It is to be regreted that the Committee on Education and Labor were not able to present their report in senson for it to have been acted on before the close of the session. Nevertheless, General Howard stands accult it will be for Belgium, Holland, and Denmark to refrain from taking quited before the country, his fair name and reputation untarnished by the trying ordeal through which be tassed to avoid using the two former for battle grounds, as has hitherto

which (although it may severely arfect our interests) common-sense tells
us we should avoid meddling with?

Such a concession as the fectionate. She was very "fond of
France and hurtful to Prussia, or
children," and premised to do all in

the gailant and faithful officer, and did its best to drag him down from the envisible position he has so long occupied in the hearts of the American people and bury him in disgraceful oblivion. The opportunity of revenge upon one who has done so much to prevent the accomplishment of their designs, who has rendered such eminent service in the cause of freedom, and whose efforts for the calightment of the colored people of the South have been so greatly successful was too valuable to let pass unimproved.
