THE POST.

.....MAY 4, 1872

TOWN AND COUNTRY.

...the School Directors of Snyder County.

GENTLEMEN :—In pursuance of the ... and section of the Act of 8th May A. D. ... You are hereby notified to meet to consider ... section, at the Court house in Middleburg, on ... FIRST TUESDAY IN MAY, A. D. BEING ... THE 7th DAY OF THE MONTH, at 11 o'clock ... the forenoon, to select viva voce, by a majority of the whole number of directors present, one person of literary and scientific acquirements and of skill and experience in the art of teaching, as County Superintendent, for ... three succeeding years; determine the amount of compensation for the same; and certify the result to the State Superintendent, at Harrisburg, as required by the 30th and 40th sections of said act. WM. MOYER

Co. Supt. of Snyder County.

Freeburg, Pa. Apr. 15, '72.

We would call the attention of our patrons and readers to the communication, in relation to the Sabbath School Convention announced to convene, at Beavertown May 8th.

MAGNIFICENT.—The American Centennial Anniversary Chart, just published by Messrs. T. R. Callender & Co. Philadelphia, in aid of the Centennial Celebration fund, is a beautiful and appropriate ornament. This will be a valuable memento of the great event.

On account of a letter received from one of the parties residing in England, and in interest, in the sale of the "Meredith Lands" advertised in this paper to be sold on the 9th ult., at the Exchange in Philadelphia, the sale of the same has been indefinitely postponed.

FIRE AT MCCLURE.—We learn that on the 17th ult., the Steam Portable Saw Mill belonging to A. Holshoe, the station agent at McClure, was, with all its contents, including a fine new engine, destroyed by fire. It was most probably set on fire, but some think it originated from friction. Loss estimated at $3,000 with no insurance.

A NEW HEALTH MONTHLY.—"The Science of Health," just commenced by S. R. Wells, 389 Broadway, New York, will advocate the Hygienic method of treating disease; its remedial agents being air, light, temperature, diet, bathing, exercise and rest, electricity, magnetism, etc.,. It will, no doubt, become popular as a health teacher, in the broades and best acceptation of that term. May success attend the new enterprise!

OUR jovial friend and prince of merchants Wm. H. Beaver, has just returned from the city, and if we dare believe the Farmers, Mechanics, Laborers their wives sons, and daughters, he has received one of the finest stock of Spring goods in the county. The constant rush to Beaver's store, is of itself abundant evidence of the fact that his goods are excellent, and cheaper than the cheapest.

WM. H. BROWN Supt. of the S. & L. R. R. and his worthy corps, deserve the thanks of the community for the energy and taste displayed, in the building of our Depot, it is not alone a credit to the Road, but adds much to the appearance of that part of the borough. The recent alteration, gives us spacious Lady's and gentleman's rooms; and commodious Ticket and Telegraph offices.

THE CAUSE OF TEMPERANCE finds some of its most insidious and dangerous foes in the many so called "tonics" and appetizers," made of cheap whiskey and refuse liquors, finished up to suit depraved appetites, under the name of medicines. Dr. WALKER'S CALIFORNIA VINEGAR BITTERS are none of these. They are not a beverage, but a genuine medicine, purely vegetable prepared from California herbs by a regular physician. For all diseases of the stomach, liver, kidneys, bladder, skin and blood, they are an infallible and unrivaled remedy.

We should not hesitate to recommend to friend of ours, "Parsons' Purgative Pills: they are scientifically prepared, and are adapted to all the purposes of a good purgative medicine.

Decidedly the best remedy that has ever been discovered for rheumatism, swollen or stiff joints, flesh wounds, sprains, bruises, cuts, and burns, is "Johnson's Anodyne Liniment. We use it, and always recommend it to our friends.

FIRE.—We can scarcely touch an exchange that does not chronicle some new devastation occasioned by the Fire Fiend, who seems to have unlimited license for the last year. The destructive fire in Selinsgrove is followed by one in Sunbury, and again by one in Harrisburg. We have not escaped, on the 27th ult., about 3 o'clock in the morning the terrifying cry of fire struck the ears of our slumbering borough, and on awaking we found the Saw mill of Thomas Bower Esq., in full blaze, it was impossible to arrest the destruction of the mill, and all attention was turned to the protection of the neighboring dwellings, but for the calm at the time, a great conflagration might have followed. There was no insurance, and the loss is estimated at $1,000.

