LOCAL DEPARTMENT.

New School House.—A new school house is to be built in Centre twp., on the upper corner of Wilson Darlington's farm...

The Temperance men of York county have been making lively times for the rum-sellers. At the late May term of Court, there were over thirty true bills found against different persons for selling liquor without license...

Sale of Roads.—The Oxford Press says, "The third triennial sale of the public roads in Fulton township, Lancaster county was held on the 20th inst. The bidding was quite spirited, and nearly all the sections were disposed of at a considerable reduction on the price paid three years ago..."

The above system has been practiced for years in many places, and always with satisfactory results. It would be a good idea to try such an experiment in this vicinity, for certainly the roads could be no worse, than under the present mismanagement.

The Tenth Annual Convention of the Pennsylvania State Sabbath School Association will be held in the First Presbyterian Church on Washington Avenue, in the city of Scranton, on Tuesday, Wednesday and Thursday, June 9, 10 and 11, 1874. You are earnestly invited to be present. Come!

Entertainment will be provided for all delegates who will notify "Wm. Hadder, Esq., Chairman of Local Committee, Scranton," on or before June 1.

The Rev. J. H. Vincent, D. D., of New York, will be present and take part in the proceedings.

The singing will be conducted by Prof. Wm. Johnson, of Philadelphia.

Whatever arrangements may be made for reduction of fares will be announced hereafter.

Court Proceedings.

The regular May term of Court for this county, began on Monday of last week. The attendance was larger than usual. There was a full Bench, and the transaction of the business of the term was rapid and prompt. On Monday the miscellaneous business was disposed of, and on Tuesday the trial list was taken up and the following cases were tried during the week.

COMMON PLEAS.

Penn'a., Lightning Rod Company vs. John McDonald. This action was brought to recover the amount of a note given for lightning rods put up on defendant's buildings, and was defended against upon the ground, that the contract was not fulfilled by the company, and that the defendant could not see to read the note at the time he signed it, and that a smaller amount was read to him than plaintiffs sued for, and that there was fraud in the entire transaction. Verdict for defendant, Sponsor for plff. Barnett for dft.

Rachel E. Campbell vs. John Freeland. This was an action of ejectment brought for the recovery of a house and lot situated on second street in the borough of Newport. It appears that it was the intention of the parties during the lifetime of the husband of the plaintiff in this suit to convey the title to defendant, but the title papers were irregularly drawn, and not acknowledged according to law. Verdict for plaintiff, McIntire for plff. Sponsor for dft.

Jonas Long vs. David Boal. This action was brought to recover damages from defendant by reason of his cutting and taking away some timber from lands claimed by plaintiff. Defendant alleged title to the land to be in himself. Verdict for defendant, Potter and Barnett for plff. McIntire and Sponsor for dft.

Edward Miller vs. S. D. Simonton. This was an action of Covenant, founded upon an article of agreement, the plaintiff alleged had been violated by the defendant, and hence claimed damages. Verdict for defendant, Sponsor for plff. McIntire & Graham for dft.

Jacob Dinn vs. Henry Cauffman. Action in Assumpsit to recover the amount of

a note. Plaintiff took a non-suit. McIntire for plff; Potter & Barnett for dft.

J. Rhey Patterson vs. John Showers.—Action of Ejectment. The record as to when a tract of land in dispute was returned, and accepted as seated land, was not complete, and the Court directed a juror to withdraw, and the case goes over to next term. Barnett for plff; McIntire for defendant.

The heirs of John Huggins deceased vs. Isaac Meek, guardian. This action was brought for the recovery of damages. It appears that John Huggins died in possession of several properties situated in the borough of Liverpool, which came into the hands of the guardian of his heirs. The buildings were all destroyed by fire, when it was discovered that there was but a very small amount of insurance on them, and the heirs claimed that he was negligent in not having them insured, and hence claimed damages. Verdict for defendant, Barnett and McIntire for plaintiff, Sponsor and Graham for dft.

QUARTER SESSIONS. Com. vs. Peter Wertz. Indictment selling liquor without license. Defendant plead guilty. Sentenced to pay a fine of \$50 and costs of prosecution, and stand committed until sentence is complied with.

Com. vs. Charles Sweazy. Same offence as above, and pleads guilty. Sentenced to pay a fine of \$125 and costs of prosecution and stand committed until sentence is complied with.

