Hall's Vegetable Sicilian Hair Renewer restores to bald heads a healthy growth of hair, if the hair cells are not closed up.

THE Drug Store of Messrs. Shindel & Swineford has been moved into the Brick building opposite their old quarters.

It is amazing to see the number of new styles and materials Wanamaker & Brown have designed, adapted and manufactured for this season.

Use no other preparation but Hall's Vegetable Sicilian Hair Renewer for improving the growth and restoring the color of the hair.

WE notice among the list of graduates of the Naval Academy at Annapolis, Md. at its annual examinations on Tuesday of last week, the name of Wm. H. E. Masser, of Sunbury.

MR. STINE having withdrawn from the canvass for the nomination of Commissioner, the contest is between Adam J. Fisher and Peter P. Mertz.

WE learn from a Sunbury paper that Wm. Krouse, formerly of this place, while on a visit to Sunbury last week, was robbed of a vest, a gold watch and chain valued at $70, and $30 in money.

THE new School Board was organized yesterday. Benjamin Bachman was elected President; Dr. T. B. Bibighouse Secretary; and Emanuel Schoch, Treasurer. John Hoch was appointed collector.

SOME of our farmers have commenced making hay. In consequence of the dry weather, a few weeks ago, the grass is rather short and there will hardly be an average crop in this county. Wheat, however, never looked better than it does now.

THE Republican Primary Election will take place next Saturday at the regular places for holding elections throughout the county. There are some important nominations to be made and it is the duty of all Republicans to turn out and cast their ballots for the men best fitted for the positions to which they aspire.

THE Democracy of Northumberland county have nominated the following ticket:—President Judge—Eben G Scott; Assembly—A. J. Gallagher; Associate Judge—J. J. Reimensnyder; Treasurer—Reuben Garinger; Commissioner—Martin L. Bucher; District Attorney—G. W. Ryan; Auditor—Isaac Martz.

CUT about an inch and a half off the hind legs of a straight-back chair, and you have one of the most pleasant and comfortable seats imaginable.—*Sunbury Democrat.*

All humbug. If you want to spoil your chairs try it; otherwise you will leave them as they are.

WE call attention to the advertisement of Charles Benfer & Son, which will be found in another column. These gentlemen have recently opened a shop at Paxtonville, and are prepared to accommodate all who may favor them with their patronage, with Harness, Saddles, Bridles, Whips, or anything else in their line. Call on them, examine prices and specimens of work, and our word for it, you will be convinced that Benfer's is the place to get your work done.

SLANDERERS would do well to peruse the following act passed by the last Legislature as it may save them "coming to grief."

SEC. 1. An action may be maintained by a female, whether married or single, to recover for words hereafter spoken imputing unchastity to her, and it shall not be necessary to allege or prove special damages in order to maintain such action. In such actions a married woman may sue alone, and any recovery therein shall be her sole and separate property.

SEC. 2. This act shall take effect immediately.

WE learn from a friend at Harrisburg that one of our Snyder county sons, B. F. Arroughs, has since his sojourn in that city, (which was during the last session of the Legislature,) won for himself not only a host of friends, but is gaining an enviable reputation. He is highly appreciated for his honesty and gentlemanly manners, and by the aid of his many friends he succeeded in producing a valuable remedy for coughs, colds, &c., known as "Arrough's Nature's Assistant." This remedy is a discovery of his own and patented by himself. May success attend him in his new enterprise.

YOUNG PILOT.—The June number of this handsome monthly is at hand, containing its usual attractive full page illustration, and freighted with pleasing and instructive matter for "young people in their teens." All those who wish to take the *Pilot* on trial can do so by sending 50 cents before the 1st of July, and receive seven numbers up to Jan., 1872. Send stamp for specimen copy. Address.

A NOBLE ACT.—On Tuesday afternoon last, as the Express train on the Western Pennsylvania Railroad was proceeding Eastward, and running a curve midway between Leesburg and Appollo, in Armstrong county, the engineer observed a woman on the track, waving her apron violently in the air. The first thought was of danger and he immediately applied his breaks and got the train stopped just in time to brevent a terrible accident, as a mass of rock weighing about fifteen tons had fallen upon the track a few rods from where the woman had given her signal.

