# THE POST.

MIDDLEBURG.....MAY 18, 1871.

## TOWN AND COUNTRY.

MEETING OF THE REPUBLICAN CO. COMMITTEE.—The members of the Republican County Standing Committee of Snyder County, will meet in the District Attorney's office, in the Court House, Middleburg, on Tuesday, May 23d, 1871, at 1 o'clock P. M. Punctual attendance is requested, as business of importance is to be transacted.

D. B. MOYER, *Chairman.*
J. Y. SHINDEL, *Secretary.*

Col. Simpson offers six acres of land to any party that will put upon it a Hot Blast Anthracite Furnace, adjoining Selinsgrove.

SPRINKLE Hellebore on currant bushes to kill the worms. It will kill them as dead as Julius Cæsar.

HALL'S Vegetable Sicilian Hair Renewer does not color, but restores to its natural color.

THEY did a million and a half of business at Oak Hall last year, and from the preparation made, we should say Wanamaker expects to do at least two millions this year.

DON'T forget to attend the Sunday School convention to be held in the Court House next Saturday. It is expected that delegates will be in attendance from every district in the county.

There is a law against shooting partridges, robbins and all insectiverous birds The fine is heavy. Our young sportsmen and others ignorant of the law, would do well to make a note of this. Spare the birds.

OH, How I've Suffered with my head! All on account, of using the poisonous hair preparations. I now use NATURE'S HAIR RESTORATIVE, and it has removed the poison and restored my hair to its former vigor. See advertisement.

CORNER STONE LAYING.—The corner stone of the new Lutheran Church, near Hassinger's in Franklin township, will be laid with appropriate services on Sunday, May 28th, at 10 o'clock, a. m. Eminent ministers will be present to address the audience. The public are invited to attend.

THE TRAVELERS LIFE AND ACCIDENT INSURANCE COMPANY, of Hartford Conn., conducts all business in a most equitable manner, and with a careful regard to the interests of its policy holders. Insurance against accidents is comparatively new, but of importance and benefit to the public generally.

PURSUANT to a call of the Chairman of the Democratic Standing Committee of Snyder county, the Democracy met in convention in the Court House on Monday last at 1 o'clock, P. M. and selected Edward Bassler as Senatorial and J. W. Gaugler Representative Delegate to represent this county in the Democratic State Convention which meets in Harrisburg on the 24th inst.

LENT & SKINNER'S VARIETY TROUPE gave an exhibition, in this place yesterday We do not, for or without a valuable consideration puff every thing coming this way, unless there is intrinsic merit. This exhibition is moral, interesting, amusing and instructive, and is highly creditable to the managers. The proprietors are gentlemen, and the employees quiet peaceable men—there are no roughs, bummers and thieves following in their train.

WE would be greatly obliged to the different ministers of this county, if they send us notices of all marriages. Our friends, generally, throughout the county, would confer a great favor, by sending us notices of deaths of persons in their neighborhoods. These are the most important notices in a country paper, and are, invariably, the first items perused. The inquiry is frequently made "why we do not publish marriages and deaths?" Our reason is, we do not receive them, or they would appear in our columns.

INSURE YOUR BUILDINGS.—We direct the attention of persons who wish to insure their buildings to the advertisemen of the Wyoming Fire Insurance Company. This company was organized in 1857, and is one of the most prosperous and reliable companies in the state. Mr. James Schooly, general agent will be hear next week and give all necessary information in regard to the Company. Persons who have once tried the Wyoming will insure in no other company, Give it a trial and our word for it you will be satisfied.

SCIENTIFIC men may grumble about the internal fires of the earth and the probable and speedy decay of matter and crush of worlds; and mechanical geniuses may tear out their hair and craze their brains in producing new inventions—or producing perpetual motion; but the practical, common sense farmers, everywhere, have declared the Dodge Reaper the best, cheapest, most durable, best adapted Reaper now in use. Joseph Wenrick, of Selinsgrove, has now on hand a large number of reapers, and orders should be sent in early. The sales of the Dodge last year exceeded any other in use.

REAL ESTATE AGENCY.—John G. Mitchel, Counselor at Law and Real Estate Agent from Bladensburg, Maryland, paid our county a visit this week for the purpose of calling the attention of our citizens who desire to purchase lands to the peninsula, a vast fertile tract of land lying between the Potomac river and Chesapeak Bay. Mr. Mitchel is an educated, thorough-bred gentlemen, and will make no false representations for the purpose of practicing deception upon our citizens. We will give our readers, in next issue a complete description of the lands for sale. Any information desired, relative to the lands, may be obtained by calling on J. H. Arnold, at Middleburg.

