THE POST.

MIDDLEBURG,.....JULY 27, 1871.

TOWN AND COUNTRY.

MEETING OF THE REPUBLICAN STANDING COMMITTEE.—The Republican Standing Committee of Snyder county will meet in the Court House, in Middleburg, on SATURDAY, JULY 29th, 1871. A full turnout of the Committe is requested as business of importance is to be transacted.

J. CROUSE, Chairman.

IT is said that the chewing of coarsely cut gentian root after every meal, will cure taste for tobacco.

JOHN YOUNGMAN, Esq., of the *Sunbury Gazette* has resigned as Superintendent of State printing, and John McCurdy, of Shippensburg has been appointed by the Governor, to take his place.

Col. Edward Smith, of New Berlin, has been subjected to an unusual series of bereavements. Within eight years, he has followed to their final resting place, his mother, wife and three children, his last child having died on the 15th inst.—*Chronicle.*

HENRY ROBE the State Treasurer of Pennsylvania has been elected by the Legislature. The Legislature at its late session, proposed an amendment to the State Constitution, whereby the election of State treasurer will hereafter be submitted to the people. See advertisement.

CONCERT.—Tee Richfield singing class, under instruction of D. B. Moyer, will give a Vocal and Instrumental entertainment in the Luthern and Reformed church, at Richfield, Juniata Co., on Saturday evening, August 5th 1871. The public are cordially invited to attend.

WHAT are our citizens doing towards getting the Fair at this place? A meeting of the Agricultural Society will be held in the Court House next Saturday, at which time it will be determined upon where the Fair will be held, and if we want it here it is time to go to work and see what can be done.

THE Commissioners met in Beavertown last Saturday for the purpose of receiving proposals for the erection of a new bridge across middlecreek in Beaver township. Moses Specht, Esq., offered to build the bridge for $1781, and he being the lowest bidder was awarded the contract.

MR. JAMES ROBINSON, of Mifflintown, has brought suit against the committee who had the distribution of the $20,000 granted by the State for the relief of the "destitute and needy." Mr. Robison charges the committee with a misappropriation of the money.

A bold and successful forgery was imposed on the First National Bank of Mifflinburg on Friday, 14th inst. A stranger, giving his name as David Mench, presented, the check of Samuel R. Yearick, on Selinsgrove Bank, to Amos Boner, for $500. He stated to the Cashier, Mr. J. W. Sands, that he had received the check from Mr. Bonfer, by whom it was endorsed, and that he resided above Mifflinburg about three miles. He likewise endorsed the check and it was cashed. It was soon discovered to be a forgery, but no trace of the forger has as yet been discovered. The Cashier was thrown off his guard by the familiar and responsible names used and the fact that so large a connection of the Mench family reside in this locality. Recently a similar attempt was successfully practiced upon the Union National Bank at Lewisburg. Bank officers should be put on their guard against the scoundrels who seem to be traveling on this new bold dodge.—*Telegraph.*

DESTRUCTIVE STORM.—On Sunday the 16th inst., a belt of country between McEwensville, in Northumberland county, and Muncy, in Lycoming county was visited with a most unprecedented storm of wind, hail, and rain, duing much damage to the growing crops and trees, fences and buildings. It reached as far west as Williamsport, thence through Black Hole Valley, where the hailstones lay on the ground several inches deep, breaking window glass, and causing much loss to the farmers in damage to their crops; but as it passed east, along the Muncy Hills, it increased in violence, until it reached Washingtonville, in Montour county, where it expended its force. Its route is marked by the greatest destruction of property, the amount of which it is impossible to estimate in money value. The hailstones varied in size from a black walnut to that of a goose egg, and were to the depth, in places where they collected, along fences and the banks of streams, of from three to five feet.

Many fields of corn, oats, and grass are entirely cut to pieces, and close to the ground, destroying vegetation of all kinds, uprooting trees, oaks three feet in diameter, cutting the limbs off of some not blown down, making some buildings untenantless.

