The Religion of Labor.

"Religion does not altogether consist of devotional exercises, but, as well, of daily work. We get a wrong idea of Christianity when we reduce it all to songs and sermons, to prayers, solemn faces and ecclesiastical paraphernalia. It is not especially for Sabbaths and sanctuaries, but also for week days, for shops, for homes, for mills, for stores, for streets and fields. Religion is largely an out door institution. Its Author was born, baptized, transfigured, and crucified under no roof but the sky. It means diligence in business, serving the Lord in common vocations and every-day relations, as well as in consecrated syllables on set occasions. Jesus was more sublimely great, standing unknown at the carpenter's bench in Nazareth, with an apron on, than if he had been surplliced as a priest in the temple, or arrayed in robes of royalty on Pilate's throne. He was greater with an adze in his hand than with a crown on his head. Christianity allows no aversion toward the mechanic. It gives him an honorable position. It invites him to its home and visits him in his. Yet how many rich young ladies who would scorn to associate with the sons and daughters of our workingmen! The matrimonial problems that busy their brains involve such fractions as lawyers, physicians, large—salaried preachers, wholesale merchants, millionares, and gentlemen of leasure. It would be ridiculous, they think, to throw themselves away on mechanics! Of course society has its affinities, and that is well. Education grants it. Refinement and culture always seek their level. But we dig down for gold. Too often, dissipated dandyism is petted and honored, while intelligent labor is denied a place. The difference between building houses and selling is not so great that one should be considered contemptible and the other illustrious. Really, as a business, it makes but little difference whether a man mends clothes, bones, pens, houses, laws or morals. Work is work and nothing less; man is man and nothing more.—*Alexander Clark.*

A CORRESPONDENT of the West Chester *Jeffersonian* relates the following story of a blind man:

In Honeybrook township, Chester county lives a man named Jesse Buchanan, now 67 years old, who became blind at the age of seven years, from an attack of fever. This man has lived in Honeybrook all his life, and although blind has been very useful. He has a great love for improvements has built several houses, barns, &c., part of the wood work of which was his own construction. He now occupies one of them. Situated on the south side of what is known as the Welsh mountain about three miles from Waynesburg and Morgantown, his house is located among the trees of the mountain, with no direct road to it, yet he can find his home at any moment without the slightest aid from any one. He can pass from one place to another for a distance of four or five miles in his own neighborhood; knows the different residences of his neighbors as soon as he approaches them knows the voices of different persons with whom he is acquainted, and in many instances their footsteps. He can tell the different kinds of timber; make a shaking fork, broom or axe handle. Can hang an axe, chop wood, and when done his day's work will hide his axe and return to the woods on the following day and find it, unless moved by some one. He can load hay, and when younger, was a good hand to bind grain. His health is very good and he can be seen going alone to and from places where he has business. The above may seem incredible to your readers, but strange as it may seem, it is true, as he has not only told me, but those who have known him from their boyhood.

We are in possession of an infallible receipt for making a lady's cheeks red without paint. For their especial benefit we publish it without charge. Here it is:

Place her at a washtub, with her sleeves rolled up, and hands full of dirty clothes.

Then let her beau suddenly enter and her cheeks will be a glowing red in an instant. Snooks says this receipt was never known to fail.

Just try it ladies, and if it fails let us know that we may publish Snooks as unreliable authority. Will you?

Harper's Periodicals For 1871.
THE PERIODICALS WHICH THE HARPERS PUBLISH ARE ALMOST IDEALLY WELL EDITED.
—The Nation, N. Y.

Harper's Magazine.
The great design of HARPER'S is to give correct information and rational amusement to the great masses of the people. There is no monthly Magazine of intelligent reading, family can less afford to be without. Many Magazines are accumulated. HARPER'S is edited. There is not a Magazine that is printed which shows more intelligent pains expended on its articles and mechanical execution. There is not a cheaper Magazine published. There is not, confessedly, a more popular Magazine in the world.—New England Homestead.
At once the most popular and, in its scheme, the most original of our Magazines. * * * * All the periodicals which the Harpers publish are almost ideally well edited.—Nation.

"A complete Pictorial History of the Times."
Harper's Weekly.
The best publication of its class in America, and so far ahead of all other weekly journals as not to permit of any comparison between it and any of their number. Its columns contain the finest collections of reading matter that are printed. * * * Its illustrations are numerous and beautiful, being furnished by the chief artists of the country.—Boston Traveler.
HARPER'S WEEKLY is the best and most interesting illustrated newspaper. Nor does its value depend on its illustrations alone. Its reading matter is of a high order of literary merit—varied, instructive, entertaining, and unexceptionable.—N. Y. Sun.

Harper's Bazar.
Free from all political and sectarian discussion, devoted to fashion, pleasure, and instruction, it is just the agreeable, companionable, and interesting domestic paper which every mother and wife and sweetheart will require every son, husband, and lover to introduce to his fireside every Saturday evening.—Philadelphia Ledger.
By all means buy HARPER'S BAZAR. Not for yourself, but for your wife, or daughter, or sister or sweetheart. There never was any paper published that so delighted the heart of woman. Never mind if it does cost you a new bonnet; it will save you ten times the price in the household economy it teaches.—Providence Journal.

