Republicans Arouse!

A Grand Mass Meeting

Will be held in Middleburg on **TUESDAY, SEPTEMBER 26, 1871.**

General Judson Kilpatrick, Captain Schleimbuck, and other able and eloquent speakers will be present and address the meeting.

Let there be a full turn out from all parts of the county. Come from the hills and the valleys and hear the great questions of the day discussed by eloquent orators.

J. CROUSE, Chairman.
 H. H. GRIMM, Secretary.

At the election in Wilmington, Delaware, the Republicans elected their entire ticket by from 383 to 552 majority. They have also a majority of three in the City Council. Last year the Democrats had a majority of three.

The latest news from the election in Wyoming Territory gives the Republicans a majority of two in the Senate, and the Democrats a majority of two in the House. The Republicans are jubilant over the result, claiming the election as a Republican victory, and an endorsement of Gov. Campbell's administration. The last Legislature was unanimously Democratic.

The New York people are proceeding with systematic energy against the "ring" and in a manner which admits of no delay. The corruptionists are to be restrained from issuing more bonds, collecting taxes, and transferring real estate. This action will arrest the machinery of government and precipitate the immediate downfall of Hall and Connolly.

The work of funding the national debt now begins in earnest. With the proceeds derived from the new five per cents, Secretary Boutwell will begin to pay off the matured six per cents, or before the first of December, to the extent of one hundred million of dollars. The redemption of this hundred million will doubtless give a fresh impetus to subscriptions to the new loan.

Much has been said in relation to the alleged embezzlement of Evans, the agent of Pennsylvania to collect claims against the general government. The attempt made by the Democracy to impeach Governor Geary has utterly failed; may more, it is found that the only restriction on the agent were placed upon him by the Governor. The law having been singularly indefinite, was in a measure supplied by the requirements of the Executive before the agent entered upon the duties of his appointment.

The unfortunate woman whose body was found in a trunk at the Hudson River Railroad Depot, in New York, as related in our last number, has been fully identified as a Miss Alice A. Bowley, of Patterson, N. J. A handkerchief marked with her name was found in a wash tub in the house of Rosewitz, the quack doctor already under arrest, and the evidence against him is now thought to be ample to secure a conviction. Walter Conklin, of Patterson, the young man who is said to be responsible for the girl's ruin, committed suicide at his place of business on the 31st of August.

CALIFORNIA'S bright example should be imitated in Pennsylvania this fall. With the local and State administrations against them, the Republicans have revolutionized the State and carried it for the first time (except at the Presidential election of 1868) since 1866. On State issues the parties in California took precisely the same ground. It was on the broader field of national politics that the enemy were met and vanquished. In Pennsylvania all the advantages are on our side. Our administration of State affairs has been honest, wise, and economical, and with this element thrown in we ought to double our efforts and majority.

CALIFORNIA O. K.

The election in California on the 5th inst. resulted in a signal victory for the Republican ticket by a majority of over 5,000. We gain the Governor and one member of Congress, making the delegation stand two Republicans to one Democrat. To appreciate this victory it is necessary to review the field in former years. In 1867 Haight, the Democratic candidate for Governor, had 6,546 majority. The following year General Grant's popularity was sufficient to overcome this, and his electoral ticket was carried by 508 votes. In 1869 the Democratic candidate for Justice of the Supreme Court was elected by 8,081 majority. No election was held last year.

The last dispatch from California gives us all three of the Congressmen—substantial gain of two.

Maine.

Maine follows California. Another Republican victory.

The election in Maine on Tuesday was for a Governor and a Legislature, upon which devolves the selection of a United States Senator. So far as the returns inform us, we have made material gains. The fruits of the triumph are the Governorship, a gain in the Legislature, and the election of a Republican Senator to succeed Mr. Merrill. Following as a supplement to the recent unbroken series of Republican victories, this grand result is a renewed assurance of Republican strength and unity, which will everywhere solidify our ranks and demoralize the disheartened Democracy.

Tried—and not found Wanting.

This judicial district was wide awake in discussing the question of President Judge, ten years ago. The candidate was Hon. ISAAC SLENKER, long known to almost to every man, woman and child, as a lawyer of respectable talents, and a man of undoubted integrity. He was running, among old friends and neighbors, not as a party but as a "Union candidate. He had every advantage on his side, excepting that he belonged to a party then (as now) in the minority, although he and his party then (as they will now) tried to hide to hide that from view among Republicans, at the same time insisting upon a strict party vote among Democrats.

His opponent SAMUEL S. WOODS Esq., was almost an unknown man in two of the three counties composing the district, and gross falsehoods and ungentlemanly flings were freely used against him. Mr. Slenker personally canvassed from house to house, using the German language, (in which Mr. Woods was not versed,) and strong Republicans operating in his favor, openly or secretly, with marked success.

Mr. Woods had the hearty support of most of his party in his own county of Millin. But in Snyder county, in 1861, the Crawford county system had not been in use, and Mr. Woods by carrying delegates in one district by bare ONE majority, had but two majority in the nominating convention. He was announced as a candidate in Union county, but received only NINETEEN (19) votes, to THIRTEEN HUNDRED TWENTY-NINE (1329) for two opponents. So that ten years ago, there was a majority of THIRTY-SEVEN HUNDRED (3700) of the primary votes against Esq. Woods, as a nominee, in Snyder and Union counties. So strong was the prejudice against him, that the latter county was not represented in the judicial conference which nominated him, although the Republican Committee of Union county afterwards met and ratified the nomination.

