which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked: "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In those, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

A Massachusetts farmer says. "My cattle will follow me until I leave the lot, and on the way up to the barn yard in the evening stop and call for a lock of hay." Smithsonian says there is nothing at all remarkable in that. He went into a barn yard in the country [one day last week, whence he had not the slightest acquaintance with the cattle, and the old bull not only followed him till he left the lot but took the gate off the hinges and raced with him to the house in the most familiar manner possible. Smithsonian says he has no doubt that the old fellow would have called for something if he had waited a little while, but he did not want to keep the folks waiting for dinner; so he hung one tail of his coat and a piece of his pants on the bull's horns, and went into the house.

A few evenings ago a colored preacher and doctor in Memphis, Tennessee, was approached by a darkey of the commoner sort. The fellow asked the doctor to go with him and he would show him where he could get a trunk full of money. The doctor went, and near the orphan asylum his guide halted and explained that the reversed gentleman was to take off his boots and stockings and go barefooted to the point named, while his new friend carried the boots around to the place by a circuitous route. The doctor has given up the search for the trunk and is looking for his boots.

In a Hurry.

A boy with post-office pants and vented hat rushed into a drugstore the other day with a dipper in his hand and exclaimed "Doctor, mother sent me down to shotterocay pop, quicker's blazes, cos bub's sick as the dickens with the pipen chox, and she vants a thimbleful of polygollie in this dipper, cos we ain't got any bottle handy, and the kin pup't got the bine witters in it. Got any?"

Uncle Jim's Boy.

A little four-year-old boy, just beginning to learn the catechism, and who bears a striking resemblance to his uncle, was asked by his mother: "Who made you?" He answered: "Dod make me." "In whose image?" "Uncle Jim's," answered the boy.

The Troy Times says: "Recently, at a church fair on Ida Hill, a large and frosted cake was offered to the person who should guess nearest to the correct weight, at ten cents a guess. The pastor urged a young lawyer to invest a dime. The practitioner replied: "I'll play you a game of euchre to see who gets the cake, but I don't understand the other game."

An interesting little boy, timid when left alone in a dark room, was overheard recently by his mother to say in his loneliness, "Oh, Lord, don't let any one hurt me, and I'll go to church next Sunday, and give you some money."

We find the following item in an Illinois paper: "Mr. —, who has been in retirement for a few weeks after marrying and burying three sisters, came up smilingly to the altar again yesterday, having begun on a new family."

An Irish post boy having driven a gentleman a long stage during torrents of rain, the gentleman civilly said to him, "Paddy, are you not very wet?" "Arrah, I don't care about being very wet, but plaze your honor, I'm very dry."

An old lady devoutly reading her Bible, and thinking of the work at the same time: "And the Lord said unto Moses, "Jane you had better put the tea-kettle on."

"You've destroyed my piece of mind," said a desponding lover to a truant lass. "It can't do you much harm, John, for 'twas an amazing small piece you had, any way!" was the quick reply.

The people of Toulouse must be a hard set. A writer speaking of the city says: "It is a large town, containing 60,000 inhabitants built entirely of brick."

A lady recently applied to a fire insurance company for a position as agent. When asked what her qualifications were, she touched her unflushing cheek.
