Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protochloride of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.
Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

B. T. BABBITT'S
Pure Concentrated Potash,
OR LYE,
Of double the strength of any other
Saponifying Substance.

I have recently perfected a new method of packing my Potash, or Lye, and am now packing it only in Balls, the coating of which will saponify, and does not injure the soap. It is packed in boxes containing 24 and 48 one lb. Balls, and in no other way. Directions in English and German for making hard and soft soap with this Potash accompany each package.

Wanted der Pervisions.

A sapient looking Fayetteville darkey, oscillating between twenty and twenty-five summers, overtook an old negro on the street the other day, and wedged him in a fence corner, proceeded to acquaint him with all the gorgeous provisions of the civil rights bill. Young Africa imparted to old Africa a fund of valuable information, thusly:

"Well, Uncle Billy, Sumner's swivel rights bill dun pass de senate ob de United States widout a murmur."

"Is dat so, Josiar?"
"Jess so, Uncle Billy. And say, Uncle Billy, we colored pussons is gwine to see whose pervisions is in de pot. We are gwine to be allowed to ride free on de railroads, smoke in de ladies' car, and put our feet on de percussions ob de seats whenever we darn please."

"Is dat so, Josiar?"
"Jess so, Uncle Billy. And say, Uncle Billy, we's gwine to be allowed to stop at de hotels and set at de head ob de table, and hab de biggest slice ob de chickens, and lay around in de parlor and spit on de carpets, and make de white trash hustle themselves and wait on us widout grumb-ling"; and whenever de boss ob de concern shoves a bill at us, we'll hab him sent to Washington and obscured in de plenipotentiary."

"Is dat so, Josiar?"
"Jess so, Uncle Billy. And say, Uncle Billy, we's gwine to be allowed to go to de white schools and set up on de platform wid de teacher and learn geography, trig-germanometry, gehominy, Latin, Dutch, French, Chocktaw, algebray, rheumatics, de rule of thrice and de diarrhea."

"Good God! is dat so, Josiar?"
"Jess so, Uncle Billy. And say, Uncle Billy, we's gwine to be allowed to be buried in italic coffins wid looking glasses on top ob dem, and dey will hab to carry us on a hearse to de graveyard and bury us on top ob de white folks, so when de day ob resurrection am arrived and de angel Gabriel comes tootin' along, he'll sing out troo his trumpet, 'all you colored gemmen rise fust!' And say, Uncle Billy, de pervisions ob dat bill!"

"What dat you say 'bout pervisions, Josiar?"
"Well, Uncle Billy, as I was gwine to state, de pervisions ob dat bill?"

"Stop right dar, Josiar. You say dere's pervisions in dat bill?"
"Jess so, Uncle Billy. De pervisions ob de bill!"

"Stop right dar, Josiar. Ef dere's pervisions is that bill I want a sack ob flower dis berry minnit. Darn de smokin' in de ladies' car, an' de gehography, and de Latin, and de italic coffins! I want de pervisions, Josiar! Dey's all dere is in de bill dat's wuff a darn cent!"

Her Bill.

A few days since a well-dressed couple, in the prime of life stopped at a hotel in a country town, and sending for a justice of the peace, informed that functionary that they wished to be married.

The justice said "all right," and inquired their names.

After being told it struck him that he had performed the same service for the lady some years before. Upon inquiring if such was not the case, she said she had been married previously.

"Have you a bill from your former husband?" asked Mr. Justice.
"Yes," she replied, "I have a bill."

This being satisfactory the ceremony was performed and the couple declared "man and wife."

As they were about departing, the justice, having a strong desire to behold the document, thought this an excellent opportunity to satisfy his curiosity, therefore said to the lady:
"Have you the bill with you?"
"Oh yes," she replied.

"Have you any objection to allow me to see it?" said our friend.
"None whatever," she replied.

Stepping to the door and calling to a little boy some three or four years of age, she said:
Here Bill, come here quick; here's a gentleman that wishes to see you."

The gentleman wilted.
The wind was damp with coming wet, when James and blue-eyed Lizzie met; He held a gingham o'er his head, and to the maiden thus he said: O! lovely girl, my heart's afire with love's unquenchable desire; Say, dearest one, wilt thou be mine, and join me in the grocery line?"—
The maid, in accents sweet, replied, 'Jim, hold the umbrellas more on my side; my brain now bonnet's getting wet—I'll marry yer, yer needn't fret.

An old clergyman spying a boy creeping through a fence exclaimed:
"What! crawling through a fence!—Pigs do that."
"Yes," retorted the boy, "and old hogs go along the street."
