FREEBURG ACADEMY.—The Spring Session of this Institution will open Tuesday, April 2d under the tuition of Prof. D. S. Boyer and the usual complement of able instructors.

The *Freeburg Courier* gets off a "big blow" thus: "The Courier is the largest paper &c." We are compelled to give the Courier gentlemen credit with thoroughly understanding Dan Rice and Princess T. Barnum's secret of success, viz: The side or Snake show must be advertised by means of a "bigger" bill than the "big show." A rural New Yorker presents Barnum with a "possum" and the next morning one half of Manhattan island is covered with flaming posters announcing the capture of an unnameable, furious wild beast—the multitude bite and are bitten. Go on gentlemen you are posted. Have you read Barnum's biography, as written and sung, by himself?

Johnson's Anodyne Liniment, is without doubt, the safest, surest, and best remedy that has ever been invented for internal and external use. It is applicable to a great variety of complaints, and is equally beneficial for man or beast.

We have seen it stated in various papers throughout the country, that Agents for the sale of Sheridan's Cavalry Condition Powders were authorized to refund the money to any person who should use them and not be satisfied with the result. We doubted this at first, but the proprietors authorize us to say that it is true.

MAGNIFICENT PREMIUMS.—The publishers of "OUR FIRESIDE FRIEND," the new eight page, illustrated, literary and fireside weekly journal, published in Chicago evidently mean to secure for it, speedily, a very large circulation. The premiums they offer are indeed, numerous, and the list is large and varied. The first grand premium is $20,000 in United States Currency. Five thousand premiums are to be given to the subscribers for 1872 and the lowest offered is worth in retail the subscription price of the paper. Thus while the paper is worth the subscription price an opportunity is presented of securing a valuable premium, possibly one of the most magnificent in the list. Every subscriber participates in the distribution. The publishers are WATERS FARRIS & Co. 733 State St., Chicago.

Specimen copies and Premium list sent free on application.

BAZAR.—Monthly for April.—There is no magazine in this or any other country that will compare with Bazar's for the variety and interest of its contents. It caters for all classes; and old and young, rich and poor, will find something in its table of contents to please and charm them. Boys and girls find in Bazar's department that is especially appropriated for their interest, amusement and instruction; and all who read the Bazar's monthly conclusions in its favor, and call it the most popular of all the journals in the country. It contains historical tales, new games, wonderful adventures, the best poetry, traveling romances, and numerous fine illustrations, and is sold at the low price of 15 cents per copy, or $4 per year, postage included. Try a number and see. Address Harper & Brother, 329 Congress Street, Boston. If the Bazar should be out when it is first applied for, it will be out in a few days after, and can be had of any periodical agent.

GREAT DISCOVERY.

Kunkel's Bitter Wine of Iron.

For the cure of weak stomach, general debility, indigestion, disease of the nervous system, constipation, acidity of the stomach, and all diseases arising from impure blood.

The wine builds the most desirable and efficient Schoolroom we have ever seen. Composed of Majestic Oak Bark, Orange Peel and the most energizing of vegetable tonics—Old Peruvian Bark.

The effect of many cases of debility, loss of appetite, and general prostration, of an efficient salt of iron, combined with the valuable Xarra, is most happy. It stimulates the appetite, raises the pulse, takes off nervous debility, removes the pallor of debility, and gives a florid vigor to the countenance.

Do you want something to strengthen you?
Do you want a good appetite?
Do you want to build up your Constitution?
Do you want to feel well?
Do you want to get rid of nervousness?
Do you want energy?
Do you want to sleep well?
Do you want a brisk and vigorous feeling?

If you do, try Kunkel's Wine of Iron

This truly valuable Tonic has been so thoroughly tested by all classes of the community that it is now deemed indispensable as a Tonic medicine. It suits but little, purifies the blood and gives tone to the stomach, renovates the system and prolongs life.

I now only ask a trial of this valuable Tonic.

Price $1 per bottle. E. F. Kunkel, Sole proprietor, N. E. Corner Tenth and Chestnut streets Philadelphia.

Ask for Kunkel's Bitter Wine of Iron and take no other. If your Druggist has it not, send $1 to my Address, and the medicine, with advice free, will come by next express train.
