So, AT as the amount paid on the purifical of the Sational Dobt during the last two years, with a tax reduced to the second transport of the second tr

The greatest indignity yet offered to Septer Summer, is the sympathy he is receiving from the Democracy. Democratic journals are denouncing his removal and Democratic Legisla up. He was a man' below the meditures are passing resolutions in his um height, stout built, perfectly black honor. This is all strength wasted. Summer despises the demagogues of the but having not all the peculiarities of his race. He was usually mild and Democratic party even more than he agreeable in his manuers, and presenthates San Domingo. The Democratic od an appearance the reverse of a mur politicisms had better turn their hands deror. His parents had both been slaves and were owned by parties liv-

commented with indignant severity on the conduct of a newspaper in his district, whose editor seems to have a to read, write and figure enough to very inadequate appreciation of the keep his own accounts. Two promivalvable cervices of the faithful vigilant, appropriate representative from character. One of these was a con-Selinsgrove, who is, among his associates, distinguished for his fidelity to
the interests of his constituents. It
is a pity that the Democracy, when
they find among their leaders a man
character. One of these was a controlling passion of licentiousness, and
the other was a propensity to use
violence upon any person who hap
pened to come between him and the
consummation of his evil designs.
On account of his disposition in these
termoon a man aged about twenty
toght, giving the name of John B.
Thompson, called at the Third National Bank of this city, and presented a letter of introduction purporting
to be from L. B. Coltington & Co., of
New York. He stated in conversatom of these was a contion on the propensity to use
violence upon any person who hap
pened to come between him and the
consummation of his evil designs.
On account of his disposition in these
they find among their leaders a man with so much culture and ability as is possessed by Maj Cammings, have not sense enough to stand by him. It is well known here that no other Democrat could carry that district, and the envy of his popularity should not be carried so far as to create party dissensions in Soyder; otherwise the little good sense that remains in the little good sense that remains in the ranks of the unterrified will be forced with him, when Britton at once offered a telegram was sent to New York and with him, when Britton at once offered ranks of the unterrified will be forced but him one day attempted to remonstrate a telegram was sent to see we might expect to find "old Jack," with his cept on the next day, and when the great power of his political logic, time arrived he was ready with the son has not yet been apprehended. smashing the heads of the party clowns officers, and Britton was arrested and who are now making faces at him.— lodged in jail, from which he was re-Bacher. His next charmer was the The Proudest Political History wife of a certain "Squire" Bradkins, with whom he soon grew unduly intimate Bradkins surprised the two The first of the resolutions adopted together at a barn near the town by the recent Republican State Con- when Britton was about to assault him vention in Rhode Island, sams up with a knife, but the later haply was the record of the accomplishments of the Republican party so tersely and his assailant at bay for the time. strikingly that it deserves to be re- Britton was no tot be thwarted, however,
