

What is Life?

A little crib beside the bed,
A little face above the spread,
A little flock behind the door,
A little shoe upon the floor.

A little lad with dark brown hair,
A little blue-eyed face and fair,
A little lane that leads to school,
A little pencil, slate and ruler.

A little Missesome, winsome maid,
A little hand within his laid,
A little cottage, acres four,
A little old time fashioned store.

A little family gathered round,
A little rart heepled, rear-devel mound,
A little's bedded to his side,
A little rest from hardest toil.

A little silver in his hair,
A little moon, and easy chair,
A little night of earth in bloom,
A little courage to the touch.

Billings' Advice to Girls.
If husbands could be took on trial,
As cooks are, few-thirds of them would
Probably be returned, but there don't
Seem to be any law for this. There-

fore, girls, you will see that after you
get a man you have got to keep him, even
if you lose on him. Consequently, if
you have got any cold vittles in the
house try him on them once in a while
in scouring season, and if he swallows
them well and easy, he will take some
more he is a man who, when like
Monday evenings, will wash well.

Don't marry a phello who is always
a welling low his mother, duz things.
A man whose whole belt lies in his
nursick (and not very hefty at that) is
not better for a husband than a seed
liz powder, but if he loves true listen
while you sing some gentle ballad you
will find him mellow and so soft.

But I must say one thing, girls. If
you can find a bright-eyed, healthy and
well ballasted boy, who looks upon
poverty as sassy as a child to his upon
wealth—who had rather sit down on a
curbston in front of the 5th avenue
hotel and eat a ham sandwich than to
go inside and run in debt for his dinner
and tooth-pick—one who is as armed
with the kind of pluck that mistakes
a defeat for a victory, my advice is
to marry him in a trice, for he is a stray
trout, or a kind skate in our waters.

Take him, I say, and bid him to
az horrets build onto a tree.

All the Difference.
On one occasion a young and zealous
lawyer, not over punctilious in his
adherence to the court, nor very formal
in his manner, was arguing a question
before a judge, and in the course of his
argument, by way of illustration,
wished to suppose a case.

"We will suppose, your honor," said
he, "that your honor were to steal a
horse—"

"No, no, no," interrupted the judge.
"not at all; not at all." "Tain't a sup-
posable case, Mr. S., taint a supposable
case."

"Very well, begging your honor's
pardon," proceeded the eager lawyer,
"with more zeal than prudence, "very
well; then supposing that I should
steal a horse—"

"Ah, yes, yes, yes," said the
judge; "that's a very different thing
very likely, Mr. S., very likely. Pro-
ceed, Mr. S."

Mr. S. proceeded to take a seat,
amidst the shouts of his brethren, and
had the good sense to take the joke in
good part, and repeat it often to his
friends.

J. S. BURKHART, Selinsgrove, Snyder Co., Penna

Keeps constantly on hand a large and
well made assortment of Tin, Sheet-iron
ware, Stoves, &c., &c.
He is Agent for the following named
articles.

"THE MORNING GLORY."

Littlefield's Patent Improved Base Burning
COAL STOVE.
In this pattern of THE MORNING GLORY,
several new and important features have
been embodied, which can only be seen to
be admired. This new stove is made en-
tirely of cast iron, so fitted as to be airtight,
and can be made with sheet-iron apper-
tion when preferred by the purchaser.
Its ornamental finish is drapery, making it
a handsome piece of furniture, far more so
than any stove heretofore made. Its in-
ternal construction, though resembling
some of the former patterns of The Morning
Glory, is quite different, making it more
durable, and far less difficult to be repaired.
The castings are of the highest order, fully
equaling the finest castings made in this
country.

Among the many ADVANTAGES in the use
of the Morning Glory are the following:—
1. Continuous Burning. 2. Quality of the
Heat. 3. Ventilation through the stove.
4. Anti-Back Draft. 5. No Escape of Gas.
6. Economy of Fuel.

"THE BARLEY SHEAF"

Anti-Dust Air-Tight Cooking Stove,
with Extended Fire-Box
for Wood or Coal.
Patented May 19th, 1895.

