THE POST.

MIDDLEBURG,.....JULY 14, 1870.

TOWN AND COUNTRY.

The season for trout fishing expires by law, on the 1st of August.

At the recent Commencement of Franklin & Marshall College, Rev. J. Casper Bucher, of Lewisburg received, the honorary degree of D. D.

One Hundred Men, to whom good wages will be paid, are wanted to work on the Sunbury and Lewistown Railroad. Apply to any of the sub-contractors on the road.

Col. L. L. Tate, has commenced the publication of a new paper at Williamsport called the *The Williamsport Sun and Lycoming Democrat* It is an eight page paper of good size, and presents a neat appearance.

The Corner-Stone of a new Evangelical church to be erected at Centreville, will be laid with appropriate ceremonies on the 24th inst., at 10 o'clock A. M. A general invitation is extended to the public to be present.

Messrs. Moyer & Bowes, of the Keystone Saw and Planing, Mill, in Selinsgrove, are prepared to furnish, at the lowest market rates all sizes of doors sash, blinds, frames, mouldings, floor boards, &c., &c., at the shortest notice.

The boys of this town are somewhat excited just now because the agent of Thayer's Circus made arrangements to give an exhibition in Adamsburg instead of Middleburg. Never mind, boys, there are "cusses" enough here. We can do without the travelling ones.

The meeting of the Agricultural Society, to fix on a place for holding the Fair, will be held in the Court House in three weeks from Saturday. Are our citizens ready to offer any inducements to have it here? If not, it is high time that we go to work if we want it.

We learn that there is a project on foot to establish a second Bank in Selinsgrove, and that a large amount of stock has already been subscribed.

By the way, what has become of the project of establishing a Bank in this place? Can any one tell?

We see that in some of our neighboring counties arrangements are being made to hold a grand Harvest Home, or County Pic-Nic. We think that it would be a good thing to have something of the kind in this county sometime in the latter part of next month. Who will be the first to move in the matter? Don't all speak at once.

Enos F. Walter was last week tried before the Supreme Court at Williamsport upon the charge of running an illicit still, was found guilty and sentenced to pay a fine of $1,000 and serve an imprisonment of one year in our county jail. Mr. Walter is at present boarding with Sheriff Wolt at the expense of the county. We hope that he may be pardoned shortly.—*Snyder County Tribune.*

Mr. Walter was *not* tried "before the *Supreme Court*," but by a *District* Court. Neither is he boarding with Sheriff Wolt at the *"expense of the county."* The *State* will be called upon to pay that little board bill Snyder county has enough to pay at present.

Not Taxable.—It will interest many of our substantial readers to know that Judge Warren J. Woodward it is stated, has recently made a decision that all Mortgages and Judgements are free of State Tax. The County Commissioners of Berks county had the impression that Mortgages and Judgements given as purchase money for real estate or for the improvement of the same, were free of tax, and that Mortgages and Judgements given for money lent for other purposes were taxable. In an amicable suit to test the question Judge Woodward rendered the above decision in the case.

Ballou's Monthly Magazine for August.—Prompt to time comes Ballou's Magazine for August, freighted with a remarkable store of good things in the shape of reading matter. The opening article is an illustrated chapter on billiards, and then follows pictures of Havana, and several engravings of interest to the general reader. Among the stories are two gen-yarns of the first quality, several for lady readers, two for children, and tales of adventure and daring that all must like. On the whole, Ballou's Magazine is about the best and cheapest publication to be found in this or any other country, for it is only $1 50 per year, or 15 cents single copy, and is for sale at every periodical store in United States. Adress Thomes & Talbot, Boston, Mass.

