LOCAL DEPARTMENT.

NO CUTS INSERTED.

No Cuts or Stereotypes will be inserted in this paper, unless light face and on metal base.

Sales.—We call attention to the following sales, bills for which have been printed at this office:

On Thursday October 22nd, Geo. W. Biting in Liberty Valley, on the old Dalton farm, 3 miles from Bealton, will sell a great variety of personal property, among which are tools of all sorts, for blacksmiths, carpenters, shoemakers, painters, &c.

On Friday, October 23rd, 1874, at one o'clock P. M., C. Roth, Executor of the estate of John R. McClintock, dec'd., will offer for sale, one of the most desirable farms in Perry county, known as the "Sheaffer Farm," situate in Spring township, Perry county, Pa.

On Saturday October 24th, John McDonald will offer at public sale, his farm in Carroll twp.

Sale Worth Attending.—Persons wishing to buy a valuable farm, would do well to attend the sale in Spring township, Perry county, Pa., October 23rd, 1874, of the sale of the McClintock Farm, sold by the Executor, C. Roth. For further particulars see hand bills.

Information Wanted.—Lewis L. Reed, who was a member of the old 84th regiment P. V., and who has applied for a pension from the government, desires to ascertain the names and address of two comrades to certify to his identity. He was wounded at the second battle of Bull Run in 1862. His company was Co. C., but he was discharged from Co. C. having been consolidated with Co. A. shortly after the Bull Run fight. Any information on this subject sent to Mr. Reed, at Houtzdale, Clearfield county, will be thankfully received.

Memorial Hall.—Thomas Hunter, of Philadelphia, has published a finely executed lithograph of "Memorial Hall," the permanent portion of the Centennial Buildings. It is printed in block and two tints, on the finest plate paper, 21 by 27 inches, and is the most finished picture of this building yet produced. Price 50 cents each sent by mail, postage paid. The process of printing may be seen at Franklin Institute Fair. This picture should have a large sale. Address Thomas Hunter, successor to Duval & Hunter, 716 Filbert street, Philadelphia.

Pigeon Shooting.—The Altoona Tribune says: "It has for some time been a matter of common report that a half-dozen miles distant from this city is a 'pigeon-roost.' A 'pigeon-roost' is a spot to which all the birds of that particular feather residing inside a score of townships, resort each nightfall to secure lodging till the following daybreak. Two of our amateur sportsmen, hearing this report, determined to arrive at its truth or falsity. Accordingly, armed with a blunderbuss or two apiece, they, on Monday evening, repaired to the spot named, and remained there throughout the night. The means of slaughter made use of by them, whether blunderbuss or something else, has not transpired, but it is a fact that they came home next morning with a five-bushel bag, nearly full of dead pigeons.

Narrow Escape.—The Duncannon Record says: "On Thursday last as our townsman, Wm. H. Pennell, was hastily making his way to the depot in order to catch the one (1) o'clock train for Marysville, his foot slipped in an attempt to run over the R. R. track on the crossing at the south east end of our town, and his boot heel became tightly wedged in between the rail of the track and the wooden fender. His most strenuous efforts to free himself, proved unavailing, and when the train arrived within a few yards of him, despairing of saving his leg he threw himself on the outside of the track, which action saved his limb and probably his life, as it tore off the sole of his boot, thereby freeing his foot, and enabling him to rise up and go on his way rejoicing.

Talmage's Paper.—THE CHRISTIAN AT WORK (New York) ranks with the best of the religious weeklies. Dr. TALMAGE is its active editor, and his sermons are published exclusively in its columns. The terms, \$3 25 per annum, cover everything, including postage and delivery of the new premium, a "Portfolio of Twelve Gems," or a copy of LANDSENER'S "Twins." Without the premium it is only \$3 per annum, postage prepaid as above. Agents will find this a success.

Church Notices.—Service at M. E. Church.—Quarterly meeting service on Saturday and Sabbath, the 17th and 18th inst. Preaching Saturday morning at 11 o'clock, and evening at 7 o'clock. Sabbath morning at 10 o'clock and evening at 7 o'clock. Quarterly conference on Saturday afternoon, when it is desired that there be a full representation of the official Board.

Presbyterian Church.—Preaching every Sabbath until further notice, at 11 a. m., and 7 p. m., and prayer meeting each Wednesday evening at 7 o'clock.

Preaching in the Reformed Church next Sunday, at 10 A. M. Prayer-meeting on Thursday evening.

Brief Items.

A list of the premiums awarded the exhibitors at the Perry county fair will be found on the eighth page.

The Directors of the Poor at their meeting on Saturday last, appointed Mr. Henry P. Lightner as Steward, at the Poor House.

The East Pennsylvania Eldership of the Church of God, will meet in Shippenburg, on Wednesday 28th of October.

One of the "Coleman Sisters," died last week in California. Her remains will be brought to Carlisle for burial.

A son of Mr. Andrew Watts, residing in Miller twp., fell from the over-shot of the barn on his father's premises, on Saturday a week, and broke his arm.

We acknowledge a receipt of an advertisement from A. R. Collins, (wonder if he is related to Tom C.) for a Texas Gift Enterprise, which is duly placed in our waste paper basket.

Wm. Sheaffer in Rye twp., has raised this year a stalk of corn which measures seventeen feet and five inches. This stalk yielded 3 ears of corn which weighed eight pounds. This is hard to beat.

Recently a horse belonging to Mr. L. B. Rowland, Hagerstown, was attacked by a swarm of bees, and before the lively little insects could be driven off, the horse was so badly stung that he died an hour or two afterwards.

