THE POST.

MIDDLEBURG.....FEBRUARY 28, 1871.

TOWN AND COUNTRY.

Committee Meeting.

The members of the Republican county committee will meet on TUESDAY FEBRUARY 28, 1871, at the Washington House, Middleburg. All the members of said committee are requested to be present. Business of importance will be presented.

D. B. MOYER
Geo. Y. SHINDEL, Secretary. Chairman.

Only five days more of winter-days remaining, according to the almanac.

In 1871, Lycoming Co., paid the principal ever $1,000.

The casting house of Glamorgan Furnace, Mifflin Co., was destroyed by fire, on Friday Night.

Next week being Court week persons coming to town will have a fine opportunity to subscribe and pay for the POST.

The scalp is made clean and sweet by applying Hall's Vegetable Sicilian Hair Renewer.

A singing concert, under direction of D. Moyer, will be held at Beavertown Saturday evening, Feb. 25th.

It appears that but one Muncy merchant out of nine advertises his goods in the Luminary—the only paper in Muncy. It is supposed the rest are too poor.

MESSRS. BRADLEY & GORDON, of the Lewisburg *Republican* have sold that establishment to Messrs. D. A. Beckley and H. Phillips, and purchased the *Montour American*, at Danville.

NO MORE GRAY HAIR.—Nature's Hair Restorative brings back the original color. It is not a dye, and clear as crystal. Contains nothing injurious. See advertisement.

ELOPEMENT.—The wife of Chas. Itzel, a German restaurant keeper in this place eloped recently with a German named Paul Hoy. She took their only child, a little girl, along with her, as well as Mr. Itzel's watch, money, best clothing, blankets, etc. It is thought the guilty pair have gone west. Mr. Itzel has wisely concluded to take no pursuit.—*Sunbury Democrat.*

WE print the advertisement of the American Watch Co. in another column. In addition to the large assortment of watches sold by this Company, they desire to call special attention to the Watch for railway engineers, conductors and expressmen and their Boys' Watch, which is now first placed on the market, and to which they desire to call the attention of *Young America*.

JACOB C. HASSINGER, of Franklin township lost two valuable horses lately in the following manner: About the 8th of January one of his horses, broke loose at night and going among the other horses, kicked two of them so badly that one was shot the next morning to end his suffering; the other one there was hopes of saving, but after doctoring at him until last week he too was shot. The two horses were valued at $400.

At the annual election for President and Directors of the Sunbury and Lewistown Railroad Company, held at Selinsgrove on Tuesday, February 14th 1871, the following named gentlemen were duly elected to serve the ensuing year:

President—A. C. Simpson, (re-elected.)
Directors—Moses Specht, F. J. Schoch, of Snyder county, Wm. Painter, Jas. M. Sellers, D. R. Walker, of Phila. Franklin Gundore, of Reading, Andrew Reed, of Mifflin county.
Treasurer—J. G. L. Shindel.
Secretary—J. H. T. Jackson.

THE RAILROAD.—In a report lately made by Col. Simpson, President of the S. & L. R. R., that gentleman says: "The grading is now almost all completed, and most of the bridges completed and up. Seventeen hundred and fifteen feet of the Susquehanna River Bridge is up, leaving after the trestle work is done, but one thousand and fifty feet to be put up, and this will, I feel confident, be up and completed by the time the rail is laid on the balance of the road. The iron has all been contracted for and part delivered, and by the fourth of July I think the line will be open for business."

NEW AND VALUABLE SEEDS GIVEN AWAY. We have received from N. P. BOYER & Co. of Parkesburg, Chester Co., Pa., sample of Imported Norway Oats, Alsike Clover and Chester County Mammoth Corn; they generously offer to send sample packages free to all Farmers who send stamps to pay postage. Messrs. N. P. BOYER & Co., are the largest Importers of Thoroughbred Stock and Choice Seeds in the United States, and as there is so much bogus Norway Oats and other Seeds being sold, they wish to give every farmer in the country a chance to test their Genuine Seeds, free of charge. We hope all our farmer friends will avail themselves of this generous offer.

