LOCAL DEPARTMENT.

NO CUTS INSERTED.

No Cuts or Stereotypes will be inserted in this paper, unless light face and on metal base.

An interesting letter from a western correspondent will be found on the third page, giving a full and accurate account of the damage done by the grasshoppers in Kansas.

Bar Blown Down.—The storm of last Monday did considerable damage in the lower part of the county. In Rye township it blew a barn belonging to Jacob Kintner entirely off its foundation, and rolled it down the hill.

Farewell Sermon.—The Rev. J. B. Shoup will preach his farewell sermon in Loysville, on Sunday morning, Dec. 6th; at Mt. Zion's Church in the afternoon, and at Elliottsburg in the evening of the same day.

Rev. Shoup intends going to Ohio, where he has taken a charge.

We have received the Aldine Chromo and it is pretty. A more perfect picture of a dog could not be made. It looked so natural that our two-year-old baby wanted to pat doggy and was not contented till she had put her hand on it.

It is understood that the original of this fine picture will be one of the many fine paintings held for distribution, through the new Art Union, to all subscribers for The Aldine.

The subscription price \$6.00, which includes The Aldine, one year, this Chromo, and one share in the Art Union distribution.

Stabbed.—On Wednesday evening a dispute arose in Swezey's bar-room in Newport, between Henry Penney and Samuel Kepner, both of that borough, when the latter stabbed Penney several times with a dirk knife, which had evidently been prepared for the occasion. The wounds were mostly made in the bowels, and are 3 to 4 inches deep. Kepner was arrested and taken before Esquire Zinn, who committed him to await the result of Penney's injuries. Constable Wells of New Buffalo, brought the prisoner to this borough, and placed him in charge of Sheriff Rinesmith, at about 9 o'clock on that evening. The wounded man we learn is in a fair way to recover.

A Narrow Escape.—On Tuesday last, a buggy belonging to Capt. C. Roth, of this borough, and containing two boys, named James Work and Frank Long, was tipped over near town by driving the wheel on to a stump beside the road. The reins at the time of the accident were held by Frank, a five year old son of Ephraim Long, Esq., and though the little fellow was somewhat out in the head, he earnestly inquired as soon as he got up after the safety of some chickens that they were bringing to town.

As some of the employees of Messrs. A. H. Blair & Son were drawing some loaded coal cars from the main track on the siding, at the upper yard, one of his finest and most serviceable horses slipped and fell, the car passing over one of his hind legs, breaking and mashing it, rendering it necessary to kill the animal.

Mrs. Minnich, wife of John Minnich, of Shippensburg, died suddenly on Thursday morning about one o'clock, from apoplexy, a disease from which she had attacks previously. She appeared in her usual health at nine o'clock Wednesday evening, but was shortly after taken with sickness with fatal results as above stated.

During the last term of the Court of Quarter Sessions, there were five persons sentenced to the Eastern Penitentiary from this county. In one case an application has been made to the Supreme Court for a writ of error, which will detain the prisoner in the case, until the determination of the verdict. The other four were taken to Philadelphia, the early part of this week by Sheriff Totton.

On Thursday last, Officer Matthews arrested a young man, living on a farm a few miles east of Carlisle, on the charge of assault and battery and attempted rape. This is a very aggravated case, if all reports that reach us are true; but in the absence of any positive information, we must decline giving any particulars. We will, however, say that the Stone fort at the corner of Main and Bedford streets now holds fast the author of this unfortunate and unprovoked criminal act.

Junata County.—From the Millintown papers we copy the following: David Smith bought the Christian Y. Shelley farm in Delaware township, for which he paid \$9,000.

J. W. Hamilton, Administrator of David Kurtz, deceased, sold the farm in Walker township belonging to the said deceased, and containing sixty-five acres, one day last week, for \$5,800.

On last Wednesday, Daniel Metcalf, an employe of the Port Royal handle factory, while engaged in sawing on a circular saw, got his three first fingers on the left hand torn so badly on the saw that the first and third fingers had to be amputated. The second finger, it is thought can be saved. Drs. Graham and Shelley did the amputating.

A thief visited the turkey roost of Mr. John T. Metlin, Register and Recorder of this county, a few nights ago, and stole three turkeys. On the same night thieves stole four turkeys from the roost of Mr. Ephraim Lauer, in Milford township; but as thieves are not confined to either latitude or longitude, it is not surprising to hear that they have been operating about turkey roosts on this side of the river. The loss of five fine turkeys from the roost of Mr. John Stoner, of Fermanagh township, attend the fact.

Oh, Carrie, I've got a new feller; perfectly splendid! The other one was too miserable for anything." Blings overhears this extraordinary language of his beloved Julia, and thinks it is all over with him, and that the world is hollow. Poor fellow! how is he to know that the dear girl is only talking about the feller she had got for her Singer Sewing Machine of F. Mortimer.

Dr. Sweeney, of New Bloomfield, Pa., can be consulted as usual on all Chronic diseases, requiring skillful medical treatment, or delicate and difficult Surgical operation for their cure.

Shameful Rowdism.

