Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protochloride of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.

Dr. J. Walker's California Vinegar Bitters

are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetters, Salt-Rheum, Blisters, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin-Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities brating through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

"The Little Joker."

In the good old times in Kentucky, when "Substantial justice" was administered in a log-cabin after a very free and easy manner, a suit was brought to recover certain money of which it was alleged plaintiff had been defrauded by the ingenious operation known as "thimble-rigging." In the course of the trial plaintiff's counsel, who happened to be an expert, undertook to enlighten the court as to the modus operandi of the performance. Putting himself into position he produced the three cups and the "little joker," and proceeded, suiting the action to the word; "Then may it please the Court, the defendant, placing the cups on his knee thus, begins shifting them so, offering to bet that my client could not tell under which cup the 'little joker,' meaning thereby, may it please the Court, this ball—with the intention of defrauding my client of the sum thus wagered. For instance, when I raise the cup so, your honor supposes that you see the ball—"

"Suppose I see!" interrupted the judge, who had closely watched the performance, and was sure that he had detected the ball as one of the cups was accidentally raised.

"Why, any fool can see where it is, and bet on it, and sure to win. There ain't no defrauding thar."

"Perhaps your honor would like to go a V on it?" insinuated the counsel.

"Go a V? Yes, and double it, too; and here's the rhino. It's under the middle cup."

"I'll go a V on that," said the foreman of the jury.

"And I," "And I," joined the jurors, one after the other, until each one had invested his pile.

"Up!" said his honor.

"Up" it was, but the "little joker" had mysteriously disappeared. Judge and jury were enlightened, and found no difficulty in bringing in a verdict in favor of the plaintiff on the ground that it was the "darndest kind o' defraudin'."

A divorce was recently granted the wife in a neighboring State for the cause that her husband ate, drank, and slept, as usual, under the same roof with her for six weeks without once speaking to her all that time. The fellow was glad to get off, as he stated to the judge after the case was disposed of, that he hadn't a chance during the whole six weeks to get in a word edgewise.

An eight-hour man, on going home the other evening for his supper, found his wife sitting in her best clothes, on the front stoop, reading a volume of travels.

"How's this?" he exclaimed.

"Where's my supper?"

"I don't know," replied his wife.

"I began to get breakfast at six o'clock this morning, and my eight hours ended at two P. M."

An editor in Illinois, having engaged a new reporter, received the following as his first effort:

"We are informed that the gentleman who stood on his head under a pile-driver for the purpose of having a tight pair of bntas druv on, shortly after found himself in Chiny, perfectly naked, and without a cent in his pocket."

A young man who left Brooklyn three years ago, to "go west and grow up," has just been heard from. He writes home from Idaho, saying that the country is the most beautiful that the sun ever shown on, and the inhabitants the most sociable he ever met. Also, that he expects to be hanged in about fourteen days for stealing a mule.

A facetious fellow having unwittingly offended a conceited fop, the latter told him he was 'no gentleman.' "Are you a gentleman?" asked the droll one. "Yes, sir," answered the fop. "Then I am glad I am not," replied the other.

A lady in Winnepek recently left the following note for the milkman: "Mr. H—d please to put in wun quart, and love me sum more ticks and if this note shud blo awa and you kant fine it, pless leve me the ticks all the sam."

A young man applied for a marriage license in Cambridge, but the clerk reminded him of two previous applications. "Yes," was the reply, "the other girls did not know I wanted to get married till I showed them the document—but this one does."

A red-nosed gentleman asked a wit whether he believed in spirits. "Ay, sir," replied he, looking him full in the face, "I see too much evidence before me to doubt it."

A Philadelphia youth was recently married to a girl who had refused him eighteen times. He wishes now he hadn't asked her but seventeen.

A matter-of-fact old gentleman thinks it must be a very small base ball that can be caught on a fly.