There were several others indicted for the same offence, who plead guilty and were sentenced to pay a fine of \$50 each.

Com. vs. Wm. H. Ritter. Indictment fornication and bastardy. Verdict guilty. Sentenced to pay \$10 lying in expenses and \$15 amount up to date, and 75 cents a week until the year 1881. Baily, Potter and Barnett for com. Sponsor and McIntire for dft.

Com. vs. Turbett Drumgold. Indictment fornication and bastardy. Verdict guilty. Defendant moves for a new trial. Not sentenced, Baily, Sponsor and Graham for com. McIntire and Barnett for dft.

Com. vs. John Baker. Indictment rape committed upon the person of Alice Robinson aged 11 years, and living in the family of John Rambo, of Carroll township. Much interest was manifested during the trial. Verdict guilty, sentenced to undergo an imprisonment in the Eastern Penitentiary for the period of 10 years, to pay a fine of \$5, to the commonwealth and to pay cost of prosecution and stand committed until sentence is complied with. Baily, Barnett and Smiley for com. McIntire and Markel for dft.

Com. vs. Edward Miller. Indictment, selling liquor without license. On motion the indictment was quashed. Baily, Barnett and McIntire for com. Junkin for dft.

Com. vs. John Shuman. Indictment selling liquor without license. On motion indictment quashed. Baily, Barnett and McIntire for com. Markel for dft.

Upon petition of citizens of Juniata twp., to change place of holding election, from Milford to Markleville. The Court ordered an election to be held, in order to decide if a majority are favorable to the change. Said election to be held on Saturday, the 23rd day of June.

Cumberland County.—From the Carlisle papers of last week, we copy the following:

Mt. Holly pays their borough constable \$75. per year, and their clerk to the Council \$50.

Rev. J. S. Woodburn, pastor of the Presbyterian congregation in Dickinson twp., has resigned. The reverend gentleman intends moving to Newville.

Robert McCune, of Middlespring, this county, died on Thursday morning last.—Mr. McCune was a citizen of sterling worth and integrity, and highly respected among a large circle of acquaintances. He had been in feeble health sometime previous to his demise.

Wm. H. Walker, was seized with a stroke, at his residence, on West North St., one day last week. Mr. W. was sitting on a chair playing with one of his children when he suddenly fell heavily to the floor, breaking his collar bone. Under the proper medical treatment he is slowly recovering.

On Saturday last a man giving his name as James Burton, hired a horse and buggy from our liveryman Mr. Wm. H. Corman, and failed to return the same. Mr. Corman fears he has left to parts unknown with the same. A liberal reward will be given for any information concerning the team or man.

Juniata County.—From the Millintown papers of last week we copy the following:

A little son of Wm. Lowery, residing at the first lock, was severely burned on Wednesday morning, by his clothes taking fire from brush burning in the garden.

J. B. M. Todd's cow, in Patterson, neglected to go to Sunday School, on Sabbath last, strayed on the railroad and was killed by the Way Passenger train west.

On Monday of last week, a horse and carriage belonging to the agent of the Carlisle Shoe Company, broke loose while hitched in front of a store in Patterson, and ran away, tipping over the buggy, and tearing loose from it in turning the first corner. The horse ran but a short distance, when he stopped and surveyed the wreck he had made.

Brief Items.

The festival last week netted the band the sum of \$116.43. This was a very satisfactory result.

There were more persons in attendance at court last week than has been present during any court for some time.

A young man named Eshleman, claims to have killed ten wild ducks at one shot recently on the Millerstown dam.

The effects of the action of the court on the liquor bills was plainly seen in town on Wednesday night last. Liquor must have been plentifully furnished by some one.

J. Marsh Lupfer, son of Samuel Lupfer, of Beavertown, Snyder county, had both bones of his right arm broken a few days since by falling from a swing at the Millersville school.

The fools who believe in fortune-telling had a chance to invest, in that sort of stuff last week, there being a female who pretended to a knowledge of the future in town.

Dr. Ard, by the shying of his horse was on Thursday last thrown out of his buggy. He retained hold of the lines and Dr. Hook who was with him, jumped to the other side and secured the horse before any damage was done.

A colt belonging to Adam Bridge shied at the bank dog on Saturday night and took himself clear of the wagon and harness, much quicker than it could be done in a regular way. Nobody hurt, but the harness was sadly demoralized.

Church Notices.

In the M. E. Church preaching on Sunday morning next. Prayer meeting on Thursday evening.

