NEVER KNOWN TO FAIL!

THOMPSON'S

Fever and Ague Powders!

FOR THE

PERMANENT CURE OF CHILLS AND FEVER, DUMB AGUE, OR ANY FORM OF INTERMITTENT FEVER!

The Greatest Discovery of the Age!

THERE are no diseases so debilitating in their effects upon the constitution as the above, and none more difficult to cure by the usual modes of practice. The Fever and Ague Powders will effect a cure in cases of the longest standing, as well as prove a preventative in the forming stages of disease. Being purely Vegetable, they act with certainty on the disease, totally eradicating it from the system, and preventing a return at any future period.

Why waste your money and health in trying every medicine you hear of, when Thompson's Fever and Ague Powders have never failed to cure the Chills in any case.

REASONS WHY THEY ONLY SHOULD BE USED.

Their Reputation is Established. — Thousands of testimonials have been received, showing that these Powders have performed miracles in curing cases of long standing, many of them considered hopeless.

There is no Risk in Taking Them. — They contain nothing injurious, and, therefore, cause none of those lingering diseases so often the result of the many nostrums of the day. Physicians recommend them as far superior to Quinine, or any other known remedy, for they leave the system in a healthy state, and the patient beyond the probability of a relapse.

BEWARE OF COUNTERFEITS. — The genuine are put up in square tin boxes, with "Thompson's Fever and Ague Powders" stamped on the lid, and the signature of "Thompson & Crawford," on the wrapper. — No others can possibly be genuine.

PREPARED ONLY BY