The Railroad.—The contractors who have undertaken to grade the S. & L. R. R., are doing their best to complete the work before the close of the year, and if the laborers can be had, the grading of the entire road will be finished before the first day of January 1871. The only drawback to the early completion of the road is the scarcity of laborers. At Selinsgrove the work on the bridge is progressing rapidly under the management of Mr. Cresswell; and Mr. Gaugler has almost completed the grading of his section of the road near that place. The cut opposite this place will be finished this week. This will leave only about two miles to be graded between Selinsgrove and a point about two miles this side of Beavertown. Near the latter place, Mr. Thos. McGovern is pushing the work forward with all possible speed. West of Adamsburg there is another party at work who are pushing things

Agricultural Implements, hoes, grain rakes, long and short spades, shovels, manure and hay forks, grass and grain scythes, grain cradles, trace, breast, tongue and log chains, grindstones, &c., &c., as low as can be bought at any other establishment, for sale at the Selinsgrove Hardware Store. Call and see.

OBITUARY.

Rev. Jeremiah Shindle, an able and influential minister of the Luthern Church, and brother of Rev. J. P. Shindel of this place, died at Allentown, Lehigh county, Pa., on Saturday last, in the 64th year of his age. The deceased was the eldest son of Rev. John Peter Shindel, formerly of Sunbury, Pa. He was born at Lebanon, Pa., and in his youth had selected the printing trade as his calling, to which he was aprenticed at Harrisburg. Subsequently, however, he studied theology under his father, and was licensed to preach the gospel by the Pennsylvania Synod, Rev. Dr. Demme officiating. His first pastorate was in Columbia county, Pa., where he preached from 1830 to 1838. He then removed to Lehigh county, near Allentown, where he served a number of Lutheran congregations, with marked acceptance, for a period of twenty-two years, organizing a number of churches. In the year 1859 he was elected a member of the State Senate from the district composed of Lehigh and Northampton counties, serving a term of three years. In the spring of 1862 he accepted the position of chaplain to the 110th Regiment of Pennsylvania Volunteers, serving for two years under Generals Shields and Banks in the Shenandoah Valley. He returned home, and in 1866 accepted a call to congregations in Lykens Valley, Dauphin county, where he labored until four months ago, when he became disabled by sickness. He then came to Allentown, where he died, on Wednesday last. His remains were committed to their kindred dust in the presence of a vast concourse of friends and admirers. Rev. Jeremiah Shindel was a highly gifted divine, a *pastoral* orator, and possessed elements of strength and popularity possessed by but few.

Patented May 10th, 1870.

We take pleasure in offering our new stove to the Stove Trade, as the best Coal Stove ever introduced to the public. It is simple in construction, durable, and will give perfect satisfaction in every particular. Those wishing to purchase a stove of this kind will find it to their advantage to call and examine before purchasing elsewhere.

This Stove has been carefully tested for several months, and has proved to be highly satisfactory. Our object in introducing this stove is to give more room to the upper portion of the oven, a great convenience to cooks. It is also the best low stove in use, and will be recognized as a great improvement in baking.

The fire-pot is so arranged as to give more room for the upper portion of the oven, a great convenience to cooks. It is also the best low stove in use, and will be recognized as a great improvement in baking.

DOTY'S CLOTHES WASHER.

The best, cheapest, and most popular Washing Machine ever invented.

It is easy to operate, sitting or standing; takes but little room; injures no garments; does its work from its two to four Minutes; is durable and convenient, and the only Washing Machine that could be used better the longer it is used.

THE UNIVERSAL CLOTHES WRINGER.

The "GREAT LITTLE ECONOMIZER."

The terror of the Patent rail or Mangle is a "Wringer." Years of experience proclaim to be a most successful Washing.

When we reduce every inventory for most ingenious to a principle they all depend to that of pressing and squeezing, and forcing the water through them, thus removing the dirt. Most Washing Machines do it by rubbing. The Universal Wringer does it by pressing.

BUGGY MAKER,

SELINSGROVE, SNYDER CO., PA.

Having purchased the well known stand in Selinsgrove, formerly owned by Philip Blecker, I am prepared to accommodate all who may desire anything in my line, and warrant satisfaction in all cases. I keep constantly on hand, and am prepared to manufacture at the shortest notice,

BUGGIES,
SULKIES,
SLEIGHS, &c.

Being experienced in the business, I flatter myself that I am fully prepared to meet the wants of my customers. The hands employed are among the best mechanics in the county, and their work will not fail to give universal satisfaction.
