How to Get Plenty of Fresh Eggs.

In a long communication to the Germantown *Telegraph* upon the subject of poultry, Mr. E. Dwight of Hudson, Michigan, considered the question, "how to get plenty of good flavored fresh eggs with little trouble," and thinks if there is any secret in it he has discovered it and makes it some public for the benefit of all interested. He says:

"Once thirty years ago, I was just troubled as my neighbor now is. I fed my hens plenty of corn and got but few eggs. I reasoned upon the matter, and happened to think that the constituent parts of milk and the white of eggs were much alike. As it has long been known to millers that wheat middlings and bran are about the best to make hens lay eggs? I tried it and since then have had no trouble. My mode of preparing the feed is to mix about five parts of bran with one of middlings. In the morning I wet up with water about 1 quart of the mixture in a large tin pan, taking pains to have it rather dry though all damp. This I set in a warm sunny spot south of their shed, and they walk up, take a few dips, don't seem to fancy it like corn, and start off on a short hunt for something better, but always come around in a short time for a few more from the dish of bran. There is little time during the whole day but what one or more are standing by the pan and helping themselves. I am careful to mix for them just as much as they will consume during the day. At night just before they repair to the roost, I usually threw them about a pint of shelled corn well scattered, so that each one can get a few kernels. If your hens don't learn to eat this feed at first, sprinkle a little Indian meal into it. I would like all who complain of getting no eggs to try my plan and I think they will never be sorry."

A Cross Examination.

One of the most prominent ornaments of the bar, celebrated for his genial disposition, found himself about the close of the war washed ashore high and dry pecuniarily, in the city of Richmond, where he was forced to hang out his shingle in the Hustings Courts. One of his first clients was a youth, who was arrested at the instance of a respectable negro man of family, for having "rocked" his horse and severely injured his daughter with a stone thrown through the window. At the examination, old Pumpey was put upon the stand, and proved the charge in such unmistakable terms that it would have gone hard with our friend's client had it not been for the cross examination:

Lawyer—"You say one stone came into the room where you were sitting with your family, and struck you daughter?"

Pomp—"Yes, boss."

Lawyer—"Where did it strike her?"

Pomp—(Silence for a while) "I don't like to tell, boss."

Lawyer—"But you must tell, I demand again where did it hit her?"

Pomp—"Dat all foolishness boss: I tell you it hit her. I don't like t tell where 'fore dese ladies in court."

Lawyer—"But you must answer. Where did it hit her?"

Pomp—(Slowly) "On the buzzom, boss."

Lawyer—"Well, how severely did it hit her?"

Pomp—"Oh, quit this foolishness. I ain't gowine to tell."

Lawyer—"Again I must insist upon my question being answered. Did it injure her?"

Pomp—(in despair,) "No sah! it did not injure her, but it hit the man's hand that was payin' 'tention to her."

The case was dismissed immediately for want of jurisdiction.

A MAN in Jersey Shore found his wife in the woodshed, with a neighboring physician, and they were kissing each other in the awfullest kind. He told the doctor he could go home if he wanted to, even assisting him over the fence with his boot. The doctor went right along without asking why, or anything of the kind. The man then turned to his wife, and strange to say she began to cry. He asked her in tones of deep distress why she wept, or what in thunder she was blubbering about, or words to that effect, when she told him between her sobs that "his want of confidence in her, terribly affected her sensative nature." The man was so affected by her simple tale that he went off and kicked his dog.

A man lost his wife, and had a stone erected over her grave. He married a second wife; when she died he had the grave stone split, and it thus served for the two departed. He proposed to a third; but she declied the offer, with the remark, "I do not believe that stone will split again."

DR. J. HOOFLAND'S CELEBRATED
GERMAN BITTERS,
Prepared by Dr. C. M. Jackson, Philadelphia, Pa.
Made of Pure Rum, Whiskey, Proof Spirits and Refined Liquors, to which are added the Medical Properties of Roots, Herbs, Barks, &c., that have proved by many years' use in the hospital, private practice, and among seamen in all climates, to be the most perfect remedy in the world for Liver Complaint, Dyspepsia or Indigestion, Diseases of the Kidneys, and all diseases arising from a disordered Liver, Stomach or Intestines.

THESE BITTERS
Are not a vile drugged and poisoned Rum Drink, but are the purest and best tonic ever offered to the American people, and will cure where any bitters, or tonic, in the shape of medicine can cure. They are a gentle Purgative as well as a Tonic, possessing in a remarkable degree the power of acting upon the Liver and Digestive Organs, when costiveness or piles are present.