JOHN KIRBY and his wife Mary Kirby, of Sunbury, after living together for seven years, six months ago separated on account of difference in religious belief, the husband being a Protestant and the wife a Catholic. Mrs. Kirby returned to her parents at Waverly New York, and her husband continued to reside in Sunbury. They had two children and on separating each parent took one. Lately the wife returned to Sunbury and secretly took away the child in possession of the father. The latter telegraphed to Williamsport and had her arrested. On the husband's arrival the matter was settled by the wife giving up the child, and both parties returned to their separate homes.—*Miltonian.*

THE following staff appointments have recently been made by Major General C. C. M'Cormick, commanding the Eighth division N. G., of Pennsylvania, composed of the of the counties of Northumberland, Union, Montour and Snyder:

Lieut. Col. and A. A. G.—Leander M. Morton, of Milton.

Lieut. Col. and Division I. G.—Dennis Bright, of Danville.

Major and Division Q. M.—George B. Cadwalader, of Sunbury.

Major and Division Commissary.—J. M. John, Mt. Carmel.

Major and Judge Advocate.—J. Merrill Lynn, Lewisburg.

Major and A. D. C.—Wm. R. Forster, Mifflinburg; W. C. Kapp, of Northumberland.

How to get through with the household sewing, which must be done before the summer trips to sea-shore and country, is the grand present family problem; and we feel that the proper solution to the vexing question is, get a sewing machine, and in all your getting get the best. The Wheeler and Wilson Sewing Machine Company, through their agents Messrs Peterson & Carpenter, No. 914 Chesnut street, Phila. present the overwhelming testimony that 550,000 have been sold and produced, as proving their superiority, the accumulating certificates of those who are using them. These certificates cover all the excellencies that a Sewing Machine should have—ease of operation; adaptation to light and heavy work; simplicity of construction, and are sold on the instalment plan, which affords all an opportunity for their purchase.

It becomes our painful task to chronicle one of the most brutal and heinous crimes that ever disgraced the fair fame of Lewisburg. For the purpose of sparing the feelings of the friends interested as far as possible, (who are all respectable,) we forbear giving names. The crime consists of an aged man—head of a large and intelligent family, and a grandfather—violating the person of the daughter of a neighbor, the little girl not ten years old. Whether by force or persuasion the damnable deed was accomplished we do not know; but in either case, there is nothing that we know of to mitigate the crime. The poor girl was terribly abused, and her sufferings have been quite severe. The law will, of course, be enforced against the monster, but the little sufferer can find no relief from that quarter. The aged sinner, we learn, left clandestinely for parts unknown.—*Lewisburg Chronicle.*

A CHILD FOUND.—On Wednesday night of last week, the family of Daniel P. Conard, residing on the Plum creek road in Lower Augusta township were awakened about 12 o'clock, by the crying of an infant child. They proceeded to the yard and found a female child about a week old, in a nail keg hung upon the grape arbor. They aroused some of their neighbors, when it was taken down and properly cared for. The child appeared stupified and is supposed to have been drugged. On Saturday morning it died from the effects of exposure and drugs, and was buried on the next day by the overseers of the township. No clue has yet been found as to the inhuman mother who thus deserted her child, forsaking and exposing it at an hour when it was almost certain that the cold atmosphere of night would deprive it of life. It is hoped that the guilty party will yet be found out and made to suffer for this brutish act.—*Sunbury American*

AN INDUCEMENT TO CAPITALISTS—To any responsible party or company wishing to engage in the manufacture of Iron near the great iron ore veins of Snyder county, Pennsylvania the undersigned will convey in fee simple, free of charge, TEN ACRES OF LAND, on the condition that the party will erect thereon a Hot Blast Anthracite Furnace. There is no better location for a furnace within twenty miles. The great Block Ore vein, from eleven to fifteen feet thick, is within one mile of it the Fossile or Soft Iron ore veins, in inexhaustible quantities, surround it and may be easily secured; limestone and lumber close at hand, the Sunbury and Lewistown Railroad, which will be finished this season, passes through it, as also does a public road and a never-failing stream of water. The location is in a healthy neighborhood, near the Borough of Middleburg, the County seat of Snyder county. In short, the place is well calculated for manufacturing purposes. All possible encouragement and assistance will be rendered by the principle citizens of Middleburg, to any responsible party or company wishing to engage in the above enterprise. For urther particulars call on or address

DANIEL BOLENDER,
Middleburg, Pa.

