A Missing Will Recovered.

The Newark *Advertiser* relates the following:

Henry Dillion, an ex-Union soldier, proprietor of a newspaper stand at Mongomery and Hudson streets, yesterday received a check for $500 from the daughter of the late General Stegman of the Confederate army. The circumstances under which the money was paid are romantic. During the war Dillion served in the Second New Jersey Cavalry. He accompanied his regiment on Grierson's famous raid through Mississippi, and while on a scouting expedition one day encountered General Stegman and one of his staff officers. Shots were exchanged, and the rebel general fell from his saddle, mortally wounded. The staff officer fled, but was overtaken and captured by a comrade of Dillion's. In his dying moments General Stegman requested his slayer to take from one of his inside pockets his will, bequeathing all his property to his wife and daughter, and a life insurance for $40,000. He asked Dillion to keep them and send them to his family.

After the war Mr. Dillion advertised in vain for the owners, and he resolved to retain possession of the papers until some inquiries should be made for them. Recently an advertisement appeared in the Alabama papers offering $500 reward for the missing will. Dillion answered it, and General Stegmen's daughter came North as the guest of Roger A Pryor. She related the particulars of the long search for the will, the difficulties that had been encountered, the production of a forged will by her father's relatives, and their Mobile lawsuits. She expressed deep gratitude to Mr. Dillion for the recovery of the will, and that through it her mother and herself would be enabled to regain possession of their extensive Alabama and Georgia estates. The estates are valued at $300,000.

I saw a man, on Monday night, looking intently and seriously at his block of five story stores, on Water street, then writhing and roaring in flames. I knew him and watched him. His gaze was rivited. I pitied him heartily, for I judged that he was on the verge of despair. At last I ventured to approach and break his reverie. "Well, Blake what are you thinking of?" said I. "Ah—h!" said he, with a smile, "I was thinking that the rats must be catching h—ll."—*Chicago Letter.*

Here is a good one on "tatur bugs:" Three men were comparing notes. One says, "there are two bugs to every stalk." A second one says, "they have cut down my early crop, and are sitting on the fence waiting for the late crop to come up." "Pshaw," said the third, "you don't know anything about it. I passed a seed store the other day, and the bugs were looking over the books to see who had purchased seed potatoes."

A Louisville paper contains this dialogue:

"Hello, dar, you nigger, what you axe for dat ole blind mule, hey?"

"Well, I dunno; guess I mout take thirty-five dollars."

"Thirty-five dollars! I'll gib you five."

"Well, you may hab 'im; I wont stand on thirty dollars—in a mule trade."

An Irishman noticing a lady pass down the street, espied two stripes depending from under her mantle. Not knowing that these were styled saables and were hanging in their right place, he exclaimed: "An' faith, ma'am yer galluses are loose!"

A reader of an article in an evangelical weekly, "On converting United States five-twenties," says he longs to be a missionary in that field, and thinks he should cleave unto his flock.

"Remember who you are talking to, sir," said an indignant parent to a facetious boy; "I am your father." "Well, who's to blame for that," said the young impertinence; "tain't me."

The astromomers announce that two comets will be visible to the naked eye in a few weeks—Encke's in the evening and Tuttle's in the morning skies.

One who wishes the world to know what he knows about farming, says that the best way to raise strawberries is with a spoon.

A greenhorn was offered, at a public table, a plate of maccaroni soup, but declined it declaring that they "couldn't play any biled pipe-stems on him."

If three feet will make a yard, how many hands need you employ to build a wash-house in it?

A minister at a eating house gave the order: "Roast beef, well done thou good and faithful servant."

'Twas sew, sew, sew, but never done,
When Grandma sewed.

And Charley, too, and little Dan.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of **Consumption**, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing **Coughs**, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome **Influenza** and painful **Bronchitis**, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.

Littlefield's Patent Improved Base

COAL STOVE.

In this pattern of THE MORNING GLORY several new and important features have been embodied, which can only be seen to be admired. This new stove is made entirely of cast iron, so fitted as to be air tight but can be made with sheet-iron upper section when preferred by the purchaser. Its ornamental finish is drapery, making it a handsome piece of furniture, far more so than any stove heretofore made. Its internal construction, though resembling some of the former patterns of The Morning Glory is quite different, making it more durable, and far less difficult to be repaired. The castings are of the highest order, fully equaling the finest castings made in this country.

Among the many ADVANTAGES in the use of the Morning Glory are the following:—1. Cleanliness Burning. 2. Quality of the Heat. 3. Ventilation through the stove 4. Anti-Dust Stove. 5. No Escape of Gas 6. Economy of Fuel.

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE**, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