DYSPEPSIA OR INDIGESTION.
Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

No medicine in the World can be found to equal HOOFLAND'S GERMAN BITTERS, in such cases, as they will restore the patient to perfect health, and impart new vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Change the Vitiated Blood whenever you find the impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

FOR TAPE WORMS, or WORMS of any kind, these Bitters will soon destroy and remove them. For full directions, read carefully the circular around each bottle.

THE MORNING GLORY
Littlefield's Patent Improved Base
COAL STOVE.

In this pattern of THE MORNING GLORY several new and important features have been embodied, which can only be seen to be admired. The new stove is made entirely of cast iron, so fitted as to be airtight but can be made with sheet-iron upper section when preferred by the purchaser for ornamental finish in drapery, making it a handsome piece of furniture far more than any stove heretofore made. Its internal construction, though resembling some of the former patterns of The Morning Glory, is quite different, making it more durable, less liable to be repaired, more easily set or fitted, and in better order, in fact the best cooking stove made in the country.

Among the many advantages in these stoves are the following, viz: 1. Economy in the use of fuel. 2. Ventilation through the Ash and Dust Sieve. 3. No escape of Gas in burning of fuel.

"THE BARLEY SHEAF."
Anti-Dust Air Tight Cooking Stove with Extended Fire-Box for Wood or Coal.
Patented May 16th, 1865.

We take pleasure in offering our customers and the Stove Trade, a Now first-Class Cooking Stove, and would call *particular attention* to its many attractive and valuable improvements.

This Stove has been carefully tested for several months, and the results have proved highly satisfactory, that several of our oldest and most experienced stove dealers predict for it a sale far beyond our ability to supply this season.

Stoves front Foundry, giving full use of the hearth.

The oven is nearly as wide as the stove, so arranged as to give more room in the upper part of the oven, a great convenience when roasting.

The oven is nearly as wide as the stove, so arranged as to give more room in the upper part of the oven, a great convenience when roasting.

The stove is nearly as wide at the top as the kettle lids, which not only increases the size, but will be recognized as a great advantage in baking.

DOTY'S CLOTHES WASHER.
The best, cheapest, and most popular Washing Machine ever invented.

It is easy to operate, sitting or standing, takes but little room; injures no garments; finishes its work from one to two or four Minutes; is durable and convenient; and it is only Washing Machine known that is liked the better the longer it is used.

THE UNIVERSAL CLOTHES WRINGER.
The GREAT FAMILY ECONOMIZER.

The terms of our Patent call our Machine a "Wringer." Years of experience prove it also to be a most EXCELLENT WRINGER.

While we reduce every invention for washing machines to a principle they all succeed to that of pressing and squeezing, and forcing the water through them from or across the dirt. Most Washing Machines do it by rubbing. The Universal Wringer does it by pressing.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings**, they should be taken in large and frequent doses to produce the effect of a active purge.

For **Suppression**, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

THE SINGER
SEWING MACHINES!
AHEAD OF ALL OTHERS!
THREE THOUSAND PER WEEK ARE NOW BEING MADE AND SOLD!
THE REASONS WHY.
Because it embodies essential principles not found in any other Machine: because of its simplicity of construction, ease of operation, uniformity, of precise action at any speed, and capacity for the greatest range and variety of work, fine or coarse.
Parties wishing to purchase should not fail to examine the best of all Sewing Machines
As it Was.
Sew, sew, sew,
At morn, at noon, at night!
Work, work, work,
But never out of sight!
For great and small, for young and old,
In summer's heat, in winter's cold,
By midnight lamp, by midday's sun,
'Twas sew, sew, sew, but never done.
When Grandma sewed.
As it Is.
Buzz, buzz, buzz: why how the panties fly!
Oh, oh, oh! 'twould charm the dullest eye!
The legs are sewed, the waistband's on,
The buttons set—the pants are done!
And here's a pair for Sam and John,
And Charley, too, and little Dan.
Now Mother sews on
SINGER'S NEW MACHINE.
We advise all who want a first class Sewing Machine, one that will sew linen or glazed thread as well as any other, to go to
D. W. ANGELL,
on North Third St., in Lewisburg,
BATHFON & WINTERS, New Berlin,
or I. B. SMITH, Selinsgrove,
And get one of these Famous Singer Machines, for there you will get instructions, as you can get at no other place; and if a Singer is put in your family, happiness will be sure to follow.
