Ayer's Sarsaparilla. It is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and indolence of the season. Even where no disorder appears, people feel better, and live longer for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
