which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

Nature's Great Remedy  
FOR ALL  
**THROAT AND LUNG DISEASES!!**

It is the vital principle of the Pine Tree, obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained. Tar even in its crude state has been recommended by eminent physicians of every school. It is confidently offered to the afflicted for the following simple reasons:  
1. It *cures*,—not by abruptly stopping the cough—but by dissolving the phlegm and assisting nature to throw off the unhealthy matter causing the irritation. In cases of *seated consumption* it both prolongs and renders less burdensome the life of the afflicted sufferer.  
2. Its healing principle acts upon the irritated surface of the lungs, *penetrating to each diseased part*, relieving pain, and *subduing inflammation*.  
3. It *purifies and enriches the blood*. Positively curing all humors, from the common *pimple* or eruption to the severest cases of *Scrofula*. Thousands of affidavits could be produced from those who have felt the beneficial effects of *Pine Tree Tar Cordial* in the various diseases arising from *impurities of the blood*.  
4. It *invigorates the digestive organs and restores the appetite*.  
All who have known or tried *Dr. L. Q. C. Wishart's* remedies require no references from us, but the names of thousands cured by them can be given to any one who doubts our statement. *Dr. L. Q. C. Wishart's Great American Dyspepsia Pills and Worm Sugar Drops* have never been equalled. For sale by all Druggists and Storekeepers, and at

**Dr. J. Walker's California Vinegar Bitters** are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of **VINEGAR BITTERS?**" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of **VINEGAR BITTERS** in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of **DR. WALKER'S VINEGAR BITTERS** are a Purgative, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

**Grateful Thousands** proclaim **VINEGAR BITTERS** the most wonderful Invigorant that ever sustained the sinking system.  
**No Person can take these Bitters** according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

**Bilious, Remittent and Intermittent Fevers,** which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to **DR. J. WALKER'S VINEGAR BITTERS**, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.  
**Fortify the body against disease** by purifying all its fluids with **VINEGAR BITTERS**. No epidemic can take hold of a system thus fore-armed.

**Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Billious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.** One bottle will prove a better guarantee of its merits than a lengthy advertisement.

**Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc.** In these, as in all other constitutional Diseases, **WALKER'S VINEGAR BITTERS** have shown their great curative powers in the most obstinate and intractable cases.

**For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder,** these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

**Mechanical Diseases.**—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of **WALKER'S VINEGAR BITTERS** occasionally.

**For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.**

**Pin, Tape, and other Worms,** lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

**For Female Complaints,** in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

**Cleanse the Vitiated Blood** whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

**Woman's Rights.**

The following are the opening sentences of an address on this subject by Mrs. Skinner:  
Miss President, fellow women, and male trash generally: I am here to-day for the purpose of discussing woman's rights, recussing her wrongs and cussing the men.  
I believe sexes were created perfectly equal, with the women a little more equal than the men.

I also believe that the world would to-day be happier if man had never existed.  
As a success man is a failure, and I bless my stars that my mother was a woman.— [Applause.]

I not only maintain their principles but maintain a shiftless husband besides.  
They say man was created first. Well, 'spose he was. Aint first experiments always failures?  
If I was a betting man, I would bet \$2.-50 they are.

The only decent thing about him was a rib, and that went to make something better. [Applause.]  
An then they throw into our face about taking on apple. I'll bet five dollars that Adam boosted her up the tree and only gave her the core.

And what did he do when he was found out? True to his masculine instincts, he sneaked behind Eve's Grecian bend, and said, "Twan't me; 'twas her;" and woman has had to father everything mean and mother it too.  
What we want is the ballot, and the ballot we're bound to have, if we have to let down our back hair and swim in a sea of sanguinary gore. [Sensation.]

An Irish woman, at a loss for a word, went into a drug store, and looking much puzzled, said she had come for some medicine, but the name had slipped her mind "intirely," but sounded like Paddy in the garret.

The druggist willing to "make a sale" tried to think what it could be, and hit upon paragonic.  
"Indade, thin, that's it," said she, obtaining the medicine, and going away delighted, that she had come so near the right word.

A young lady who entered a Broadway music store and asked the young man in attendance, "Have you Happy Dreams?" was astonished when he replied: "No, ma'ma, I'm mostly troubled with the night-mare." He didn't know why she went out so hurriedly and slammed the store door after her.

A Yankee schoolmaster who undertook to make compulsory poets of his scholars, was obliged to listen to this effusion of one of them:  
"Oh, helpful Jove! lend us thine aid  
To help us wretched scholars;  
We've hired a fool to teach this school,  
And pay him fifty dollars."

The following anecdote was told by a preacher, for a fact: A preacher was praying, and in his prayer he said: "I pray the Lord to curtail the power of the Devil." Just then an old darkey in the congregation cried: "Yes! Amen! Bress God! Cut him tail right smack, smooove off."

A wealthy parvenu lately gave the church, which he attends, two tablets of stone with the Ten Commandments engraved upon them; whereupon a witty lady member of the church remarked that his reason for giving away the commandments was that he couldn't keep them.

A darkey gives the following reason why the colored race is superior to the white:  
"All men are made of clay, and like the meerschaum pipe, they are more valuable when highly colored."

A gentleman who went to take a lodging asked the servant, a remarkable handsome girl, whether she was to let with the lodging. She answered: "No she was to be let alone."

A.—"What a handsome lady that is—the one who is so sweetly smiling."  
B.—"But she reminds me of a comb."  
A.—"Why?" B.—"Because she shows all her teeth."

Ab invalid disturbed all the inmates of his boarding-house by imitating a dog.— When asked why he did so, he said he had been ordered by his physician to take port wine, and bark.

It was a brilliant Fond du Lac boy who, seeing a dog with a muzzle on for the first time, exclaimed: "Mamma, mamma, I bet five cents the dogs are going to wear hoop-skirts; there goes a dog with one on his nose."