STRANGLED.—A correspondent informs us that on last Friday afternoon a week, at the junction of the Hanover Bridge and Bachman Valley railroad, Mrs. Emanuel Wetzel went to do something in her garden, leaving her child, five months old, asleep in bed. The mother occasionally went to the window, to be assured that her child was still sleeping. After some time she went to the house, and was terrified to find the child dead. It had slipped from the bed next to the wall, and hung by the neck between the bed rail and the wall, the feet not touching the floor. The child had worked the bed clothes into its face, probably by involuntary efforts to extract itself; and either died from suffocation or strangulation.—*Bloomfield Times.*

PAXTONVILLE.—On a late visit to our adjacent village, we were both gratified and surprised at its progress. But the "Brown House" eclipses all; and which has lately been erected by our worthy friend Henry Benfer Esq., late assistant assessor of Snyder county. The House is named after the worthy, active, and energetic Superintendent of the S & L. R. R. Wm. H. Brown; whose untiring labor in the interests of the road, has endeared him to; and invited the admiration of our people. If, as we are confident, the proprietor of the Brown House proves as efficient as Landlord, the traveling public will be greatly benefited, and need have no fears, of Strychnine and Tangle-foot dealt out to them at his bar. Give him a call and you will ever find him attentive, social and obliging, and his table well spread. The House is located near the Depot.

MAIL SERVICE.—The P. O. Department advertises for proposals for the following routes until 10th May:

2201 From New Berlin, by Penn's Creek, to Middleburg, 24½ miles and back 3 times a week.
Leave New Berlin, Tuesday, Thursday and Saturday at 8 a. m.
Arrive at Middleburg by 10 30 a. m.
Leave Middleburg Tuesday, Thursday and Saturday at 3 15 p. m.
Arrive at New Berlin at 5.45 p. m.

Proposals invited for six times a week service.

2216 From Middlecreek to Beaver Springs, 3 miles and back, three times a week by a schedule of departures and arrivals satisfactory to the postmaster at Middlecreek.

2217 From Bannerville to McClure, 4 miles and back, three times a week, by a schedule of departure and arrivals satisfactory to the postmaster at Bannerville.

THE spirit of improvement moves our people, not alone in the borough but in our neighboring township, Franklin. Our mercantile friends, S. Wittenmyer & Son are busy at work and have almost completed, one of the finest store rooms in this part of the country. Wittenmyer's corner will soon be an attraction and credit to our borough. John Dorn Esq., has erected and nearly completed a fine dwelling in main street, which adds much to the appearance of the town; many others are at work repairing, impoving and rebuilding, so that in a few weeks *Middleburg* will appear in a new dress.

HOME AND HEALTH.—The April number of this valuable and spicy family and health journal is received and deserves more than a passing mention. The May number is to be greatly enlarged, and will be under the editorial management of Rev. Geo. G. Lyon, a gentleman of rare acquirements. In every number there will be the most entertaining and instructive reading for parents and adults, the choicest stories and anecdotes for young people and children, wit and humor for old and young, &c., &c. Numerous practical suggestions on the art of preserving the health, on the care and food of infants, and on the home treatment of all diseases and ailments. $1.50 per annum. Address: HOME PUBLISHING HOUSE, 52 Fourth Avenue, New York.

INTERESTING TO TOBACCO GROWERS.—The new tax and tariff bill reported by the committee on ways and means to the House of Representatives contains the following provisions:

"Every farmer or planter producing and selling leaf tobacco shall hereafter be required to keep in a book, the form to be prescribed by the commissioner of internal revenue, a record of all his sales of leaf tobacco, the number of hogsheads, cases, or pounds, with the name and residence, in each instance, of the person to whom sold and the place to which it was shipped. And any farmer or planter who shall produce and sell leaf tobacco without keeping or causing to be kept the book herein prescribed shall be liable to a penalty of not less than $100 nor more than $500."

THE LADY'S FRIEND FOR MAY.—This number opens with an uncommonly beautiful engraving of "The Lady Eileyn"—who is kneeling at an open window, and evidently awaiting the coming of her own true Knight.

The Fashion designs are as usual, novel and stylish, and the pattern department is amply illustrated with models for useful and ornamental wear, suitable for ladies of moderate means, as well as the wealthy. In the literary department, which is as rich as usual, we note "Pink Corals," "The Old Maids of Hopeton," "Shiloh," and Mrs. Henry Wood's absorbingly interesting story of "Within the Maze; Price, $2.00 a year. "The Lady's Friend" and "The Saturday Evening Post," $4. Published by Deacon & Peterson, Philadelphia.

