REPUBLICAN MEETING.

In pursuance of a call of the Republican Standing Committee of this county, a meeting was held in the Court House last Tuesday afternoon which was well attended.

At half past one o'clock, P. M. the meeting was organized by electing the following officers:

President—George Hillbish.

Vice Presidents—Jacob Gross, Henry Ulsh, Daniel Weirick, Esq., Daniel Rohrer, Esq., Jacob C. Hassinger, Jacob C. Ulrich, Samuel Wittenmeyer Simon Row, Capt. John Helm, Samuel Pawling, George Boyer, M. G. Shellenberger, Dr. B. F. Wagenseller, William Keller Joel Row.

Secretaries—C. F. Moyer, L. S. Myers, John A. Eitinger, Wm Haus, S. A. Wetzel.

Commitee on Resolutions—S. Alleman, Esq., Wm. Moyer, Wm. G. Herald, A. G. Middlesworth David Reichley.

Hon. John B. Packer, our worthy candidate for Congress, was then called for, and in response he proceeded to address the meeting in a very neat, interesting and impressive speech, which was listened to with marked attention by the audience.

The committee on Resolutions then reported the following:

Hon. Henry Johnson our candidate for State Senator, was the next speaker. He was followed by Hon George Miller. The latter Gentleman's speech closed the meeting.

Excellent music was furnished by the Freeburg Cornet Band.

THE Democratic ticket of this county which was sadly demoralized by the number of the nominees declining to remain in the field, was reconstructed by the Standing Committee on Monday last, by nominating Daniel Boyer for Assembly, in place of Jon Cummings; John M. Dauberman for Prothonotary, in place of P. Teats, Esq.; and T. J. Smith Esq. District Attorney, in place J. W. Knight, Esq. For want of a practical surveyor who would accept it, no nination was made for that office.

OUR candidates for Senator and Ase of Representatives pledged themselves to wield their influence wherever whenever it is required to hasten construction and advance the interests of the Sunbury and Lewistown Road. They pledge themselves to support every measure which tends to economy, retrenchment, and a judicious politic management of the State Government. Let them be elected.

SENATOR Oliver P. Norton, of Indiana has been appointed Minister to England.

A FEW PLAIN FACTS.

Fellow Republicans, if their are any personal feelings of disappointment, or any thing else which tends to disturb the unity of the party or diminish the chances of complete success in the coming election, for the sake of that unity, the success of the party and its principles, and for your individual and collective personal and political interests, lay them aside and secure thereby a triumphant and substantial victory over democracy on the 21 Tuesday of October next.

There are but few issues in the present campaign, though vitally important; and what they are you already know. Above all we must sustain the principles of the Republican party and maintain its supremacy, because, it is the party which fought the war to victory and gave prosperity to the nation; reduced the national debt $173,000,000; curtailed the expenses of government and reduced taxation; and the party which crushed that despotism which restrained the liberty of the press, curtailed the freedom of speech, denied the broadest rights of free discussion and enslaved 1,000,000 of human beings; because, it is the party which wrenched the Government from the hands of the Democratic party on the eve of bankruptcy and gave it new life and vigor, and proclaimed equal rights and equal justice to all men, thus placing us at the head of civilization.

The men whom we have nominated are the exponents of the party, and are men of ability and fitness for the offices to which they have been nominated. Hon John B. Packer, our candidate for Congress, has been renominated without opposition—is a gentleman of eminent legal ability, high moral character, an honest, dignified Representative, and reflects credit upon the wisdom of his constituency. Hon. Henry Johnson, our candidate for Senator, Hon. Theodore Hill, Scott Clingan, Esq., and Capt. Harding, candidates for the House of Representatives, are accomplished gentlemen, esteemed and honest citizens. Hon. Henry Johnson and Hon. Theodore Hill have already represented us in the Legislature of Pennsylvania and have received everywhere the highest commendations for their integrity, honesty of purpose and unmeasured zeal and activity in guarding and advancing the interests of the people of this Commonwealth. Remember, soldiers, Henry Johnson originated and secured the Bill which gave you the right of exercising the highest perogative of the American citizen,—the right to vote while in the military service of the United States,—for this one act alone he has built a reputation as lasting as the eternal hills, and justly merits the gratitude and esteem of the survivors of the 200,000 brave Pennsylvanians who went forth to do battle for their country.

In this connection we may say to you, soldiers of this Senatorial District, Andrew H. Dill, the Democratic candidate who aspires to represent you, devoted his time to defeat your right to vote and his talents in denying your sovereignty. Tax payers, it is perhaps well to call your attention again to the fact that Andrew H. Dill, the Democratic candidate aforesaid, while a Member of the House of Representatives last winter, was the most zealous advocate of the "Border Raid Bill" whereby *millions of dollars would have been drawn from the Treasury for the payment of fraudulent claims*. There is also a small matter of $1 or $5000, of the people's taxes invested by Mr. Dill in getting up a straight line along the top of Jacks Mountain to determine when and where the *rattle-snakes* of Union county become trespassers. Taxpayers, don't you think we have experimented with Andrew about as much as is wholesome? Let every good citizen give a hearty support to Henry Johnson and drafts on the Treasury for small amounts as above stated need not be drawn.

Our candidate for Legislature, Cap. William Harding, has entered into the most solemn obligations not to resuscitate the county-seat question, and we have every reason to believe that he will, if elected, exercise the duties of his office to promote the interests of his constituency. He is an industrious, honest, upright man; and if there is one man in this Legislative district who has claims on the people for services rendered the country in her hour of peril, that man is our candidate for the Legislature.

