Weasels and Rats.

filteen months ago captured three trust I' young wensels, which he has a recentol in domesticating and making very usuful. His farm is situated not far from the Ohio and Mississippi Railroad near a station. Prior to the completion of the road he was never both ered with rate, but shortly after itcompletion his premists were raided with an immense number of the mischievons little animals, and they worked most destructively in his barn and grain stack. As the weasels grew to full strength they took ospecial deligh in "rutting," and so successful were THE GREAT RADICAL NEWSPAPER they in the destruction of these vermine that now a rat is seldem seen on the the farm. The wearel family bus now increased to five and they beat al the terrier dogs in the neighborhold in rat killing and rat bunting, being so small that they can enter any ordinary sized rat hole. The gentleman says every morning, (except Sundays.) he would not sell these weasels for \$50 TERMS: apiece, as they each save him that sum every twelve months by destroying the for six months; \$1.00 for three months. destruction of his corn, wheat barley, and other grain.

D. T. BOUND Sup't. Ayer's Cathartic Pills.

Perhaps no one medicine is so universally required by everybody as a calamile, nor was ever any before so universally required by everybody as a calamile, nor was ever any before so universally adopted into use, in every country and anonally adopted into use, in every country and anonally adopted into use, in every country and anonally and it classes, as this mild but edicient purpative Pill. The obvious reason is, that it is a unor reliable and far more effectual remedy than any one, know that it cured them; those who have not, know that what it does once it does always—that it acver fails through any fault or neglect of its composition. We have thousands upon thousands of certileates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by any body. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm em arise from their use in any quantity.
They operate by their powerful inducate on the internal viscent to purify the blood and aliminate it into healthy action—remove the obstractions of the stomach, bowels, liver, and other organs of the son, for the fellowing complaints, which these Pill's appelly cure:—

nts as are the first origin of disease.

Inute directions are given in the wrapper on hox, for the following complaints, which these
Us rapidly error.

se is generally required.

For Rheumatism, Gout, Gravel, Pulpition of the Heart, Pulp in the fide, ack and Loins, they should be continuously ken, as required, to change the diseased action of a system. With such change those complaints stancer.

the system. With such change those complaints disappear.

For Bropsy and Bropsical Swellings they should be taken in large and frequent doses to: roduce the effect of a drastic purge.

For Suppression a large dose should be them as it produces the desired effect by sympathy.

As a Binner Pill, take one or two Pills te promote digestion and relieve the stomach.

An occasional dose stmulates the stomach and bowels into healthy action, restores the aspectic, and invigorates the system. Hence it is often advantageous where no serious derangement exist. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

DR. J. C. AYER & CO., Practical Chemiets,

Ayer's Hair Vigor,

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth, Thin hair is thick-

ened, falling hair checked, and baldness often, though not always oged by its use. Nothing can rectore the hair where the follicles are descrayed, or the glands atrophied and decayed. But such as remain case the 2xc. for usefulness by this aprix bea. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous, Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and

HAIR DRESSING. nothing else can be found so desirable.

Containing neither oil nor dye, it does not soil white cambrie, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