KUNKEL'S BITTER WINE OF IRON will effectually cure all diseases arising from a disordered liver and stomach, such as constipation, flatulence, inward piles, fullness of blood to the head, acidity of the stomach, nausea, heartburn, disgust for food, fulness or weight in the stomach, sinking or fluttering at the pit of the stomach, swimming at the head, hurried or difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, &c., Price $1. per bottle. E. F. Kunkel, proprietor, Depot, 259 North 9th st., below Vine, Philadelphia. Ask for Kunkel's Bitter Wine of Iron, ask take no other. If your Druggist has it not, send $1 to my Address, and the medicine, with free advice, will be sent to you at once; direct as above.

Iowa. Nebraska. Kansas. California.

Advertising alone does not produce success. The thing which is advertised must have intrinsic merit, or else large advertising will eventually do it more harm than good. If you have anything you know to be good, advertise it thoroughly, and you will be sure to succeed; if it is poor don't praise it, for people will soon discover you are lying.

Such is the policy of the Burlington Route, which runs to the three great regions in the West; 1st, To Omaha, connecting with the great Pacific Roads. 2d, to Lincoln, the capital of Nebraska, and all that beautiful region south of the Platte, filled with R. R. lands and homesteads. 3d, To St. Joseph, Kansas City and all Kansas points.

The roads are splendidly built, have the best bridges, finest cars, the Miller platform and coupler, and the safety air brake (to prevent the loss of life that is every where else happening); Pullman's sleepers, Pullman dining cars, large and powerful engines (to make quick time and good connections, and are in a word the best equipped roads in the West. So that if you desire to go safely, surely, quickly and comfortably to any point in Southern Iowa, Nebraska, Kansas, or on the Pacific Roads, be sure that you go "By Way of Burlington."

All who wish particular information, and a large map, showing correctly the Great West, and all its Railroad connections, can obtain them, and any other knowledge, by addressing General Passenger Agent, B. & Mo. R. R. R., Burlington, Iowa.

To Consumptives-

The advertiser, having been permanently cured of that dread disease, Consumption, by a simple remedy, is anxious to make to his fellow sufferers the means of cure. To all who desire it he will send a copy of the prescription used, (free of charge, with the directions for preparing and using the same, which they will find a SURE CURE for CONSUMPTION, ASTHMA, BRONCHITIS &c. Parties wishing the prescription will please address Rev. EDWARD A. WILSON, 265 South Third Street Williamsburgh N. Y No 1871-y

VINEGAR BITTERS

PURELY VEGETABLE FREE FROM ALCOHOL
D. WALKER'S CALIFORNIA
VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskies, Fusel Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a recital of certificates.

For Female Complaints, in connection with, or single, at the Change of Life, these Bitters display so decided an influence that a marked improvement is soon perceived.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing the power of acting as a powerful purgative in relieving Congestive or Inflammatory diseases of the Liver, or other visceral organs.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in seven languages. Every symptom of Worms in the System will be found among the symptoms of the disease universally prevailing at this season of the year.

Mechanical Diseases. Persons exposed to Paints and Minerals, as Painters, Type-setters, Gold-beaters, and Miners, as they advance in life, are liable to Paralysis, or Palsy. The Gums become spongy and recede from the teeth, the Joints Stiffen, Muscles Contract, and Rheumatic pains set in. Take VINEGAR BITTERS internally, and bathe the affected parts freely.

Scrofula, or King's Evil, White Swellings, Tumors, Ulcers, Neck Tumors, Goitre, or Thick Neck, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Fistula, Diseases of the Bladder, Kidneys, and all Glandular Diseases, are literally conquered by the use of these Bitters.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Counter-Irritant, Sedative, Narcotic, and Alterative, and they act directly upon the Blood and Mucous Surfaces of the body through these five classes of remedies.

The Aperient function is performed by the Gastric Juice, Bile, Pancreatic Secretion, and Mucus of the Alimentary Canal, which are the natural solvents of all food, and which, when deficient in quantity or vitiated in quality, cause indigestion, and all the long train of diseases originating therein.

Purifies the body against disease by the Diaphoretic action of the skin, the Kidneys, and the Lungs, which throw off all impurities through these excretories.

Directions.—One wineglassful of the Bitters to be taken three times a day, one hour before each meal, or as a dose when required by the sick. Shake well before using.

Druggists and Gen. Agts., San Francisco, Cal., and cor. of Washington and Charlton Sts., New York.
