

A Remarkable Lawsuit Begun. Information comes to us from Kutztown of a very unfortunate contest over the corpse of the late Henry Fister...

Harry Fister died and left an estate worth some two hundred and fifty thousand dollars, which his two brothers, one of whom is Col. Tom Fister, cashier of the Kutztown Bank, wanted to settle up...

After remaining in Kutztown some time, Mrs. Fister removed to Philadelphia, where she purchased and occupied a residence. The rejection of the brothers from the administration of the estate created a bad feeling between them and their late brother's wife...

On Tuesday an undertaker and six stone cutters, acting under the direction of the widow, arrived in Kutztown for the purpose of removing the body and monument to Philadelphia...

The case will be tried in the courts, and, it is said, be fought with vigor on both sides, the widow being determined to remove her late husband's remains and the costly monument over them to Philadelphia...

It is stated that the advice of the brothers' lawyer was to the effect that the monument can be removed by the widow, but that the burial of her husband concluded her right of custody as to his body...

His Term is Ended. A convict in the Western Penitentiary cut short his term of imprisonment one night last week by self-destruction.

The deceased was James M. Swint, who had been sentenced from Mifflin county to three years' imprisonment, his term commencing on the 21st of last January. Since his confinement he had always appeared very low spirited and dejected...

Considerably Surprised. The London Times publishes the following startling narrative: "A gentleman, desiring to give his family a few weeks sea air and sea bathing, went to one of our fashionable sea-side watering-places to look for apartments which, with one other room, would exactly meet his requirements...

Murder in Schuylkill County. Pottsville, October 21.—It is reported that Elias Lesher, a well known citizen of Frackville, in this county, has been murdered. His team was found early this morning hitched to a tree three miles out in the mountains...

He recently effected an insurance on his life for \$5,000, and yesterday paid the premium on the policy in Pottsville. The last seen of him was at St. Clair in the evening, where he borrowed a revolver, remarking that he had forgotten his, and he had more money with him than usual.

Have You Tried JURUBEBA?

ARE YOU Weak, Nervous, or Debilitated? Are you so languid that any exertion requires more of an effort than you feel capable of making?

Then try JURUBEBA, the wonderful Tonic and Invigorator, which acts so beneficially on the secretive organs as to impart vigor to all the vital forces.

It is no alcoholic appetizer, which stimulates for a short time, only to let the sufferer fall to a lower depth of misery, but it is a vegetable tonic acting directly on the liver and spleen.

It regulates the bowels, quiets the nerves, and gives such a healthy tone to the system as to soon make the invalid feel like a new person.

Its operation is not violent, but is characterized by great gentleness; the patient experiences no sudden change, no marked results, but gradually his troubles.

"Fold their tents, like the Arabs, And silently steal away." This is no new and untried discovery, but has been long used with wonderful medical results, and is pronounced by the highest medical authorities, "the most powerful tonic and alterative known."