SNYDER COUNTY TAXES FOR 1871.—The Commissioners at their last meeting made the following appointments for Collectors of taxes for the current year. The Duplicates have been issued, as follows, to wit:

NEW GOODS.—J. W. Dreese has just received one of the largest and best selected stock of Dry Goods ever brought to Middleburg. He has paid special attention to the selection of the latest styles and finest qualities, and is determined not only to please the most fastidious with quantity, quality and variety, but has adopted to a certainty the motto "quick sales and small profits." The attention of young ladies is particularly called to his large and varied stock of dress goods. He is prepared to fit out young ladies with latest style chignons and curls, beautifully trimmed hats, alpaca, Scotch Gingham or Mohair dresses and complete the outfit with a neat gaiter-boot. Ready made summer clothing, and fashionable hats for gentlemen, Hardware, Queensware, Fish, Salt &c. &c. in endless quantity, all which he is determined to sell at the lowest prices for cash or country produce. Don't fail to call at Dreese' corner.

LIGHTNING RODS.—Now is the time to protect your buildings, as the season of danger is upon us. The best protection you can have from lightning is a good rod and this is found in the rod manufactured by Messrs, Reyburn, Hunter & Co., at No. 488 St. John Street, Philadelphia. This company, known as the North American Lightning Rod Company, is all spoken of by the press generally as responsible and honorable. The Selinsgrove Times of last week in speaking of it says: it is an old, responsable and well established company, and is well known in all parts of the country. Their agents have visited this county annually for several years, and have erected their Rods on the buildings of many of our best citizens. This rod is made of Magnetic Iron and covered with pure polished Sheet Copper, thus combining the strength of the iron and the gold conducting qualities of the copper; and they are neatly and substantially put up. In our judgment this is the best rod that has ever been offered in this community, and those who buy do so with safety and run no risk of being swindled, as the company is good and reliable in all their works and dealings.

BRAINARDS' MUSICAL WORLD.—The May number of this favorite Musical Monthly is at hand, and contains the usual large amount of interesting Musical Stories, Sketches, Editorials, News Items, &c. Send $1.00 to S. Brainard & Sons, Cleveland, O., and you will receive the MUSICAL WORLD a year, containing over fifty pieces of music; or specimen copies will be sent any address on receipt of ten cents.

GODEY'S LADY'S BOOK FOR JUNE, 1871—close of the forty first year.—"Tossing the Prize" is the title of the steel plate presented to the subscribers of the LADY'S Book for June. This is followed by a six figure colored fashion plate, containing walking dresses, evening dresses, etc.; a beautiful wood cut illustration of four children fighting with leaves; and another entitled "The Lily." In addition to all this, the publisher has been lavish with his wood-cut fashions on the extensive sheet and in his designs for the work department. With many very interesting stories by popular writers in this number, we commend it to the public. Now is the time to make up clubs for the new volume which commences with the July number. $3.00 per year to single subscribers. Address L. A. Godey, N. E. Cor. 6th & Chestnut Sts., Philadelphia.

THE LADY'S FRIEND for June is a splendid number. The steel-plate, representing the meeting of Mary Queen of Scots and Queen Elizabeth, in the garden of Fotheringa Castle, is a picture of extraordinary interest and value. In the colored Fashion Plate we see a group of graceful ladies, attired in airy summer robes; and there is a wood-cut of the Rhine, the most romantic of European rivers. The litterary matter is delightfully varied and entertaining. A quantity of illustrations of handsome summer costumes, bathing dresses included must be very acceptable to the ladies, and the fancy-work looks particularly captivating. Price $2.50 a year (which also includes a large steel engraving). "The Lady's Friend" and the "Saturday Evening Post" (and one engraving), $3. Published by Deacon & Peterson Philadelphia.

### To Nebraska, California, and Kansas, and the B. & M. R. R. Lands.

The "Burlington Route," so called, lies right in the path of the Star of Empire. It runs almost immediately in the centre of the great westward movement of emegration. Crossing Illinois and Iowa, it strikes the Missouri River at three points.

These three points are the gateways into three great sections of the trans-Missouri region.

The Northern gate is Omaha where the great Pacific road will take you to the land of gold and grapes, sunny mountains, and perpetual summer.

The Middle gate is Plattsmouth, which opens upon the South half of Nebraska, south of the Platte river, a region unsurpassed on the continent for agriculture and grazing. Just here are the B. & M. Railroad lands, concerning which Geo. S. Harris' the land officer at Burlington, Iowa, can give you all information and in the heart of them is Lincoln, the State Capital and Present Terminus of the road.

The Southern gate leads to Kansas by connections with the St. Joe Road at Hamburg, running direct to St. Joe and Kansas City.

The trains of the Burlington run smoothly and safely and make all connections. It runs the best of coaches, Pullman Palace and Pullman dining cars and should you take the journey for the journey's sake alone, you will be repaid; or take it to find a home or a farm, and you cannot find either better than among the B. & M. lands, where you can buy on ten years credit, and at a low price.