We take pleasure in offering our cus-
tomers the Stove Trade, a New First-Class
Flat-top, and would call particular attention
to its many attractive and valuable improve-
ments.

This Stove has been carefully tested for
several months, and the results have proved
so highly satisfactory, that several of our
oldest and most experienced stove dealers
prefer for it a safe far beyond our ability
to supply this season.

An additional side in the oven, so arranged
as to give more room in the upper part of
the oven; a great convenience much needed.

The oven is nearly as wide at the top as
at the hearth line, which not only increases
the size, but will be recognized as a great
advantage in baking.

DOTY'S CLOTHES WASHER.

The best, cheapest, and most popular
Washing Machine ever invented.
It is easy to operate, sitting or standing;
takes but little room; injures no garments;
finishes its work from in two to four Min-
utes; is durable and convenient; and the
only Washing Machine known that is liked
the better the longer it is used.

THE UNIVERSAL CLOTHES WRINGER

The "GREAT FAMILY ECONOMIZER."
The terms of our Patent call our Machine
a "Wringer." Years of experience prove
it also to be a MOST EXCELLENT WASHER.
When we reduce every invention for wash-
ing clothes to a principle that all amount
to that of pressing and squeezing, and
forcing the water through them, thus re-
moving the dirt. Most Washing Machines do
it by rubbing. The Universal Wringer
does it by pressing.

Ayer's Cathartic Pills.

For all the purposes of a Laxative
Medicine.
Perhaps no one medi-
cine is so universally re-
quired by everybody as
a cathartic, nor was ever
any before so univer-
sally adopted into use, in
every country and among
all classes, as this mild
but efficient purgative
Pill. The obvious rea-
son is, that it is a more re-
liable and far more effec-
tual remedy than any
other. Those who have
tried it, know that it cures them; those who have
not, know that it cures their neighbors and friends,
and all know that what it does once it does always—
that it never fails through any fault or neglect of
its composition. We have thousands upon thou-
sands of certificates of their remarkable cures of it,
in every neighborhood, and we need not publish them.
Adapted to all ages and conditions in all climates;
containing neither calomel or any deleterious drug,
they may be taken with safety by anybody. They
sugar coating preserves them ever fresh and makes
them pleasant to take, while being purely vegeta-
ble no harm can arise from their use in any quantity.
They operate by their powerful influence on the
internal viscera to purify the blood and stimulate it
to healthy action—remove the obstructions of the
stomach, bowels, liver, and other organs of the
body, restoring their irregular action, such obstruc-
tions as are the first origin of disease.
Minute directions are given in the wrapper of
the box, for the following complaints, which these
Pills rapidly cure—
For Dyspepsia or Indigestion, Listless-
ness, Langor and Loss of Appetite, they
should be taken, moderately to stimulate the stomach
and restore its healthy tone and action.
For Biliousness and its various symp-
toms, Bilious Headache, Sick Headache,
Jaundice or Green Stools, Bilious
Colic and Bilious Fevers, they should be
regularly taken for each case, to correct the disor-
der or remove the obstructions which cause it.
For Constipation or Diarrhoea, but one mild
dose is generally required.
For Rheumatism, Gout, Gravel, Palpita-
tion of the Heart, Fat in the Side,
Back and Loins, they should be continuously
taken, as required, to change the diseased action of
the system. With such change those complaints
disappear.
For Dropsy and Dropsical Swellings they
should be taken in large and frequent doses to re-
duce the effect of a drastic purge.
For Suppression a large dose should be taken
as it produces the desired effect by sympathy.
As a Diarrhoeic Pill, take one or two Pills to pro-
mote digestion and relieve the stomach.
An occasional dose stimulates the stomach
and bowels into healthy action, restores the appetite,
and invigorates the system. Hence it is often ad-
vantageous where no serious derangement exists.
One who feels tolerably well, often finds that a dose
of these Pills makes him feel decidedly better, from
their cleansing and renovating effect on the diges-
tive apparatus.
