As a remedy it is alequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, and the distressing diseases which beset the Throat and Chest of childhood, Chempy Pectonal, is invaluable; for, by its timely use, maltitudes are rescaed from premature graves, and saved to the love and affection centred on them.
