ONLY 10 CENTS A YARD

CAN BE HAD OF F. MORTIMER,

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.

Nature's Great Remedy

FOR ALL

THROAT AND LUNG

DISEASES!!

It is the vital principle of the Pine Tree, obtained by a peculiar process, in the distillation of the tar, by which its highest medicinal properties are retained. Tar even in its crude state has been recommended by eminent physicians of every school. It is confidently offered to the afflicted for the following simple reasons:

1. It cures—by simply stopping the cough—by dissolving the phlegm and assisting nature to throw off the unhealthy matter causing the irritation.

2. In cases of acute consumption it both prolongs and renders less burdensome the life of the afflicted sufferer.

3. Its healing principle acts upon the irritated surface of the lungs, penetrating to each diseased part, relieving pain, and subduing inflammation.

4. It purifies and enriches the blood, positively curing all humors, from the common scurf to the most serious cases of Scrofula. Thousands of affidavits could be produced from those who have felt the beneficial effects of PINE TREE TAR CORDIAL in the various diseases arising from IMPURITIES OF THE BLOOD.

5. It invigorates the digestive organs and restores the appetite.

All who have known or tried Dr. L. Q. C. Wishart's remedies require no references from us, but the names of thousands cured by their use can be given to any one who doubts our statement. Dr. L. Q. C. Wishart's Great American Dyspepsia Pills and Worm Sugar Drops have never been equalled. For sale by all Druggists and Storekeepers, and at

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of WALKER'S BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of WALKER'S BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are a potent, Diaphoretic, Carnitative, Nutritious, Laxative, Diuretic, Sedative, Counter-irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Potomac, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vilitated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blisters, Spots, Pimples, Pastules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vilitated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Another Umbrella Story.

It rained—hopelessly. Monsieur De H.

—, an elegant "of the first water,"

found this second water too wet for him.—

He was islanded under another man's por-

tico, and not a hackney coach or an um-

brella within screaming at. Suddenly

around the corner comes a plain citizen,

housed under a protecting canopy of blue

cotton and whalebone, but, under this en-

visible umbrella walking alone. A thought

seizes Monsieur De H. —. He rushes

to the citizen's side, and seizing him affec-

tionately by the arm, commences eager

narration of a touching train of events.—

Not giving his astonished listener time to

respond, he hurries him along, sharing his

umbrella, of course, as he goes, and cling-

ing closely to his side, and vociferating the

confidential communications till they ar-

rived at the boulevard. He stops at a cafe,

and then, for the first time apparently

takes a surprised look at the face of his

umbrella lender. Overwhelming apologies

—had wholly mistaken the person—thought

it was his intimate friend—begs ten thou-

sand pardons—and dodges into the cafe in-

side of the coffee-house. Monsieur De H.

—, was telling his adventure, when, by

chance, placing his hand upon his vest

pocket. The valuable gold watch was

gone! In his close clinging to the ap-

parently plain citizen, the gay joker had

hugged a pickpocket, and—"consequence

was!" But he was consequently fonder of

"a dry joke" than a wet one!

"I Gots Nuff Mit Such Foolishness."

It is pleasant to become a parent; twice

as pleasant, perhaps, to be blessed with

twins; but when it comes to triplets we

are a little dubious. Now there dwells in

Jefferson county, Wisconsin, a worthy Ger-

man, who a few years ago was presented
