There is a remedy for croup going the rounds, which may perhaps, prove efficacious. It is simply allspice tea, the tea being made of whole grains of allspice. According to all accounts, it gives almost instant relief in cases where other remedies have failed, and seems at once to cut the phelm loose and relieve the child.

The Williamsport Standard says: Over the mountains in Nippenose vallew the scarlet fever is carrying off the innocents very rapidly. The disease has been confined thus far principally to the section round and east of Collumsvillee. In the family of Michael Dincher eleven were ill and six have died. Six graves of that household inside of three weeks!

Once a Week, the young ladies' own journal, is the last addition to the list of Frank Leslie's publications. It is illustrated, neatly fprinted, publishers the fashions illustrated by plates, and its reading matter, ranging from grave to gay, from fact to reverie, is very agreeable and interesting. *Once a Week* is destined to be a great favorite with the ladies.

DOTY'S

Washing - Machine,

LATELY MUCH IMPROVED— AND THE NEW

Universal Clothes Wringer

Improved with ROWELL'S PATENT DOUBLE-COG WHEELS, and the PATENT STOP, are now unquestionably far superior to any apparatus for washing clothes ever invented, and will save their cost twice a year, by saving labor and clothes.

Those who have used them give testigony as follows:

"We like our machine much; could not be persuaded to do without it and with the aid of Doty, we feel that we are masters of the position."—Rev. L. Scott, Bishop M. E. Church.

"In the laundry of my house there is a perpetual thanksgiving on Monday for the invention."—Rev. The dore L. Cuyler.

"Every week has given it a stronger hold upon the affections of the inmates of the laundry."—N. Y. Observer.

"I heartily commend it to economists of time, money, and contentment."—Rev. Dr. Bellows.

"Friend Doty—Your last improvement of your Washing Machine is a complete success. I am sure you 'our Machine,' after a year's use, is thought of more to-day than ever, and would not be parted with under any circumstances."—Solon Robinson.

The N. Y. Weekly Tribune, of Dec. 13, 1869, in answer to a correspondent, says: "Of Washers, there is none to be compared with Doty's."

Prices—A fair offer.

If the Merchants in your place will not furnish or send for the Machines, send us the retail price, Washer $14; Extra Wringer $6, and we will forward either or both machines, free of freight, to places where no one is selling; and so sure are we they will be liked, that we agree to refund the money if any one wishes to return the machines free of freight, after a month's trial, according to direction.

No husband, father or brother should permit the drudgery of washing with the hands, fifty two days in the year, when it can be done better, more expeditiously, with less labor, and no injury to the garments, by a Doty Clothes Washer and a Universal Wringer.

Sold by dealers generally, to whom liberal discounts are made.

THE SINGER

SEWING MACHINES!

AHEAD OF ALL OTHERS!

THREE THOUSAND PER WEEK ARE NOW BEING MADE AND SOLD!

THE REASONS WHY.

Because it embodies essential principles not found in any other Machine; because of its simplicity of construction, ease of operation, uniformity of precise action at any speed, and capacity for the greatest range and variety of work, fine or coarse.

Parties wishing to purchase should not fail to examine the best of all Sewing Machines

As it Was.

Sew, sew, sew,
At morn, at noon, at night!
Work, work, work,
But never out of sight!
For great and small, for young and old,
In summer's heat, in winter's cold,
By midnight lamp, by midday sun,
'Twas sew, sew, sew, but never done,
When Grandma sewed.

As it Is.

Buzz, buzz, buzz; why how the panties fly!
Oh, oh, oh! 'twould charm the dullest eye!
Ten legs are seam, the waistband sewn,
The buttons set—the pants are done!
And here's a pair for Sam and John,
And Charley, too, and little Dan.

Now Mother sews on
