

Horrible Death by Suffocation.

A terrible catastrophe happened at Penn on Monday, whereby two men were suffocated by foul gasses from a privy vault, and another so overcome from the effects of the same that powerful restoratives were found necessary to save his life.

Not Hurt, but Terribly Scared. Two gentlemen residing in Sacramento, Cal., were startled a few nights ago by loud screams proceeding from a room occupied by a lady member of the family.

In a Bad Fix. There is a railway agent at Hagerstown, Maryland, who would probably like to resign. The "Southern Circus and Menagerie" came to that place upon a freight train the other day, and as the proprietors could not pay the charges for transportation, the cars were seized by the agent and switched off upon a siding, where they have remained ever since.

A few miles from Fort Madison, Iowa, is an apple orchard growing in the midst of a dense forest. The peculiarities of the trees are first, the shape of the leaf, which is much larger than the ordinary apple leaf, being long and quite slender; second, they bear fruit of the finest flavor and parties come for miles around to taste them, and some take leaves and press them to keep as curiosities.

A Lusher hunter found a couple of snakes, and instead of shooting them threw his gun at them, but before it reached them the butt end struck the ground with such force as to cause the gun to explode.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form. R. H.
