

Heigh ho the farmer's wintry hoard:
Heigh ho the golden corn!
No richer gift has autumn poured
From out her lavish horn.

Let other lands, exulting, glean
The apple from its gloomy green,
The orange from its gloomy green,
The cluster from the vine.

We better love the harvest gift
Our rugged vales bestow,
To cheer us when the storm shall drift
Our harvest fields with snow.

Through vales of grass and flowers
Our ploughs their furrows made,
While, on the hills, the sun and showers
Of chequered April played.

We dropped the seed o'er hill and plain
Beneath the sun of May,
And frightened from our sowing grain
The robber-crows away.

All through the long bright days of June
Its leaves grew green and fair,
And waved in the midsummer noon
Its soft and yellow hair.

And now, with Autumn's moonlit eye,
His harvest time is come;
We pluck away its frosty leaves,
And tear its treasure home.

Then, richer than the fabled gifts
Apollo showered of old,
Fair hands the golden grains shall sift,
And knead its meal of gold.

Let vapid tillers loiter in silk
Around the costly board,
Give us the bowl of samp and milk,
By homely beauty pour'd.

Then shame on all the proud and vain
Whose folly laughs to scorn
The blessings of our harvest grain—
Our wealth of golden corn!

Let earth withhold her good root:
Let soil deny the orchard's fruit,
Give to the worm the orchard's fruit,
And wheat field to the fly.

But let the good old crop adorn
The hills our fathers trod,
Still let us, for his golden corn,
Send up our thanks to God!

HUMAN HAIR.

BY DR. DIO LEWIS.

In secret writ it is affirmed that the hair is the glory of the woman. In all countries it has ever been regarded as the richest of all her ornaments.

The Jews held the beard as sacred, and never alluded to it lightly. The Turks have ever held the beard in similar favor.

Baldness is produced by wearing close hats and caps. Women are never bald, and even men never lose a hair below where the hat touches the head.

There are many cases of dandruff, but the one with which, practically, we have most to do, is the mismanagement of the comb and brush.

This is generally produced by bad general health of the body, and is cured by improving the health, and washing the top of the head with water and rubbing it hard and frequently with the balls of the fingers.

Hard mental labor, great anxiety, sickness, and other similar exhaustive influences produce premature gray hair.

No rain has fallen at Pittsburg for about two months, and the Ohio river is lower than it has been since 1825.

PETER SPECHT.

Respectfully informs the citizens of this place and surrounding country that he is now prepared to manufacture to order, and has for sale,

Ayer's Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. It soon restores faded or gray hair to its original color, with the

gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated to activity, so that a new growth of hair is produced.

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA VINEGAR BITTERS, Hundreds of Thousands Bear testimony to their Wonderful Curative Effects. WHAT ARE THEY?

THEY ARE NOT A VILE FANCY DRINK, Made of Pure Run, Whiskey, French Wines and Reflex Laxative doctored, and sweetened to please the taste, called "Tonic," "Appetizer," "Restorer," &c., that lead the tipples on to drunkenness and ruin, but are a true medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants.

They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE perfect Invigorator and Invigorator of the system, clearing off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell.

For Infammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Nerves, and Head, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Acids, Pain in the Shoulders, Coughs, Tightness of the Chest, Distensions, Sour Eructations of the Stomach, flat issues in the Mouth, Stomach Aches, Headaches and Diseases of the Skin, of whatever name or nature, are literally dug up and expelled out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
