LOCAL DEPARTMENT.

NO CUTS INSERTED.

After the expiration of present contracts no more cuts or advertisements will be inserted unless on metal base and not then unless quite light faced.

A Smash Up.—On Friday last, a son and brother-in-law of Mr. Jas. Orr, of this borough, was driving along near Grier's Point, a portion of the harness broke letting the vehicle run against the horse, causing the animal to kick so violently that the vehicle was nearly demolished, and the young men thrown out but fortunately were not injured.

For Township Clerks.—Township clerks are required, within sixty days after the annual spring elections, to make out and publish a full and complete statement of the financial condition of their township under a penalty of fifty dollars. In several counties in this state, where this law was disregarded, suits have been brought by the taxpayers and the penalty collected.—By observing the law township clerks may save themselves and friends the trouble and expense of litigation.

Killed on the R. R.—A man named Wirt, was killed on the R. R., a short distance below Selinsgrove, on Tuesday of last week. Mr. Wirt was one of a party of track hands, who were not warned to look out for a train running out of regular time, and in going around a curve the train came upon them suddenly. They attempted to remove their hand-car, but before getting it clear of the track, concluded it was dangerous to remain any longer. The deceased however, fearing danger to the train, again attempted to replace it, thinking it would do less damage to the train, but in so doing he was struck in the back, and thrown a distance of about fifty feet against a rock, causing instant death. He leaves a wife and six children.

A Railroad Bridge on Fire.—Wednesday afternoon a locomotive spark set fire to an oil tank while the train to which it was attached was passing over the railroad bridge at Rockville. The fire spread to three other cars loaded with oil. Being near the west bank of the river the cars were rapidly shoved off the bridge and the structure, which had caught fire, was saved from destruction. The watch box on the west side of the Susquehanna was considerably scorched, and the oil, with the cars, was nearly all consumed. A large force of Pennsylvania railroad employes and the Good Will engine were dispatched from Harrisburg to extinguish the fire. A number of trains were delayed in consequence of the accident.

A Strange Cat.—A Harrisburg paper says Mr. John Grove, of Baldwin, is the possessor of the strangest cat we have seen any account of lately. Some days since Mr. Grove brought into the house two young rats. Pussy eyed them sharply, but the sweet morsel was denied her and the young rats carefully caged up for the night. In the morning Mr. Grove placed one on the floor near the cat, which, with her kittens, was sleeping quietly on the hearth. Pussy opened her eyes, stretched her paws and gently drew his young ratship along side her kittens. The other one was then placed near her, when she did the same thing; and, singular as it may seem, she has not only refused to harm the rats, but has actually nursed and cared for them as gently and tenderly as for her kittens. At night kittens and rats are tucked away by her in their little beds, when she watches over them till morning. This strange conduct has been witnessed by many and is strictly true.

Juniata County.—From the Millintown papers of last week we copy the following: A valuable mule belonging to Samuel Thomas, of Fermanagh township, died week before last.

The lands of Joseph Nipple, John Y. Shelley, H. S. Dimm, of Delaware township, were the scene of the greatest wood fire that ever occurred in this vicinity, on Saturday, May 9th.

On Saturday last, Shelburn Robison, of Milford township, drove to Patterson with a horse and carriage. He hitched the horse to the fence just outside the borough limits, and came down into town to attend to some business. In his absence the horse concluded to lay down, which he did successfully, breaking the harness, the hitching strap and disengaged himself from the carriage. The horse and Robison both went home on foot about two hours apart.

Last Sunday Mrs. Benjamin Kepner, of Milford township, attended Mr. Blackwelder's church during morning service.—She was accompanied by a grandchild aged about 5 years, and a young man, a son. On the way home, a short distance beyond the lower railroad crossing at Patterson, the horse frightened at a child's carriage at the side of the road. The young man sprang out of the buggy to take the beast by the bridle. The animal was too quick for him, eluded his efforts to catch him, wheeled and upset the buggy, which was an open one, thereby throwing Mrs. Kepner and the child out, and injuring them to such a degree that Dr. Banks was called to minister to the requirements of their injuries.

Cumberland County.—From the Carlisle papers of last week, we copy the following:

There are at present one hundred and six inmates at the county alms house, insane included.

The next number of the Valley Sentinel will be issued from Carlisle, to which place the office will be removed the present week.

Two valuable horses were stolen from Mr. John Morrison, of South Middleton township, recently. One of the animals, however, managed to escape and returned home, but no tidings of the other horse has yet been received.

A frightful run-off occurred at Newville depot on Sunday last. A horse driven by Mr. Harry S. Snyder, became unmanageable, dashed toward town, and turning into a vacant lot opposite the U. P. church, threw Mr. S. out and made a complete wreck of the buggy. Mr. S. received several slight bruises and cuts, but very fortunately escaped serious injury.