It is vastly more important that we elect our Senator and Representatives at this time than at any other—not only must we maintain our party supremacy, but this winter the State will be re-districted and should the Legislature fall into the hands of the Democracy we will be tied to the tail of a Democratic district, a situation wholly distasteful to every Republican in the county.

Let us not underrate the importance of the impending struggle, but do *you* [illegible]

ROBBERY.—At Northumberland, last Thursday night, as the watchman was entering the First National Bank, two men sprang from under the counter, drew a cap over his head and tied him. Then then tried to open the vault, and failing, blew out the vault and side of the building with powder, but failed to get the safe open. The bank lost nothing; but several private boxes containing Government bonds, etc., were robbed of their contents. A reware of $500 is offered for information leading to the detection of the thieves.

DEMOCRATIC SPLIT.—It seems that there is a split between Montour and Columbia counties on the question as to who shall be their nominee for the Legislature. The conferees at their first meeting failed to agree. The Montour delegates insisted on the nomination of Thomas Chalfant, Esq., editor of the Danville *Intelligencer*, and the Columbia delegates, at the dictation of Buckalew, who has sworn eternal enmity to Chalfant, insisted on another man. Failing to agree they adjourned to another meeting. At the second meeting there was no more prospect of harmony than at the first, and the Montour delegates withdrew and nominated Chalfant. The Columbia delegates then went to work and nominated L. B. Rupert as their candidate. As matters now stand there is a bitter feud between the two counties. The Chalfant men affirm that they will scalp the Buckalew man, and in turn Buckalew declares that Chalfant shall not go to the Legislature.

CAMPBELL'S ZOOLOGICAL & EQUESTRIAN INSTITUTE.—By references to an advertisement in to day's paper it will be seen that Campbell's Mammoth Show will visit this place on Wednesday, October 12th, at which time the dwellers in this community will have an opportunity of witnessing one of the finest and largest collections of living animals now on exhibition, together with a splendid circus troupe, composed of the most talented artists know to the gymnastic arena. One ticket admits to both menagerie and and circus. For the benefit of those persons who desire to view the wonders of the menagerie without witnessing the circus performances, the doors will be open one hour previous to the commencement of the circus performance, thus affording ample time for a study of the wonderful brute creation, from all parts of the world, as exhibited in those massive dens. The menagerie is said to be of itself alone worth the price of admission. For a list of the animals see advertisement. Signor Balive, the world-renowned lion king, will enter the den of lions at each exhibition, and exhibit the wonderful power which man possesses over the King of the Forest. The clowns are those inimitably funny fellows, Stickney and Ward, whose reputations are world-wide, and whose side-splitting eccentricities and irresistable comicalities always form an attractive feature of of the entertainment. Price of admission fifty cents. Children under ten years of age twenty-five cents. Remember day and date. A great crowd will, no doubt, be in Middleburg on that day.

OBITUARY.

[We copy the following from a late number of the National *Baptist*.]

DIED.—In Selinsgrove, August 24th, 1870, Harriet, wife of John Cummings, in the 61st year of her age.

Sister Cummings was one of the constituent members of the Selin's Grove Church, having been baptized upon a confession of faith in Christ, by Rev. A. K. Bell, previous to its organization. She was a sister of the Hon Thomas Bower, of Middleburg recently bereaved of a son,—George K. Bower,—in the disaster of the Oneida, in Yokohama Bay, on the 23d of January, 1870; and also of Rev. V. Bower, of Lena, Ill., formerly Pastor of Selin's Grove Church.

Both the neighborhood, the family, and the Church, feel sensibly the loss they experience in this sad bereavement, for she was a woman of noord nary ability. In her life the religion of Jesus found a good illustration; for she lived not unto herself. Her highest object in remaining here seemed to be to make others happy; and in a multitude of cases she met with abundant success. No unkind words passed in her household during her married life of forty years, nor in all that time was her husband able to detect a single fault. But this noble spirit not only showed itself in the family, and among a large circle of relations; it pervaded the whole neighborhood in which she lived. She seemed to be a mother to everybody within the range of her influence, and there was room enough in her heart to include them all. No one—from the meanest beggar to the dearest friend,—ever left her house without feeling that it was good to visit her.

In the Church, she exerted a powerful but unconscious influence. She was foremost in every good word and work, and thus she "adorned the doctrine of our God and Saviour."

She closed her work on earth by pointing the departing spirit of her nephew, a lad of eighteen years.—Charles C. Bower, son of the late Dr. Charles Bower, of Harrisburg,—to the sinner's only hope, who passed away into the spirit-world on the 18th day of August, 1870, rejoicing in a precious but recently-found Saviour.

When she became concious that her work on earth was done, and the hour of her dissolution was at hand, the severance of even the dearest tie that bound her to earth caused her no sorrow. She freely forsook all for him who had given himself a ransom for her; and so, like a "shock of corn cometh in his season" she dropped the temporal, to enter more fully upon the unseen eternal.

The good must pass away, and while we cannot restrain the emotions of sorrow, we know she has gone to her everlasting rest and reward. Six ministers, of the different denominations, kindly mingled their words of instruction [illegible]

THE GREAT MEDICAL DISCOVERY!
Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS

MORE THAN 500,000 PERSONS Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true medicine, made from the native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the system, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell.

Also will be found an incurable case, provided the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Bilious Headache, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

In Bilious, Remittent, and Intermittent Fevers, these Bitters have no equal. For full directions read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.