Under such adverse circumstances, it is no wonder that the vote in October was close, as the figures show:

1861	Woods,	Slenker,
Millin county	1255	1521
Snyder	1375	1317
Union	1433	1156
	4023	3394

In those strong party times, a decided Republican, such as Judge Woods has been, would get few Democratic votes, while the presence of "no party" and "unionism," took from him many Republican votes.

AFTER TEN YEARS OF TRIAL, during which he has well cleared the Issue Lists which had been so long and so far behind, and thereby reduced Court expenses, and enabled suits to be tried promptly, Judge Woods is re-nominated by a decided vote of the Republicans in all the counties in his district. He has become generally known to the people concerned. There is little if any opposition in his party in Millin county, while his successful administration has won over to his support many of the other party. Even the Democratic organ of the county applauds him as a Judge, and advised that the party make no opposition, but re-elect Judge Woods—as other Judges are being elected—by common consent.

In Snyder county, where he had a bare majority ten years ago, he has now nearly THIRTEEN HUNDRED (1300) votes, against about FOUR HUNDRED (400) for two opponents.

In Union county where he had but NINETEEN (19) votes before trial, he has ONE THOUSAND AND THIRTY-FOUR (1034) in opposition. This after the Republican papers had been replete with paid assaults upon him, and extravagant puffs upon several of his opponents.

Briefly, then—after being on the bench ten years, Judge Woods has some FIFTEEN HUNDRED MAJORITY of the popular vote, as against THIRTEEN HUNDRED MAJORITY ten years ago. The men who voted for him are intelligent and independent citizens, who gave their honest suffrages from free choice and without compulsion.

His comparatively abstinance from active political strife has removed Democratic prejudices, and his entire disconnection from practice as a lawyer peculiarly fits him for re-election.

It is the part of malice, when one has misjudged a fellow-being, to make amends the first opportunity. The strong opposition of ten years ago, has in this instance manifestly changed to equal friendship.

"A safe man" was the consideration which re-elected Judge Wilson, and which swelled the vote for Mr. Slenker. We all know, now—what we feared, ten years ago, was not the case—that Judge Woods is "A SAFE MAN"—no novice—no untried character. He is about fifty years of age, and thus in the prime of mental and physical vigor alike removed from the rashness of youth and the timidity of age. His re-election, by a vote approaching unanimity, will encourage him and all the earnest upright Judges, in their arduous duties, and will, as I humbly conceive, be a grateful and prudent token of respect and confidence from the free electors of this peaceful district.

MODERATE.

S. ALLEMAN, of Snyder, was chosen Chairman, and C. J. Arms of Millin, Secretary. The following Conferees were present:

Union Co.—Mark Halfpenny, John K. Kramer, John Hayes.

Snyder Co.—S. Alleman, Joseph Wenrich, Milt T. Hantzelmann.

On motion of Mr. Kramer, seconded by Mr. Arms, Hon. S. S. Woods, of Lewistown was unanimously nominated for President Judge.

Moved, seconded and carried, that the Chair appoint a committee of three to draft resolutions. The following committee were appointed Messrs. McCoy, Hantzelmann and Halfpenny.

The following resolutions were unanimously adopted:

Resolved, 1. That we point with confidence to the Record of Hon. S. S. Woods during the past ten years upon the bench, as conclusive evidence of ability to fill the position to which we have this day nominated him; that he has shown himself honest, capable, just and impartial; that his decisions compare favorably with the contemporaries; that mercy toward the unfortunate a rigid enforcement of the law; and that by his high Christian character he has lent that dignity and authority to our courts which it is essentially necessary they should possess.

2. That, combining these undeniable qualifications, and adding thereto the experience of years in his office, our candidate is worthy the support of the good citizens of the district, irrespective of party, and we earnestly recommend him to all who would have our laws faithfully and impartially administered.

3. That we will use all honorable means in our power to secure the election of the nominee of this Conference, and that we may mark our approbation of his past course we will give him an overwhelming majority.

4. That the proceedings of this Conference be published in the newspapers of the district.

S. ALLEMAN, Chairman.
 Attest—C. J. ARMS, Secretary.

At the meeting of the Board of Directors of the Lewisburg, Centre & Spruce Creek Railroad Company, held in Phila., on Friday last, the bids were finally disposed of, and sections No. 36 to 44 inclusive allotted to D. H. Lutz & Son, of Pottsville, and sections 45 to 56 inclusive were awarded to L. J. Vandyk, H. H. Vandyk and James Moore. The work to be commenced within twenty days, and to be completed on or before the first day of March next. Col. James Moore, the last named contractor, is an old resident of Kelley township, Union Co., and is an experienced railroad builder. Sections 36 to 56 extend from the forks of Penns and Pine creeks (about six miles west of the Union Co. line) to Oak Hall, the intersection of the proposed Snow Shoe extension.—*Lewisburg Chronicle.*

DEMOCRATS are continually begging Republicans to vote for their candidates on the score of superior fitness, but never break away from their party discipline to vote for a republican nominee even if he is extraordinarily qualified for the position. As, for instance, an exchange of the opposite political faith says: "We desire to impress on one and all that the very worst Democrat should be voted for in preference to the very best Republican were they running together."

WHAT we had of Democratic rule at Harrisburg last winter was a sad lesson for the taxpayers. The session was prolonged unnecessarily, and during its five months' continuance the legitimate business was impeded, the expenses increased, and scarcely a public measure of any importance perfected.
