THE POST

MIDDLEBURG.....JUNE 29, 1872.

TOWN AND COUNTRY.

The prospects for abundant summer crops have been very materially changed by recent generous rains.

LOCUSTS.—Seventeen year locusts have put in their appearance to an alarming extent in this county. Almost every tree and shrub is laden with them and their chirps, reminding one of Pharo's time, is heard in all directions.

LARGE quantities of grain are now being taken to market by our farmers. This is doubtless owing to the high prices paid by our grain merchants. Those having a supply on hand for sale would be acting wisely by disposing of the same at present rates.

BARGAINS TO BE HAD.—Our readers will find it to their advantage to call at Albert's new Store, near the depot. He is dispensing of a fine selection of Dry Goods, clothing and dress goods, at cost. Good linen Coats can be had at 90 cts. to 1,25. Call and be convinced.

YOUNG AMERICA for July is the most interesting periodical we know for juveniles. The Editor gives us an excellent full length portrait of himself in the present number. *Mice at Play*, and *Just my Luck* are continued, more interesting than ever. Published by W. JENNINGS DEMOREST, 838 Broadway, New York. $1.00 per year.

DEMOREST'S MONTHLY MAGAZINE for July contains an ample store of refreshing literature, including a continuation of "Beck at the farm," by Neil Forrest; choice poems and music, splendid illustrations, fashions, household, etc., etc., and a four page engravings of the city of Viena, the scene of the World's Exposition in 1872. Price, $3 yearly. Published by W. JENNINGS DEMOREST, 838 Broadway, N. Y.

SERENADE.—Our Coract Band favored our office with an excellent serenade on Thursday evening. We hereby tender our thanks for the same. We were really surprised to see the improvment they have made within the last few months. Mr. Steiler, the leader., deserves great credit for giving Middleburg a band of which her citizens need not be ashamed.

ACCIDENT.—A son of William Barth, of Freeburg whilst attempting to defend himself from a locust that had been flying about his head, accidently tred into a scythe with which he was mowing at the time and severely cutting his feet. Jacob should hereafter remember, that there is more danger in sharp steel than there is in the harmless flickering of a locust.

BULL dogs out west are having lots of fun and plenty of healthful exercise in running lightning rod men off the farms. It would not be a bad plan for our Snyder county farmers to dispense with their useless curs and procure larger dogs to guard their premises. Patent Right men, lightning rod peddlers, hummers and swindlers of all kinds are getting to be regular pests to our good country people.

DROWNED.—On Monday of last week, Daniel Longacre, an employee at the Keystone Hotel, in Selinsgrove, met with a premature death by drowning. He, in company with several boys was bathing in the canal near the railroad bridge and being an inexperienced hand at swimming he was accidently drowned. He was about 16 years of age and an orphan.

An inquest was held on his remains by Justice Eby, after which the Overseers of the poor took charge and had the same interred.

If "Johnson's Anodyne Liniment" is half as valuable as people say it is, no family should be without it. Certainly no person, be he lawyer, doctor, minister, or of any other profession, should start on a journey without it. No sailor, fisherman, or woodsman should be without it. In fact it is needed wherever there is an ache, sprain, cut, bruise, cough or cold.

Farmers and "Horse Men" are continually inquiring what we know of the utility of "Sheridan's Cavalry Condition Powders, and in reply, we would say, through the columns of the Post that we have heard from hundreds who have used them with gratifying results; that is also our experience.

MUSIC IN YOUR HOMES.—Our readers can find nothing which tends to fill the Home Circle with such cheerful faces and happy hearts, as the cultivation of music around the fireside; and we hope the day is not far distant when every home will enjoy this great blessing.

WHITNEY'S MUSICAL GUEST is doing much towards the advancement of this beautiful art. It gives in every number music worth more than the subscription price per year. The June number contains a song and chorus entitled "Sometime," the quartettes "June," and "Morning," a Sunday School chorus "Jerusalem the Golden," and "Sunbeam Galop," and "Good Humor Waltzes." At the low price of $1.00 a year, it should find a welcome in every household. Send 10 cents for a specimen copy and satisfy yourselves. Address, W. W. WHITNEY, Toledo, O.

SINGULAR ACCIDENT.—The community in the neighborhood of Joseph Boor's, in Snake Spring Valley about two miles above town, was thrown into a fever of excitement on Friday, by the report that the earth had suddenly opened and swallowed two horses belonging to Mr. B. Several of the neighbors repaired to the spot, only to find the story too true. It seems that two sons of Mr. Boor were engaged in hauling rails from a piece of woodland, and as they were driving along at a certain point, without any warning, the ground suddenly gave way under one of the horses, and he disappeared, dragging the other animal after him. The aperture through which they passed, was barely large enough to admit of the bodies. The boys were terribly frightened, and gave the alarm. Ropes were procured, and several gentlemen descended into the cavern. One horse was found lodged about twenty feet from the surface, at a point where the cavity changed direction, but the other was nowhere to be seen. The first animal was lifted from his position, and search made for the other, the body of which was finally found about thirty feet further under ground. The extent of the opening has not been ascertained, but from the indications it seems almost bottomless. The fact that the same spot has been driven over for years and no sign of such an extensive opening until now, is most strange.—*Bedford Press.*

NOTICE.—The committee appointed by the quarterly conferences of Sunbury and Middleburg circuits of the United Brethren Church, to make arrangements for a joint camp meeting of said circuits, will meet in the U. B. Church in Freeburg, on the 21st inst., at 10 o'clock a. m. to appoint a suitable man to hold a boarding tent of said campmeeting.