A match game of base ball was played in this borough on Saturday, between the Duncannon and the Bloomfield clubs. The score stood 9 to 23, and the highest number was not the score of the Bloomfield boys.

The barn of Mr. Jacob Miller, located some distance Southwest of Mechanicsburg, was completely destroyed by fire on Saturday evening a week. Some of the children had been igniting matches, from which the fire was kindled.

A remarkable curiosity has been sent to this office by H. Fouk, Esq., of Rye twp. This curiosity is a large White Potato Grub, having a potato sprout growing out of each eye. One sprout is nearly an inch long and the other is a little over an inch. This is decidedly a new way to grow potatoes.

Cumberland County.—From the Cumberland county papers of last week, we copy the following:

The two Windemaker brothers, now confined in jail and awaiting trial for stealing two mules from David Yeagat, about two weeks ago, made a desperate attempt to break jail on last Saturday. They had already sawed away a square piece, large enough to admit the body of a man, from the boarded partition of their cell, when they were detected. Their singular actions throughout the day caused some suspicion that these two rascals were at some mischief, and about nine o'clock in the evening, Deputy Sheriff Emminger determined to take a look, when this bold attempt to escape was discovered. They had, no doubt, been provided with the necessary tools by some of their friends, who had visited them a few days previous. They were at once separated, and their little game to escape the clutches of the law foiled.—Volunteer.

On Friday morning last, an accident occurred at the "Ego" ore bank, near Boiling Springs which resulted in the death of Mr. William Hastings, an employe. Hastings at the time of the accident was engaged in undermining a large body of earth, which suddenly fell in upon him burying him beneath its weight. His fellow workmen ran to his rescue but before he could be rescued life was extinct. His head was crushed and his body terribly bruised. Coroner Smith, of Carlisle, was summoned and held an inquest, the jury rendered a verdict in accordance with the above facts. Mr. Hastings was a resident of Carlisle, where he leaves a wife and one or two children to mourn the loss of a husband and father's protecting care. He was about 35 years of age and had been employed at the ore bank for some time.—Echo.

The safe of Messrs. Stayman & Bucher was blown open in the warehouse, on Thursday night of last week. The thieves found nothing of any value to them. The books of the firm were the only articles of value in the safe and these were found strewn around the floor. The tools used in drilling a hole into the safe were taken from a marble yard close by, and were found in the warehouse. The safe was a new one and considered burglar proof. No information, as yet, as to who the robbers are.—Sentinel.

Juniata County.—From the Middletown papers we copy the following:

On Sunday last, as a little son of Mr. Snyder's, son-in-law of Benj. D. Kepner, of Millford township, was playing in Mr. Kepner's yard, he was attacked by a vicious ram belonging to Mitchell Varns, that had strayed into the yard, and was very seriously injured. The little boy had his front teeth knocked out, and was butted about the breast until completely black and blue. A physician had to be immediately called in.—Democrat and Register.

On Monday forenoon, Mr. Wm. Guss, of Millford township, was engaged in raising potatoes in the orchard. His little daughter, for pastime, was riding upon the horse, and, in passing under an apple-tree, was brushed off by the branches, falling to the ground breaking one of her arms.

Mrs. Julia Ann, wife of Hugh T. McAllister, Esq., died suddenly on Sabbath evening, the 4th inst., by rupture of a blood vessel, at her home in McAllisterville. She was in the 74th year of her age.—Sentinel.

The November number of Ballou's Magazine is out and has a remarkable table of contents. In it are two Thanksgiving stories, a tale of California, a sea story, four or five domestic tales and several choice pieces of poetry, besides a continuation of that mysterious novel, "Will She Marry Him?" which is attracting much attention from those who have taken a little interest in spiritualism, and desire to investigate it, and see what it is. All this in addition to the engravings and the juvenile department. Subscription price only \$1.50 and a chromo to each subscriber. Thomas & Talbot, 36 Bloomfield Street, Boston.

A New Party.—A correspondent from Altoona sends the following:

ALTOONA, Pa., Oct. 10th, 1874. Mr. Editor.—The Democracy of Clearfield, Centre and Clinton, have divided and formed an independent party, called "The Modocs." They have put in nomination the following officers: Congress, W. C. Alexander, of Centre; State Senate, W. S. Luther, of Clearfield; Judge, J. H. Orris, Centre. Post office address, Newport, Perry co., Pa. M. & T. MILLER.

Hombach wishes the citizens of this county to take notice that being desirous of reducing his stock before cold weather, he has determined to close out what he now has on hand, at greatly reduced prices. Hombach, opposite the planing mill, Newport, will receive prompt attention.

If Alcoholic Stimulants are taken into the blood the heart works faster, and this unnatural speed wears out the vital machinery. All intoxicating nostrums advertised as "tonics," "renovators," &c., produce this disastrous effect, and should be rejected. Dr. Walker's Vegetable Vinegar Bitters, an invigorant without the curse of alcohol—is everywhere supplanting these poisons. [40 4w.

The reason for coughs and colds is rapidly approaching, and every one should be prepared to check the first symptoms, as a cough contracted between now and Christmas frequently lasts all winter. There is no better remedy than Johnson's Anodyne Linctum. For all diseases of the throat and lungs it should be used internally and externally.

Lung fever, common cold, catarrhal fever, and nasal discharge of a brownish color in horses, may be checked at once by liberal use of Sheridan's Cavalry Condition Powders.

Ladies, why do you so often complain to your husband and friends that you "are never free from pain," and "it seems as though your back would break?" No one likes to hear complaints, therefore use Pain Cure Oil. It will surely cure you.