Terms for 1871.
HARPER'S MAGAZINE, one year, ... $4 00
HARPER'S WEEKLY, one year, ... 4 00
HARPER'S BAZAR, one year, ... 4 00
HARPER'S MAGAZINE, HARPER'S WEEKLY and HARPER'S BAZAR, to one address, for one year, $10 00, or any two for $7 00.
The postage within the United States is for the Magazine 24 cents a year, for the Weekly or Bazar 20 cents a year, payable yearly, semi-yearly, or quarterly, at the office where received.
The Volumes of the Magazine commence with the Numbers for June and December of each year. Subscriptions may commence with any Number. When no time is specified, it will be understood that the subscriber wishes to begin with the first Number of the current Volume, and back Numbers will be sent accordingly.
The Volumes of the Weekly and Bazar commence with the year. When no time is specified it will be understood that the subscriber wishes to commence with the Number next after the receipt of his order.
When the subscriber's address is to be changed both the old and the new must be given. It is not necessary to give notice of discontinuance.
In remitting by mail, a Post office Order or Draft payable to the order of HARPER & BROTHERS is preferable to Bank Notes, since, should the Order or Draft be lost or stolen, it can be renewed without loss to the sender.

J. S. BURKHART,
Selinsgrove, Snyder Co., Penna
Keeps constantly on hand a large and well made assortment of Tin, Sheet-iron ware, Stoves, &c., &c.
He is Agent for the following named articles.
"THE MORNING GLORY."
Littlefield's Patent Improved Base
COAL STOVE.
In this pattern of THE MORNING GLORY, several new and important features have been embodied, which can only be seen to be admired. This new stove is made entirely of cast iron, so fitted as to be air tight, but can be made with sheet-iron upper section when preferred by the purchaser. Its ornamental finish is drapery, making it a handsome piece of furniture, far more so than any stove heretofore made. Its internal construction, though resembling some of the former patterns of The Morning Glory is quite different, making it more durable, and far less difficult to be repaired. The castings are of the highest order, fully equaling the finest castings made in this country.
Among the many ADVANTAGES in the use of the Morning Glory are the following:—1, Continuous Burning. 2, Quality of the Heat. 3, Ventilation through the stove. 4, Anti-Dust Stove. 5, No Escape of Gas. 6, Economy of Fuel.
"THE BARLEY SHEAF."
Anti-Dust Air-Tight Cooking Stove, with Extended Fire-Box for Wood or Coal.
Patented May 16th, 1865.
We take pleasure in offering our customers and the Stove Trade, a New first-Class Flat-top, and would call *particular attention to its many attractive and valuable improvements.*
This Stove has been carefully tested for several months, and the results have proved so highly satisfactory, that several of our oldest and most experienced stove dealers predict for it a sale far beyond our ability to supply this season.
Sliding front fire-doors, giving full use of the hearth.
An additional slide in the oven, so arranged as to give more room in the upper part of the oven; a great convenience much needed.
The oven is nearly as *wide at the top* as at the hearth line, which not only increases the size, but will be recognized as *a great advantage in baking.*
DOTY'S CLOTHES WASHER.
The best, cheapest, and most popular Washing Machine ever invented.
It is easy to operate, sitting or standing takes but little room; injures no garments finishes its work from in two to four Minutes; is durable and convenient; and the only Washing Machine known that is liked the better the longer it is used.
THE UNIVERSAL CLOTHES WRINGER.
The "GREAT FAMILY ECONOMIZER.
The terms of our Patent call our Machine a "Wringer." Years of experience prove it also to be A MOST EXCELLENT WASHER.
When we reduce every invention for washing clothes to a principle they all nomount to that of pressing and squeezing, and forcing the water through them, thus removing the dirt. Most Washing Machines do it by rubbing. The Universal Wringer does it by pressing.

The Great Medical Discovery!
Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS,
Hundreds of Thousands
Bear testimony to their Wonderful Curative Effects.
WHAT ARE THEY?

THEY ARE NOT A VILE
FANCY DRINK,
Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.
☞For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.
DYSPEPSIA OR INDIGESTION.
Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.
☞They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.
FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.

Culverwell, Author of the "Green Book," &c.
The world renowned author, in this admirable Lecture, clearly proves from his own experience that the awful consequences of Self-Abuse may be effectually removed without medicine, and without dangerous surgical operations, bougies, instruments, rings, or cordials, pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically. This lecture will prove a boon to thousands and thousands.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.
Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions of visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Uterous* affections of the muscular and nervous systems.
Syphilis or Venereal and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa or Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its tonic and invigorating effect. Minute directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matter in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver*, and *Jaundice*, when arising as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Dependent, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the affections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.
