THERE are no diseases so debilitating in their effects upon the constitution as the above, and none more difficult to cure by the usual modes of practice. The Fever and Ague Powders will effect a cure in cases of the longest standing, as well as prove a preventive in the forming stages of disease. Being purely Vegetable, they act with certainty on the disease, totally cradienting it from the system, and preventing a return at any future period. Why waste your money and health in trying every medicine you hear of, when Thompson's Fever and Ague Powders have never falled to cure the Chills in any case.

REASONR WHY THEY ONLY SHOULD BE

REASONS WHY THEY ONLY SHOULD BE USED:

Their Reputation is Etablished. — Thousands of testimonials have been received, showing that these Powders have performed miracles in curing cases of long standing, many of them considered houseless.

considered hopeless. There is no Risk in Taking Them:—They contain nothing injurious, and, therefore cause none of those lingering diseases so often the result of the many nostrams of the day. Physicians recommend them as far superior to Quinine, or any other known remedy, for they leave the system in a bealthy state, and the patient beyond the probability of a relapse.