All those who wish to have a chance in boarding said camp meeting, will please meet with the committee on said day.

The Bar Room Remedy for weakness of the stomach is a dose of Rum Bitters. They are surcharged with Fusel Oil, a deadlily element, wich is rendered more active by the pungent astringents with which it is combined. If your stomach is weak, or your liver or Bowles disordered, tone, strengthen and regulate them with VINEGAR BITTERS, a pure VEGETABLE STOMACHIC, CORRECTIVE AND APERIENT, free from alcohol, and capable of infusing new vitality into your exhausted disordered system. 4w.

WHERE TO EMIGRATE!—We answer, go to Southwest Missouri, because the Atlantic & Pacific Railroad Co. offer 1,200,000 Acres of land to actual settlers, at low price on long credit, besides furnishing free transportation over their road to purchasers; this road extends from St. Louis through Missouri to Vinita, Indian Territory, is being pushed rapidly to its destination, the Pacific Coast; will be one of the trunk lines of the country, never blockaded by snow—the lands along the road are in a rich fertile country, as productive as any in the States; the climate combines all the advantages of northern and southern latitudes; good climate soil, health, water, timber, grazing, fruits and flowers, invite you to go to this region. For further infogmation address A. TUCK, Land Com'r, 523 Walnut Street, St. Louis, Mo.

A GREAT many boys, as well as men, complain that they cannot get employment. Perhaps it is hard to get such a place as you like, but when you get a place make yourself useful in it; make yourself so necessary, by your fidelity and good behavior, that they cannot do without you. Be willing to take a low price at first, no matter what the price is, if it is honest work. Do it well—do it the very best you can. Begin at the very lowest round of ladder, and climb up. The great want anywhere is faithful, capable workers. They are never a drug in the market. Make yourself one of these, and there will always be a place for you, and a good one too.

SUNBURY & LEWISTOWN RAIL ROAD.—The following complimentary notice of our Rail Road and its efficient Superintendent is taken from the Lewistown *Gazette*.

We passed over a portion of this road on Friday last and noted a marked change since we were on it last fall. The bed is now in good condition, well ballasted, and generally the cars run quite smoothly and with much greater regularity than is usual on new roads, making the trip to or from Sunbury in a little over two hours. This division of the Pa. Railroad is unquestionably managed with unusual ability, and all concur in ascribing this state of things to the energetic superintendent, W. H. Brown, who ready at any moment to throw off his coat and go to work in the performance of duty, requires the same from all under him. He is without question an efficient officer.

The burning of a bridge near Williamsport on the Philadelphia & Erie Railroad on Friday last, brought the Sunbury & Lewistown to a rather unlooked for use—the Empire Line from New York running its cars from Sunbury to Lewistown, thence to Tyrone, and from there to Lock Haven through on the Philadelphia & Erie route. This was a roundabout way but as the cars from New York contained many perishable articles, it was in the end a saving. Many other freight trains are passing over this route.

COMMUNICATED.

WHAT IS A BUILDING ASSOCIATION?—A Building Association is an institution whose principle object is to enable men in narrow circumstances to build houses for themselves to live in. The majority of men of small means increase their expenses nearly in the same proportion in which they succeed in increasing their income. The man who earns a dollar a day, manages to support his family; if his wages be increased to $1.50 per day; he will rarely do more. Without some stimulus to frugality, most men lay up but little in either case. But suppose two hundred such men make up their minds to save twenty five cents a day for twelve days in the month and pay the three dollars per month thus saved into the treasury of a Building Association, their combined savings will furnish one of their number with a home costing six hundred dollars. Those who are thus supplied; instead of paying rent to capitalist, pay interest to the association (whose money they have borrowed) and thus increase the monthly receipts, and thereby hasten the time, when all shall be provided to live themselves, in houses of their own. This is the original theory of Building Associations, and from this they derive their name. Many companies have been formed upon this principle, and wherever they have been prudently managed, they have more than realized the expectations of their founders, with average success, the two hundred men supposed to be associated together will all be supplied with homes of their own in ten years. In the future papers of the Post the benefits and workings of a Building Association will be continued. DOXEY.

Advertising alone does not produce success. The thing which is advertised must have intrinsic merit, or else large advertising will eventually do it more harm than good. If you have anything you know to be good, advertise it thoroughly, and you will be sure to succeed; if it is poor don't praise it, for people will soon discover you are lying.

Such is the policy of the Burlington Route, which runs to the three great regions in the West; 1st, To Omaha, connecting with the great Pacific Roads. 2d, to Lincoln, the capital of Nebraska, and all that beautiful region south of the Platte, filled with R. R. lands and homesteads. 3d, To St. Joseph, Kansas City and all Kansas points.