The demand for glass was so great that the adjacent towns to Muncy, Turbutsville, McEwensville, Milton, and Watsontown, &c., &c., were drawn on for their supplies.

McCLURE CITY.—You needn't look on the map to find it, for it is not there; because, the place is newer than the maps. But we have a place in West Beaver township *called* a city and the people of the West End are greatly rejoiced thereat. There is one drawback however to the prosperity of the place, and that is the want of citizens. At present it contains about a dozen inhabitants, one hotel and a few dwelling houses; but there is plenty of room for it to spread, and as soon as it has about ten thousand inhabitants, in addition to its present population, it will be incorporated and we will have a *real* city. The fact of the matter is that Messrs. Holshoe & Bower, two enterprising gentlemen, have purchased the Stuck farm, at Stucksville, one of the best stations on the line of the S. & L. Railroad, have laid it out in town lots, and in honor of Hon. Alex. McClure, have named the place McClure City. The location is a good one, and enterprising mechanics will find it a good place to obtain homes at a moderate price and build up a good business.

HAIR renewed, baldness checked, the scalp made clean and white by the use of Hall's Vegetable Sicilian Hair Renewer.

"It's a fact, I buy cheaper there and get better goods, but my chief reason for liking to deal with Wanamaker & Brown is that they are always so polite and obliging.

TO MEASURE HAY.—Multiply the length, breadth and height into each other, and if the hay is somewhat settled, ten solid yards make a ton. Clover will take from ten to twelve solid yards to the ton, very nearly twelve yards.

WE have received the August number of the "Lady's Friend." Its beautiful engravings and colored fashion plate are not excelled by any other magazine, and the reading mater is of an interesting kind. We advise our lady readers to subscribe for this magazine. Price $2.50 a year. The Lady's Friend and Saturday Evening Post $4. Address Deacon and Peterson, Philad elphia.

BOARDING HORSE.—Mr. J. F. Lilly, of New Berlin, will keep a boarding-house on the campmeeting grounds between New Berlin and Centerville during the continuance of the meeting. Lodging and meals furnished, and horses taken care of and fed, at reasonable rates.

CAMP MEETING.—The Middleburg Mission of the United Brethern Church will hold their Camp Meeting in Mr. Thomas Bower's grove, in Franklin township, Snyder Co. about one mile south from Middleburg, to commence on the 9th of August. Conveyance to the Camp ground from Middleburg by omnibus. There will be a restaurant where meals will be served at reasonable rates. Huckstering will be strictly prohibited. The friends of this meeting mean "Work for the Master," and no time will be allowed for secular work after the commencement of the meeting. A general and most cordial invitation is given to all the friends of Jesus to come up to this "feast of Tabernacles" and worship with us.

A. GRAUL, Pastor.

AGRICULTURAL NOTICE.—The officers and members of the Snyder County Agricultural Society are requested to meet in Middleberg, on Saturday, July 29th, at 10 o'clock a. m., to receive proposals for the annual fair, fix upon the time, and transact other important business. The Officers and Vice Presidents of the different tps are particularly requested to attend.

T. BOWER, President.

D. S. BOYER, Secretary

A CHALLENGE.—To Gideon Amig, William Hughes, Lewis Snyder, and B. F. Kauffman, agent for the champion Machine:

GENTLEMEN, I hereby challenge you, or any one or more of you, to a contest between the DODGE REAPER and the CHAMPION. I shall select one person as Judge, you shall select another, and the two thus chosen shall select the third person, and these three shall be the Judges whose decision shall be final. The contest shall take place in a field of oats on the farm of Reuben Gemberling, in Penns township, on Wednesday, the, 26th day of July, 1871. Each party shall put One Hundred Dollars in the hands of such person as the Judges, or a majority of them shall select, and the amount thus put together shall be the property of the party representing the reaper in whose favor the report of the Judges or a majority of them shall be. I also extend an invitation to all other Self-Raking Machines in the county to take part in the contest.

Yours Respectfully,

JOS. WENRICH.

Selinsgrove, July 15, 1871.

To Nebraska, California, and Kansas, and the B. & M. R. R. Lands.