A subscriber who is opposed to call-thumpian serenades, (and all sensible people are in these days,) asks us to publish the following:

Mr. Editor:—If there "is a time when forbearance ceases to be a virtue," it is when the good, order-loving people of a neighborhood are insulted and annoyed by a band of prowling rowdies. A shameful proceeding of this kind disgraced our village a few evenings since. A young couple unostentatiously, civilly and lawfully, called upon our worthy minister to be married. The arrival of the candidates for matrimony was the signal for beadam to collect its howling, prying forces. The minister's house was no asylum to the young pair; nor was there sufficient respect for a worthy minister of the gospel to secure his house from eavesdroppers. The minister closed his window blinds, that he might proceed with the marriage ceremony unmolested. Hearing a child's voice outside he went to the door, and saw, along with boys and men (?) women—some with children—running to hide from his view. One woman had two little children with her. For sake of the order-loving people of this place, do not tell where this occurred; but let this be a warning that such proceedings will not be tolerated. SHAME

ELLIOTTSBURG, Nov. 27th, 1874.

Mr. Editor:—According to appointment a number of persons interested in education and mental improvement, met in the school house in this place last evening, for the purpose of organizing a Literary Society. The meeting was called to order by Mr. J. M. Dum, who pointed out the advantages of a Literary Society, after which Mr. S. D. Stambaugh, of Greenpark, was chosen President and Mr. Joseph Kistler Secretary, pro tem. About one dozen persons were then initiated as members of the Society, and the following officers elected to serve one month: President, Mr. S. D. Stambaugh; Vice President, G. W. Rice; Secretary, J. M. Dum; Assistant Secretary, Mr. Hench; Critics, John Rice and Joseph Kistler; Janitors, David Hench and Henry Kistler.

The society was named the "Excelsior Literary Society. Question for next Monday evening "Resolved that the works of nature are more pleasing to the eye than those of art." Affirmative John Rice, negative J. Beenner. J.

Cumberland County.—From the Cumberland county papers of last week, we copy the following:

The Shippensburg News make the following astonishing report of the effects of the storm. "The storm of Tuesday night was quite destructive in many places. These precincts escaped no injury that we have heard of.

At the recent annual election held at the Farmers' Bank, the following gentlemen were elected directors for the ensuing year: Messrs. R. Given, Thos. Faxton, W. H. Miller, Jno. W. Craighead, Abram Witmer, and John C. Heikes.

As some of the employees of Messrs. A. H. It is useless to attempt to cleanse a stream while the fountain is impure. Dyspepsia, complaints of the liver and kidneys, eruptions of the skin, scrofula, headaches, and all diseases arising from impure blood, are at once removed by Dr. Walker's California Vinegar Bitters, purifier of the blood, and renovator of the system. It has never been known to fail.

We have often wondered whether there is a person in the country who does not know and appreciate the value of Johnson's Anodyne Linctus as a family medicine? It is adapted to most all purposes, and is the best pain destroyer that can be used.

Farmers and stock raisers have frequently told us that they have seen very good results from giving Sheridan's Cavalry Condition Powders to cows and swine before and after they drop their young. The powders put them in good condition, and give them strength to care and provide for the sucklings.

THE SUN.

Weekly and Daily for 1875.

The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully and fearlessly.

THE WEEKLY SUN has now attained a circulation of over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and power.

THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unnecessary, and full length when it is moment, and always, we trust, in a clear, interesting and instructive manner.

It is our aim to make the WEEKLY SUN the best family newspaper in the world. It will be full of entertaining and appropriate reading matter of every sort, but we print nothing trivial, and the most careful and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and written by our own staff.

The Agricultural Department is a prominent feature in the WEEKLY SUN, and its articles will always be found fresh and useful to the farmer over the Union. The number of men independent in politics is increasing, and the WEEKLY SUN is their paper especially. It belongs to no party, and obeys no dictation, contenting for principle, and for the selection of the best men. It exposes the corruption that disgraces the country, and throws the country of republican institutions. It has no fear of any man, and its words are its own from their supporters.

The markets of every kind, and the fashions are regularly reported in its columns.

The price of the WEEKLY SUN is One Dollar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of paper and printing, we are not able to make any discount or allow any premium. Friends who may make special efforts to extend its circulation, under the terms of a special rate, will be sent a copy of the WEEKLY SUN at the rate of a club in order to have the WEEKLY SUN at this rate.

Anyone who sends one dollar and twenty cents will get the paper, post-paid for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.25 a year, postage prepaid. No discounts from the price.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 100,000. All the news for 2 cents. Subscription, postage prepaid for a month, for \$1.00 a year. To clubs of 15 or over, a discount of 20 per cent. is allowed.

"WILD OATS." PROSPECTUS FOR 1875.

THE CHAMPION AMERICAN Comic Paper.

ILLUSTRATED by a corps of the best American artists, and contributed to by the most popular humorists of the day.

WILD OATS now enters successfully upon the sixth year of its existence, and has become the established humorous and satirical paper of the United States. It was started in the first year as a monthly, then, to satisfy the demand of the public, it was changed to a fortnightly. Still continuing its good work of hitting folly as it flies, and showing up the political and social shams by its masterly cartoons and pungent editorials, it achieved even greater success before, and was recognized as the ablest and brightest of its class. Since then, we have yielded still further to the public demand, and now publish WILD OATS weekly! It has literally grown into its present shape on its intrinsic merits, being the first successful weekly humorous paper ever published in this country.

Among the artists especially engaged to furnish illustrations for WILD OATS are Frank Bellver, Thomas Worth, Hopkins, Wales, Skelton, Wolf, James Keetley, Stuckhardt, Day, Poland, and several others who are yet unknown to fame.

In its literary departments WILD OATS will, as it always has, stand alone and unapproachable—At least one first-class serial story will always be found in its pages, by the best humorous, satirical, and character writers in the United States; while its sketches and squibs will be sparkling, original, and pointed.

WILD OATS will be first-class in every particular, and on this account may be taken into the best families without fear or suspicion, as no word or illustration will appear that can offend the most fastidious.