To Nebraska, California, and Kansas, and the B. & M. R. R. Lands.

The "Burlington Route," so called, lies right in the path of the Star of Empire. It runs almost immediately in the centre of the great westward movement of emegration. Crossing Illinois and Iowa, it strikes the Missouri River at three points.

These three points are the gateways into three great sections of the trans-Missouri region.

The Northern gate is Omaha where the great Pacific road will take you to the land of gold and grapes, sunny mountains, and perpetual summer.

The Middle gate is Plattsmouth, which opens upon the South half of Nebraska, south of the Platte river, a region unsurpassed on the continent for agriculture and grazing. Just here are the B. & M. Railroad lands, concerning which Geo. S. Harris' the land officer at Burlington, Iowa, can give you all information and in the heart of them is Lincoln, the State Capital and Present Terminus of the road.

The Southern gate leads to Kansas by connections with the St. Joe Road at Hamburg, running direct to St. Joe and Kansas City.

The trains of the Burlington run smoothly and safely and make all connections. It runs the best of coaches, Pullman Palace and Pullman dining cars and should you take the journey for the journey's sake alone, you will be repaid; or take it to find a home or a farm, and you cannot find either better than among the B. & M. lands, where you can buy on ten years' credit, and at a low price.

DOTY'S
Washing - Machine.

LATELY MUCH IMPROVED—
AND THE NEW
Universal Clothes Wringer

Improved with ROWELL'S PATENT DOUBLE COG WHEELS, and the PATENT STOP, are now unquestionably far superior to any apparatus for washing clothes ever invented, and will save their cost twice a year, by saving labor and clothes.

Those who have used them give testigony as follows:

"We like our machine much; could not be persuaded to do without it and with the aid of Doty, we feel that we are masters of the position."—Rev. L. Scott, Bishop M. E. Church.

"In the laundry of my house there is a perpetual thanksgiving on Monday for the invention."—Rev. Theodore L. Cuyler.

"Every week has given it a stronger hold upon the affections of the inmates of the laundry."—N. Y. Observer.

"I heartily commend it to economists of time, money, and contentment."—Rev. Dr. Holloway.

"Friend Doty—Your last improvement of your Washing Machine is a complete success. I assure you our Machine, after a year's use, is thought of more to-day than ever, and would not be parted with under any circumstances."—Selon Haldron.

The N. Y. Weekly Tribune, of Dec. 15, 1869, in answer to a correspondent, says: "Of Washers, there is none to be compared with Doty's."

Prices---A fair offer.

If the Merchants in your place will not furnish or send for the Machines, send us the retail price, Washer $11, Extra Wringer $9, and we will forward either or both machines, free of freight, to places where no one is selling; and so sure are we they will be liked, that we agree to refund the money if any one wishes to return the machines free of freight, after a month's trial, according to direction.

No husband, father or brother should permit the drudgery of washing with the hands, fifty to sixty days in the year, when it can be done better, more expeditiously, with less labor, and no injury to the garments, by a Doty Clothes Washer and a Universal Wringer.

Sold by dealers generally, to whom liberal discounts are made.

THE SINGER SEWING MACHINES!
AHEAD OF ALL OTHERS!

THREE THOUSAND PER WEEK ARE NOW BEING MADE AND SOLD!

THE REASONS WHY.

Because it embodies essential principles not found in any other Machine; because of its simplicity of construction, ease of operation, uniformity, of precise action at any speed, and capacity for the greatest range and variety of work, fine or coarse.

Parties wishing to purchase should not fail to examine the best of all Sewing Machines

As it Was.

Sew, sew, sew,
At morn, at noon, at night!
Work, work, work,
But never out of sight!
For great and small, for young and old,
In summer's heat, in winter's cold,
By midnight lamp, by midday's sun,
'Twas sew, sew, sew, but never done,
When Grandma sewed.

As it Is.

Buzz, buzz, buzz; why how the panties fly!
Oh, oh, oh! 'twould charm the dullest eye!
The legs are sewed, the waistbands on,
The buttons set—the pants are done!
And here's a pair for Sam and John,
And Charley, too, and little Dan.
Now Mother sews on
SINGER'S NEW MACHINE.