The "Burlington Route," so called, lies right in the path of the Star of Empire. It runs almost immediately in the centre of the great westward movement of emegration. Crossing Illinois and Iowa, it strikes the Missouri River at three points.

These three points are the gateways into three great sections of the trans-Missouri region.

The Northern gate is Omaha where the great Pacific road will take you to the land of gold and grapes, sunny mountains, and perpetual summer.

The Middle gate is Plattsmouth, which opens upon the South half of Nebraska, south of the Platte river, a region unsurpassed on the continent for agriculture and grazing. Just here are the B. & M. Railroad lands, concerning which Geo. S. Harris' the land officer at Burlington, Iowa, can give you all information and in the heart of them is Lincoln, the State Capital and Present Terminus of the road.

The Southern gate leads to Kansas by connections with the St. Joe Road at Hamburg, running direct to St. Joe and Kansas City.

The trains of the Burlington run smoothly and safely and make all connections. It runs the best of coaches, Pullman Palace and Pullman dining cars and should you ake the journey for the journey's sake alone, you will be repaid; or take it to find a home or a farm, and you cannot find either better than among the B. & M. lands, where you can buy on ten years' credit, and at a low price.

THE SINGER

THE REASONS WHY.

Because it embodies essential principles not found in any other Machine; because of its simplicity of construction, ease of operation, uniformity, of precise action at any speed, and capacity for the greatest range and variety of work, fine or coarse.

Parties wishing to purchase should not fail to examine the best of all Sewing Machines

Sew, sew, sew,
At morn, at noon, at night!
Works, sews, work,
But never out of sight!
For great and small, for young and old,
In summer's heat, in winter's cold,
By midnight lamp, by midday's sun,
'Twas sew, sew, sew, but never done,
When Grandma sewed.

As it Is.

Buzz, buzz, buzz; why how the panties fly!
Oh, oh, oh! 'twould charm the dullest eye!
The legs are sewed, the waistband's on,
The buttons set—the pants are done!
And here's a pair for Sam and John,
And Charley, too, and little Dan.
Now Mother sews on

DOTY'S
Washing - Machine,

LATELY MUCH IMPROVED—AND THE NEW

Universal Clothes Wringer

Improved with Rowell's Patent Rotary Cogwheels, and the Patent Stop, are now unquestionably far superior to any apparatus for washing clothes ever invented. They will save their cost twice a year, by saving labor and clothes.

Those who have used them give testimony as follows:

"We like our machine much; could not be persuaded to do without it after the trial of Doty, we feel that we are masters of the position."—Rev. L. Scott, Bishop M. E. Church.

"In the laundry of my house there is a perpetual thanksgiving on Monday for the invention."—Rev. Theodore L. Cuyler

"Every woman has given it a stronger hold upon the affections of the inmates of the laundry."—N. Y. Observer.

"I heartily recommend it to economists of time, money, and contentment."—Rev. Dr. Bellows.

"Friend Doty—Your last improvement on your Washing Machine is a complete success. I am sure you 'our Machine,' after a year's use, is thought of more to-day than ever, and would not be parted with under any circumstances."—Solon Robinson.

The N. Y. Weekly Tribune, of Dec. 17, 1870, in answer to a correspondent, says: "Of Washers there is none to be compared with Doty's."

Prices---A fair offer.

If the Merchants in your place will not furnish or send for the Machines, send us the retail price, Washer $15, Extra Wringer $5, and we will forward either or both machines, free of freight, to places where no one is selling; and so sure are we they will be liked, that we agree to refund the money if any one wishes to return the machines free of freight, after a month's trial, according to direction.

No husband, father or brother should permit the drudgery of washing with the hands, fifty-two days in the year, when it can be done better, more expeditiously, with less labor, and no injury to the garments, by a Doty Clothes Washer and a Universal Wringer.

Sold by dealers generally, to whom liberal discounts are made.

CULVERWELL'S CELEBRATED ESSAY on the radical cure (without medicine) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Losses, Impotency, Nervousness, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.