On Tuesday evening last P. L. Hackenburg, Esq., lost the mate to the horse whose death we chronicled a few months since, under the following circumstances. Mr. Hackenburg, in company with Mr George Evans had been over to Danville on business, driving Mr. Hackenburg's match ponies and were returning, arriving at Mooresburg, on the road home about 9 o'clock in the evening. On reaching a point a short distance this side of Mooresburg where the road is very close to the railroad track a freight train came along, and, though the horses are not, in the day time, afraid of the cars, the sparks and noise combined to frighten them effectually and they wheeled suddenly, upsetting the sleigh, and dashing off up the road towards Mooresburg, where they ran into the hitching post in front one of the hotels and one of the horses striking the post was killed instantly. This is a serious loss to Mr. Hackenburg, as he had just got his new team of match ponies in a condition to travel well together, and they made most excellent [illegible]

Auction at Ulsh's store, in Troxelville next Saturday. Goods sold very cheap.

Some kind of a musical instrument ought to be in every family in order to make Home pleasant and pass away the lonely hours. Families who are not supplied yet can get any kind of an instrument at Salem Bros' Music Store at the most reasonable prices. Give them a call.

On Friday night last between eleven and twelve o'clock, a man was seen passing through this place with a horse and sleigh, and leading two horses. On Saturday morning a party of men from Elmira reached here in search of him, he being a horse thief, and all the property in his possession having been stolen about ten miles from that place. On Sunday afternoon the Elmira party returned to this place, having recovered the property at a hotel about three miles this side of Selinsgrove, where the thief had left it about an hour and a half before they arrive there. When the thief left the property he told the landlord he was going to Selinsgrove, but when his pursuers got there he could not be found. He made good his escape.—*Muncy Luminary.*

DOTY'S

Washing - Machine,

LATELY MUCH IMPROVED—AND THE NEW

Universal Clothes Wringer

Improved with ROWELL'S PATENT DOUBLE COG WHEELS, and the PATENT STOP, are now unquestionably far superior to any apparatus for washing clothes ever invented, and will save their cost twice a year, by saving labor and clothes.

Those who have used them give testigony as follows:

"We like our machine much; could not be persuaded to do without it and with the aid of Doty, we feel that we are masters of the position."—Rev. L. Scott, Bishop M. E. Church.

"In the laundry of my house there is a perpetual thanksgiving on Monday for the invention."—Rev. Theodore L. Cuyler.

"Every week has given it a stronger hold upon the affections of the inmates of the laundry."—N. Y. Observer.

"I heartily commend it to economists of time, money, and contentment."—Rev. Dr. Bellows.

"Friend Doty—Your last improvement of your Washing Machine is a complete success. I am sure you 'our Washing,' after a year's use, is thought of more to day than ever, and would not be parted with under any circumstances."—Solon Robinson.

The N. Y. Weekly Tribune, of Dec. 15, 1869, in answer to a correspondent, says: "Of Washers, there is none to be compared with Doty's."

Prices---A fair offer.

If the Merchants in your place will not furnish or send for the Machines, send us the retail price, Washer $11, Extra Wringer $5, and we will forward either or both machines, free of freight, to places where no one is selling; and so sure are we they will be liked, that we agree to refund the money if any one wishes to return the machines free of freight, after a month's trial, according to direction.

No husband, father or brother should permit the drudgery of washing with the hands, Doty does it to the Life's, when it can be done better, more expeditiously, with less labor, and no injury to the garments, by a Doty Clothes Washer and a Universal Wringer.

Sold by dealers generally, to whom liberal discounts are made.

Sew, sew, sew,
At morn, at noon, at night!
Work, work, work,
But never out of sight!
For great and small, for young and old,
In summer's heat, in winter's cold,
By midnight lamp, by noonday's sun,
'Twas sew, sew, sew, but never done.
When Grandma sewed.

As it Is.

Buzz, buzz, buzz; why how the panties fly!
Oh, oh, oh! 'twould charm the dullest eye!
The legs are sewed, the waistband's on,
The buttons set—the pants are done!
And here's a pair for Sam and John,
And Harley, too, and little Dan.

HARDWARE AND QUEENSWARE.

SALT AND FISH,

And in fact everything usually kept in a first class country store. All of which we offer at greatly reduced prices, for Cash or Country Produce.

Having had large experience in the business we flatter ourselves that we can please and satisfy all our customers.

Hoping for a share of public patronage and a desire to please at all times, we remain at the old stand of public patronage. Our motto is

"Quick Sales and Small Profits."

We ask at least that the public examine our stock and prices before purchasing elsewhere, as we always show our goods with pleasure.
