New Hampshire.

Naw Hampshire has always been a State of bard fights and small majorities, but the event of yesterday's battle there will fall with startling surprise on the the country this morning. Our returns, printed elsewhere, show large Democratic gains everywhere, which may result in giving that party the Governor and all of three Con- return his wife and child were gone, year two dollars payable in advance; gressmen. It is certain that they have carried one district the Second, and there are strong probabilities that the First and Third have also given adverse majorities. What makes this later Mr. Mierely accertained that Mrs. Mierely and Mr. Hummel were living dence which was felt in the success of the Republicant. The canvass had the information correct. His the Republicans. The canvass had found the information correct. His true, but all the indications were fa- asserts, from neglect. vorable. The Springfield Republican of Monday said :

shire seen such a dult political canvass Jail in default of \$2,000 bail. Mr as the one which will close with the election to morrow. The Republi cans' success on the State ticket is conceded on all hands, and nothing enu imperil it save a feeling of too great scourity on the part of the Republicans themselves. The Republican canvass, whose accuracy has been proven so often that great reliance is placed upon it, gives that party the State by a comfortable margin. The Second Congressional district is the only one of the three that is considered in doubt, and there the friends of General Stevens, Republican, are confident of his election.

It now appears that we have not only lost the Second district, but the First and Third, and the State also. The entire Congressional delegation in the Porty first Congress was Repubfloor-the last dispatch received au-
