McCanderal smooth-tongued werkingmen to go around among the furnace men, your own, are specially marked out to Penusylvania Reserves : be carried by this move. Wherever there is a furnace or a forge, it is proposed to institute a lodge of these Labor Union Reformers. They exist already in this city, Millersburg, (among coal miners), Duncaunon, Perry county, and other places. That an organi- W. Geary for Governor? zation will soon be started in your city I am satisfied. The money to rent rooms, procure books, send out stool known Copperheads-men who oppospigeons, &c , comes right square from cd the war ; men who, when you were the Democratic party, and the organ- in the field, with the clbow-touch ization is a fraud in fact and a cheat when death's brief pang was quickest, in practice. The purpose is to induce styled you and the rest of the soldiers good, honest Republican mechanics to of the Union army "Lincoln hirelings join, by pretending to care specially and murderers;" who said we, had no for the rights of the laboring classes, right to murder our dear Southern then get in enough Democrats to con-trei the lodge and vote the whole or-to coerce the South;" who said we, ganization in the interest of the Democratic party. The plan is well laid, und only wants to be known to be ex vate station in 1864, why do you ask posed. I will give you some facts the votes of the soldiers who said, by

London, August 14.—Batavia papers received by overland mail, via India, contain the details of a dreadful calamity which has visited the small Island of Tegalanda, in the Malay Archipelago, about fifty miles northeast of Celebes. As outburst of the volcane of Ruwang was accompanied by a concusion of the sea and a wave forty yards in height, which swept all tuman beings, cattle, and horses from the island. The number of persons the perished is stated at four handred and sixteen,

last, and was participated in by fully a quarter million of people, represent ing all parts of the world where the English language is spoken.

brattice work and props, and caused the roof to fall, and the sixteen victims were imprisoned behind the mass of fallen rock, with no means of escape until the debris could be cleared away from the front. One man, named Benjamin Davis, who was at work outside of the new gangway, was instantly killed by the explosion The men in the new gang, way are most likely dead, or will be before they can be reached.

[SECOND DESPATCH.]

Inave been proved by their own books a set of outrageous thieves.

KEOKUX. Iowa. August 12.—Near Eddyville. Iowa, yesterday, William Brigs intending to reopen an old coal shaft, sent his son and daughter to dip water. The son put down a ladder and was suffocited by fire damp. His sister, not hearing him, also descended, and Briggr comming to the mine with his brother and a hired man, and not hearing his children, they also descended by the call of the county, free of charge—Persons from the county free of charge—Persons on a new gangway where the explo-sion took place. The sheck toro away brattice work and props, and caused the roof to fall, and the sixteen vic-THE welcome news comes from the plosion The men in the new gang, cended, and Brigge comming to the

the most hapeless of all the Terri- The excitement is of the most intense description, even equalling that of the memorable Saturday in May. The CERTAIN Democratic papers, says the State Journal, continue to prate at the occurrence of this second disambout the great soldierly qualities of their caudidate for Auditor General No man can be a good soldier who questious the acts of his superior in shaft is similarly situated as that of command and he is a shaply rate in the West Pittston. When it was at and those having claims on the same will command, and he is a shabby patriot the West Pittston.