Gen. Wm. T. Sherman, accompanied by his Aid, Col. Audenried, arrived in Carlisle, last week, in the Wednesday afternoon train of cars. The distinguished soldier was on his way to Gettysburg, a battle ground he had never seen. He remained in town (at the Bentz house,) overnight, and took an early start for Gettysburg the next morning.

The bands of Dauphin and Cumberland counties, having formed an association, held their second convention in Newville, on Thursday of last week. The attendance was large, both in number of bands and visitors from a distance, upwards of two hundred persons being present from Carlisle alone. The streets were thronged all day by the large crowd, and the air was filled with delightful music by the different bands.

On Monday evening Mr. Augustus Sprecker, a clerk in Miller's dry good store, Carlisle, accompanied by a lady, drove to Mt. Holly. On their return home the horses became frightened and ran away. In crossing the H. & P. railroad at the end of town, Mr. Sprecker was thrown violently out of the buggy on the ground, knocking him senseless. At Martin's barn the buggy struck a wagon and the horses became detached. Mr. Sprecker was carried to the Mullin House and medical aid summoned. He lay Monday night in a critical condition, but rallied on Tuesday so as to be removed to Carlisle. Strange to say, the lady escaped injury.

Sparks from a locomotive set fire to a car laden with oil near McVeytown, Milford county, on Saturday a week, which resulted in the burning of two cars and the oil contents.

Considerable hail fell in Tuscarora, Saville and Juniata townships, this county, on Wednesday last, and some fell in Centre. On Thursday we had a little touch of it at this place.

No corpse is admitted on the trains of the Pennsylvania railroad, unless those in charge of it have, besides a ticket, a physician's certificate, reciting what disease the person died of and that it was not contagious.

Occasionally there is to be found a man mean enough to take a paper several years without paying for it, then attempt to discontinue by sending back a copy to the publisher, marked "refused." If the devil don't get such fellows, what the dickens is the use of having a devil?

The fishermen at Columbia seem inclined to "play the hog," and spread their nets in front of the fish-ways. The result is, that even could the fish pass up the "ways" provided, they are stopped before

so doing, and consequently few should have as yet been caught in the Juniata.

Decoration Day will be observed in this place on Saturday next. Friends of the deceased soldiers are requested to prepare flowers for the graves; all are invited to participate in the ceremonies. A WONDER TO HERSELF.

Tanktown, Delaware Co., O., March 20th, 1873.

To Dr. R. V. Pierce:—Your Discovery needs only a fair trial and it will do all you recommend it to do and more too. When I was fifteen I caught cold and for twenty-eight years I have been a perfect wreck of disease, and all the medicines and doctor's bills have run up at times to two and three hundred dollars, and never any better but worse, when I give up all hope last spring of living the summer through. I received one of your Account Books and told my husband after reading it that it was too late to try further, but he said it was never too late. He went and bought two bottles and I found it was helping me very much. Since 1841 I was troubled with Catarrh and Sore Throat, and was almost entirely deaf in one ear and my voice was as dull as could be. There was constant pain in my head. Now my head is as sound as a dollar, my voice is clear, and I have used ten bottles of your Discovery. It has cured me of Catarrh, Sore Throat, Heart Disease, Spine Affection and Torpid Liver. My Liver was very bad. My skin was rough. When I put my hand on my body it was like fish scales. Now it is as smooth and soft as a child's. In conclusion I will say I have been well for three months. I am a wonder to myself and friends. This is but an imperfect statement, half has not been told. Yours with respect, HESTER LACKY

Mr. Archey McKissick, of Rockdale, Penna., in writing to Dr. Wishart says: "My son was pronounced incurable with consumption, but hearing of your Pine Tree Cordial, we purchased three bottles, and he commenced using it, and from that day to this he has been getting well."

"A Wonder of Medical Science," may well be applied to Dr. Wistar Balsam of wild Cherry. It is nearly half a century since this remarkable remedy was introduced to the public, and yet the immediate and enviable reputation which it gained by its wonderful cures of coughs, colds, whooping cough, sore throat, influenza, consumption, and all bronchial complaints, is to this day fully substantial.

It is often said by strangers visiting our State that we show a larger proportion of good horses than any other State in the Union. This we tell them, is owing to two principal reasons: In the first place we breed from the very best stock; and in the second place our people use Sheridan's Cavalry Condition powders, which in our judgment are of incalculable advantage.

Johnson's Anodyne Liniment will give more relief in cases of Chronic Rheumatism no matter how severe, than any other article known to medical men. Used internally and externally.
