair switches instead of one, as the article was becoming scarce. He said that the man whom he hired to hunt moes had only caught two within a fortnight.

An Indiana paper thus politely expresses an opinion of a judge: "He knows just about as much of law as a mule does of mineralogy—the chances being in favor of the mule."

"My German friend, how long have you been married?"

"Vell, dis is a ting dat I seldom don't like to talk about, but yen I does, it seems so long as it never vas."

At a recent meeting of an Irish society in Boston, a member made the following motion: "Mr. President, I move yees that we whitewash the ceiling green in honor of the owid flarg."

A pack of wolves in Sherbourne county, Minnesota, chased a couple of lawyers five miles, and the New Orleans Republican thinks it showed a lack of professional courtesy.

An exchange says that a Michigan man dreamed recently that his aunt was dead. The dream proved true. He tried the same dream on his mother-in-law, but it didn't work.

"O, George, your sister is a nice girl, but she does her head up so." "Yes," said George, "but it is the fashion, there's nothing in it you know."

Here is a school girl's definition of scandal:

"Nobody does nothing, and everybody goes on telling it everywhere."