The roads are splendidly built, have the best bridges, finest cars, the Miller platform and coupler, and the safety air brake (to prevent the loss of life that is every where else happening); Pullman's sleepers, Pullman dining cars, large and powerful engines (to make quick time and good connections, and are in a word the best equipped roads in the West. So that if you desire to go safely, surely, quickly and comfortably to any point in Southern Iowa, Nebraska, Kansas, or on the Pacific Roads, be sure that you go "By Way of Burlington."

All who wish particular information, and a large map, showing correctly the Great West, and all its Railroad connections, can obtain them, and any other knowledge, by addressing General Passenger Agent, B. & Mo. R. R. R., Burlington, Iowa.

A QUESTION IN ARITHMETIC.—A Chinaman dying left eleven sheep and three sons—and making a will left one half of his estate to the oldest boy, one fourth to the next, and one-sixth to the third son. They wished to divide without killing a sheep, but could not see how to do it and so they sent for a wise man who showed it was easy enough. Sending to his own fold for a sheep, the put it with the eleven. Now take your brif, said he to the oldest, and he did so—6; the second, take your one-fourth—3; the younger, take your one-sixth, and begone—2; and they all did so, when the wise man drove his one sheep home. Was the division according to the will?

GREAT DISCOVERY.

VINEGAR BITTERS

VEGETABLE FREE FROM ALCOHOL
PURELY D. WALKER'S CALIFORNIA
EUREKA
VINEGAR BITTERS

Vinegar Bitters are not a drink made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, imparting to it vitality and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to direction, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Biliousness, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestive or Inflammatory diseases of the Liver, Stomach, Bowels, Kidneys, Bladder, and all the Urinary Organs.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Any system containing worms. There is scarcely an individual upon the face of the earth but what is more or less troubled with these parasites, especially children. For full directions, see pamphlet around each bottle, which should be carefully preserved. No family can afford to be without the Bitters for a single month during the season, especially during the months of August and September. Many cases of Cholera, Cholera Morbus, Dysentery, Diarrhœa, Colic, Sick Headache, Nausea, Vomiting, Sinking Spells, Fainting, and Nervousness, arising from Worms, will be found to yield promptly to a few doses of VINEGAR BITTERS.

Mechanical Diseases. Persons engaged in Paint and Mineral Occupations, such as Plumbers, Type Setters, Gilders, Painters, &c., as they advance in life, are subject to Paralysis of the Bowels. To guard against this, take a dose of VINEGAR BITTERS occasionally.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkable for their devastation, will be effectually prevented by the use of this Bitters. No epidemic can take hold of a system thus fortified. It is not to be supposed that a medicine will cure every case of disease, but it is safe to say that no case will resist the combined influence of this Bitters long, where the organs are not entirely destroyed or the vital forces exhausted.

Scrofula, or King's Evil, White Swellings, Tumors, Ulcers, Neck Humors, Goitre, or Thick Neck, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Fistulas, Hip Joint Disease, Erysipelas, Coxcombs, Barber's Itch, Blotches, Spots, Pimples, Pustules, Carbuncles, Boils, Rheumatism, Gout, Neuralgia, Dropsy, Quinsy, Sore Throat, Sore Eyes, Scarlet Fever, Yellow Fever, Typhus Fever, Bronchitis, Consumption, Inflammation of the Lungs, and Diseases of the Blood, Liver, Stomach, Kidneys, and Bladder, are all literally dug up and cast out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Scrofula, or King's Evil, White Swellings, Tumors, Ulcers, Neck Humors, Goitre, or Thick Neck, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Fistulas, Hip Joint Disease, Erysipelas, Coxcombs, Barber's Itch, Blotches, Spots, Pimples, Pustules, Carbuncles, Boils, Rheumatism, Gout, Neuralgia, Dropsy, Quinsy, Sore Throat, Sore Eyes, Scarlet Fever, Yellow Fever, Typhus Fever, Bronchitis, Consumption, Inflammation of the Lungs, and Diseases of the Blood, Liver, Stomach, Kidneys, and Bladder, are all literally dug up and cast out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

The properties of D. Walker's Vinegar Bitters are entirely different from those of the Vinegar Bitters which are flooding the country, and are counterfeiting the genuine, their Vinegar Bitters having no medicinal virtues, and are not to be compared with the genuine.

The Aperient and mild Laxative properties of D. Walker's Vinegar Bitters, in relieving Constipation, Inflammation of the Liver, and of the Stomach and Bowels, are given to the system in their mildest form, and the patient seldom realizes that he is taking a powerful remedy.

Fortify the body against disease by purifying all its fluids with D. Walker's Vinegar Bitters.

Directions.—One wineglassful of the Bitters at bed-time, or when the patient is going to bed for the night, will be sufficient in most cases. Take a good appetite to bed with you, and if you have not one in the morning, take a dose before breakfast. Eat good food, well cooked, and take proper exercise, unless prevented by pain or debility. Use the Bitters regularly for a few weeks, and the blood, liver, kidneys, and digestive organs will become strong and healthy, and remain so for years, if proper attention is paid to the laws of health, and the rules and regulations are followed.
