Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass.

F. MORTIMER.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carnitative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

A Coroner Sold.

An excited individual, with his hat standing on two hairs and his eyes projecting from his head like the horns of a snail, rushed into the office of Coroner Holmes. The coroner is by profession a dentist, and his first thought, as he glanced at the man, was that he was well-nigh distracted with toothache. He was soon undeceived, however, as the frenzied individual cried out, as soon as he could catch his breath after running up stairs:

"Been a man murdered?"

"A man murdered!" cried the coroner.

"How—where?"

"In the garding, I believe—with a club or a rock."

"How long ago?" cried the coroner, seizing his hat and cane.

"Been done a good while, and no police nor constables has't never done nothin' about it. Never been no coroner set on the body, nor nothin' of the kind; no verdict—"

"What's the dead man's name? Who was he?" cried the coroner.

"His name was Abel."

"Abel? Abel who?"

"Don't know. Never heard nothing but his first name."

"Well, what is the name of the man who killed him? Do they know? Any one suspected?"

"Well, I have heard that a fellow named Cain put out his light. Cain was the brother of Abel, and—"

Coroner smells a mice, and flourishing his cane, cries:

"You git down them stairs, my fine fellow. Git and don't you show yourself here again!"

With a loud guffaw the fellow went down the stairs, three steps at a time, the doctor calling after him:

"How dare you trifle with an officer in this way, sir?"

A nice young man in Des Moines got married not long ago. He had worked his way to the bottom of the drawer and got reduced to his clean shirt. He thereupon rose earlier than usual one morning, and kindled a fire. When hanging on the kettle he made a noise on purpose to arouse his wife. She pe