A Good paper.—Among all the daily papers we receive, none is more welcome than the Altoona Tribune. The paper is a credit to the city in which it is published, and ought to receive, as no doubt it does, a generous support from the citizens of that place and vicinity.

Diseases of the Blood.

"The Blood is the Life." When this source is corrupted, the painful and sorrow-producing effects are visible in many shapes. The multifarious forms in which it manifests itself, would form subjects upon which I might write volumes. But as all the varied forms of disease which depend upon bad blood are cured, or best treated, by such medicines as take up from this fluid and excrete from the system the noxious elements, it is not of practical importance that I should describe each. For instance, medical authors describe about fifty varieties of skin disease, but as they all require for their cure very similar treatment it is of no practical utility to know just what name to apply to a certain form of skin disease, so you know how best to cure it. Then again I might go on and describe various kinds of scrofulous sores, white swellings, enlarged glands, and ulcers of varying appearance; might describe how virulent poison may show itself in various forms of eruptions, ulcers sore throat, bony tumors, etc.; but as all these various appearing manifestations of bad blood are cured by a uniform means, I deem such a course unnecessary. Thoroughly cleanse the blood, which is the great fountain of life, and good digestion, a fair skin, buoyant spirits, vital strength, and soundness of constitution, will all return to us. For this purpose Dr. Pierce's Golden Medical Discovery and Purgative Pellets are pre-eminently the articles needed. They are warranted to cure Tetter, Salt Rheum, Scald Head, St. Anthony's Fire, Rose Rash or Erysipelas, Ring-Worms, Pimples, Blisthes, Spots, Eruptions, Pastules, Boils, Carbuncles, Sore Eyes, Rough Skin Scurf, Scrofulous Sores and Swellings, Fever Sores, White Swellings, Tumors, Old Sores or Swellings, Affections of the Skin, Throat and Bones, and Ulcers of the Liver, Stomach, Kidneys and Legs.

Home Life in the Bible, advertised in another column, is by the popular author, Rev. Daniel March, D. D., whose books are so widely known and eminently fitted for family reading. Paying employment is offered Young Men and Ladies, Teachers and Clergymen.

Notice.—All persons owing me, are requested to promptly settle their indebtedness, as in consequence of the loss of my stock and tools, by the fire on Friday last, I need money badly. By paying now you can greatly aid me. A. P. NICKLE. April 15, 1874.

Saturate a Piece of Bread or Meat with gastric juice, and it will dissolve. Add to such a mixture a little alcohol, and it will not dissolve. This is indigestion. Beware, then, of tinctures, or tonics, or decoctions containing spirituous liquors. Shun all rum "tonics," and rely solely on Dr. Walker's Viniger Bitters, the finest digestive invigorant known and free from the least trace of Alcohol.

Stone and Earthen Ware.—The subscribers, proprietors of the Juniata Pottery, near Newport, desires to give notice that they are keeping up a full variety of stone and earthen ware, and are prepared to promptly fill orders for all goods in their line at low prices. Post office address, Newport, Perry co., Pa. M. & T. MILLER. April 20, 1874.

The New Hay Rake.—Persons who want a good hay rake should examine the Patent Steel Tooth Grain and Hay Rake, "Welcome." A specimen can be seen at the residence of Samuel Kepperly, in Carroll twp., where orders can be left which will be promptly filled. Or orders may be sent by mail to I. C. Thompson, Gap, Lancaster county, Pa.

Rev. E. H. Hopkins, of Jackson Centre, Shelby county, Ohio, says, "My wife had the consumption for ten years, and had been confined to her bed for some time. I heard of Dr. L. Q. C. Wishart's Pine Tree Tar Cordial, and after using four bottles, she was able to do the work for her family."

Caution!—In our changeable climate, coughs, colds, and diseases of the throat, lungs and chest will always prevail. Cruel consumption will claim its victims. These diseases if attended to in time, can be arrested and cured. The remedy is Dr. Wistar's Balsam of Wild Cherry.

The all-gone feeling which people sometimes speak of, is caused by want of proper action of the liver and heart. These may be assisted, and the bowels regulated, by Parson's Purgative Pills in small doses.

Corn and flour are staple articles; but not more so than Johnson's Anodyne Liniment where known. It is good for children or adults, for any internal soreness of the chest or bowels, and the best Liniment prepared under whatever name.
